

Angrox RC813

Angrox RC813 Voice Replacement Remote for TCL Google TV User Manual

Model: RC813

INTRODUCTION

This manual provides comprehensive instructions for the Angrox RC813 Voice Replacement Remote Control, designed specifically for TCL Google TV models. It covers setup, operation, maintenance, and troubleshooting to ensure a seamless user experience. Please read this manual carefully before using your new remote control.

Note: This remote control is not applicable to Roku TVs.

1. Battery Installation

The remote control requires two (2) AAA batteries (not included). Follow these steps to install them:

1. Locate the battery compartment on the back of the remote control.
2. Slide open the battery cover.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals match the indicators inside the compartment.
4. Close the battery cover securely.

2. Pairing the Remote Control with Your TCL Google TV

The Angrox RC813 remote uses Bluetooth for voice control and enhanced functionality. Follow these steps to pair it with your TCL Google TV:

1. Ensure your TCL Google TV is powered on.
2. On the remote, **short press the "Google Assistant" button** (microphone icon).
3. Immediately after, **press and hold the "HOME" button and the "OK" button simultaneously for approximately 5 seconds**.
4. Release the buttons when a pairing message appears on your TV screen, indicating that the pairing process has begun.
5. Follow any on-screen prompts to complete the pairing. The TV screen will confirm when pairing is successful.

2 STEPS TO PAIR THE REMOTE:

1. Short press the  button at first.

2. Press and hold the  and  buttons at the same time.

Image: Visual guide demonstrating the two-step pairing process: first short press the Google Assistant button, then press and hold the Home and OK buttons.

MAINTENANCE

Battery Replacement

Replace the AAA batteries when the remote control's response becomes sluggish or it stops functioning. Always replace both batteries at the same time with new ones. Do not mix old and new batteries, or different types of batteries.

Cleaning

To clean the remote control, use a soft, dry cloth. Do not use abrasive cleaners, waxes, or solvents as these may damage the surface or internal components.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Remote not responding.	Dead or incorrectly inserted batteries.	Replace batteries with new AAA batteries, ensuring correct polarity.
Voice control not working.	Remote not paired via Bluetooth.	Perform the pairing procedure described in the Setup section.
Remote not pairing.	Incorrect pairing steps or interference.	Ensure TV is on. Repeat pairing steps carefully. Move closer to the TV. Remove other Bluetooth devices temporarily.
Buttons are unresponsive.	Obstruction between remote and TV's IR receiver (for basic functions).	Ensure a clear line of sight between the remote and the TV.
Remote is for TCL Roku TV.	This remote is not compatible with Roku TVs.	Verify your TV is a TCL Google TV, not a TCL Roku TV. This remote is specifically for TCL Google TV models.
