Armocity L Shaped Gaming Desk with Hutch and LED Lights

MODEL: LGDR-MW

Instruction Manual

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Armocity L Shaped Gaming Desk with Hutch and LED Lights. Designed for optimal space utilization and functionality, this desk features a reversible L-shape, integrated storage, a monitor stand, and customizable RGB LED lighting. Please read all instructions carefully before assembly and use to ensure proper setup and safe operation.

Setup

The Armocity L Shaped Gaming Desk is designed for flexible configuration. It features a reversible design, allowing the side storage rack to be built on either the left or right side to best fit your space. Assembly typically requires two people for ease and safety. All parts and hardware are clearly labeled to simplify the process. It is recommended to hand-tighten screws initially and fully tighten them at the final steps to ensure proper alignment.

Key Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list in the included instruction manual.
2. **Frame Assembly:** Assemble the metal frame sections according to the diagrams, ensuring all connections are secure.
3. **Desktop Installation:** Attach the desktop panels to the assembled frame.
4. **Hutch and Storage Shelves:** Install the hutch and side storage shelves. Remember the reversible design allows placement on either side.
5. **Accessory Attachment:** Secure the monitor stand, headphone hooks, and side fiber fabric bag as desired.
6. **LED Light Strip:** Install the LED light strip in your preferred location on the hutch.

Operating

RGB LED Lights:

The desk features integrated RGB LED lights to enhance your gaming or work environment. These lights offer multiple modes and color options:

- **Static Mode:** Choose from a variety of solid colors to match your mood or setup.
- **Dynamic Modes:** Explore 20 different dynamic lighting effects.
- **Music Sync Mode:** The lights can react to the sound of your music or game, changing color and frequency for an immersive experience.

Control the LED lights using the included remote control or a dedicated mobile application. The app provides more granular control over colors, effects, speed, and brightness.

Maintenance

To ensure the longevity and appearance of your Armocity L Shaped Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the engineered wood or metal finish.
- **LED Lights:** Gently wipe the LED strips with a dry, soft cloth. Do not use liquids directly on the lights.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Safety:** Always ensure the desk is properly assembled and stable. Be cautious when handling the LED lights and follow all electrical safety guidelines.

Troubleshooting

If you encounter any issues with your Armocity L Shaped Gaming Desk, please refer to the following common troubleshooting tips:

- **Assembly Difficulties:** If parts do not align correctly, loosen all fasteners in the affected section, adjust the components, and then re-tighten. Ensure you are following the diagrams and part labels precisely.
- **Wobbly Desk:** Check that all screws are securely tightened. Ensure the adjustable foot pads are properly leveled on uneven floors.
- **LED Lights Not Working:** Verify that the power cable for the LED strip is securely plugged into a working outlet and the control button/app is correctly configured.
- **Missing or Defective Parts:** If you find any parts wrong or defective, please contact Armocity customer service for assistance.
