

MAHANCRI HW3001

MAHANCRI HW3001 Bathroom Wall Cabinet Instruction Manual

Model: HW3001 | Brand: MAHANCRI

1. SAFETY INFORMATION

Please read and understand all safety information before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Weight Limit:** Do not exceed the maximum weight limit of 15 lb (6.8 kg) for any shelf or the towel bar. Overloading can cause the cabinet to detach from the wall or collapse.
- **Installation:** Always follow the installation instructions provided in the pictorial manual to ensure safe and secure mounting. Use appropriate hardware for your wall type.
- **Stability:** Ensure the cabinet is securely fastened to a sturdy wall stud or using appropriate wall anchors. Regularly check the mounting hardware for tightness.
- **Children:** Keep small parts and packaging materials away from children during assembly.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x MAHANCRI HW3001 Medicine Cabinet
- 1 x Accessory Kit (includes all necessary hardware)
- 1 x Pictorial Instruction Manual

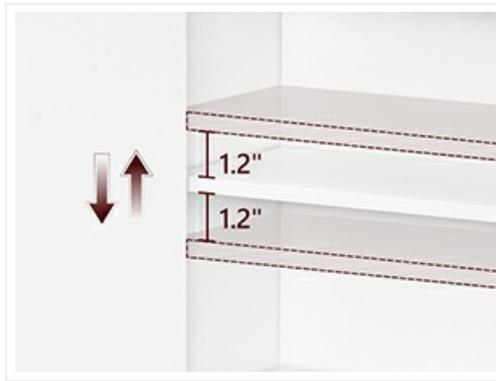

Figure 1: Example of accessory kit contents.

3. ASSEMBLY INSTRUCTIONS

The MAHANCRIS HW3001 cabinet is designed for straightforward assembly. Follow the detailed pictorial manual provided in your package for step-by-step guidance.

1. **Unpack and Identify:** Carefully unpack all components and compare them with the parts list in the manual. Lay out all hardware and panels on a clean, soft surface to prevent scratches.
2. **Assemble the Frame:** Follow the pictorial guide to connect the main panels of the cabinet using the provided screws and fasteners. Ensure all connections are secure.
3. **Install Shelves:** Insert the adjustable shelf pins into the desired height positions. Place the adjustable shelf onto these pins. The internal shelf can be adjusted to 3 different heights to accommodate various items.
4. **Attach Doors:** Mount the cabinet doors using the specified hinges. Ensure the doors align correctly and close smoothly.
5. **Install Towel Bar:** Securely attach the towel bar to the designated area beneath the open shelf.
6. **Wall Mounting:** Choose a suitable location on a sturdy wall. Mark the drilling points accurately. Drill pilot holes and insert appropriate wall anchors if not mounting into a stud. Securely fasten the cabinet to the wall using the provided mounting hardware.

4. OPERATING INSTRUCTIONS (USAGE)

The MAHANCRIS HW3001 Bathroom Wall Cabinet offers versatile storage for various rooms.

- **Storage Capacity:** Utilize the enclosed cabinet with its adjustable shelf for items requiring discreet storage, such as medicines, toiletries, or cleaning supplies. The open shelf below is ideal for decorative items, frequently used essentials, or small artworks. The integrated hanging rod is designed for towels or washcloths.
- **Space Optimization:** This wall-mounted design maximizes vertical space, helping to declutter countertops and floors in bathrooms, kitchens, laundry rooms, or bedrooms.
- **Versatile Placement:** While primarily designed for bathrooms, its aesthetic and functionality make it suitable for other areas where additional storage and a decorative touch are desired.

Space Saving

Make the most of wall space, to free up floor and countertop space in bathrooms.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your MAHANCRIS wall cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the painted finish.
- **Spills:** Promptly wipe up any spills, especially water, to prevent moisture damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Environment:** Maintain a stable room temperature and humidity to prevent warping or cracking of the wood materials.

6. TROUBLESHOOTING

Refer to this section for common issues and their solutions.

Problem	Possible Cause	Solution
Missing parts or hardware	Packaging error or lost during unpacking.	Carefully re-check all packaging materials. If still missing, contact MAHANCRIS customer support with your purchase details.
Holes do not align during assembly	Incorrect orientation of panels or minor manufacturing tolerance.	Ensure panels are oriented correctly as per the pictorial manual. Apply gentle pressure or slightly loosen adjacent screws to align, then retighten. Do not force components.
Cabinet feels unstable after mounting	Improper wall mounting or insufficient anchors.	Verify that the cabinet is mounted into wall studs or using appropriate heavy-duty wall anchors for your wall type. Ensure all mounting screws are fully tightened. Consult a professional if unsure.
Doors do not close properly	Hinge misalignment or magnetic catch issue.	Adjust the hinges as per the manual to align the doors. Check if the magnetic catches are properly installed and aligned with the door plates.
