## Ravensburger 23860

# Ravensburger GraviTrax Star Wars Action-Set Death Star Marble Run System

**MODEL: 23860**

Brand: Ravensburger

### 1. Product Overview

The Ravensburger GraviTrax Star Wars Action-Set Death Star is an interactive marble run system designed for children aged 8 and up. This set combines the principles of gravity and engineering with the iconic Star Wars universe, allowing users to construct unique and dynamic marble tracks. It encourages creative skill, imagination development, problem-solving, reasoning, and spatial awareness through hands-on building and experimentation. This set features exclusive Star Wars-themed elements, including a Death Star base plate, iconic spacecraft figures like X-Wing Fighters and TIE Fighters, and other components inspired by the Star Wars galaxy. All GraviTrax lines (CORE, PRO, POWER) and products are designed to be combinable, offering extensive expansion possibilities.

## 2. Safety Information

- **Recommended Age:** This product is suitable for ages 8 and up.
- **Small Parts:** The set contains small parts (marbles and various track components) which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended for younger users within the recommended age range.
- **Material:** Made from plastic. Ensure proper handling to prevent breakage.

## 3. Package Contents

The GraviTrax Star Wars Action-Set Death Star includes 201 pieces. Please verify that all components listed below are present in your package:

- Baseplates, Tiles, & Pillars
- Tracks, Rails & Curves
- Cannons, Spinners & Slides
- Balls, Catchers & Finish Pieces
- Star Wars Parts & Instructions

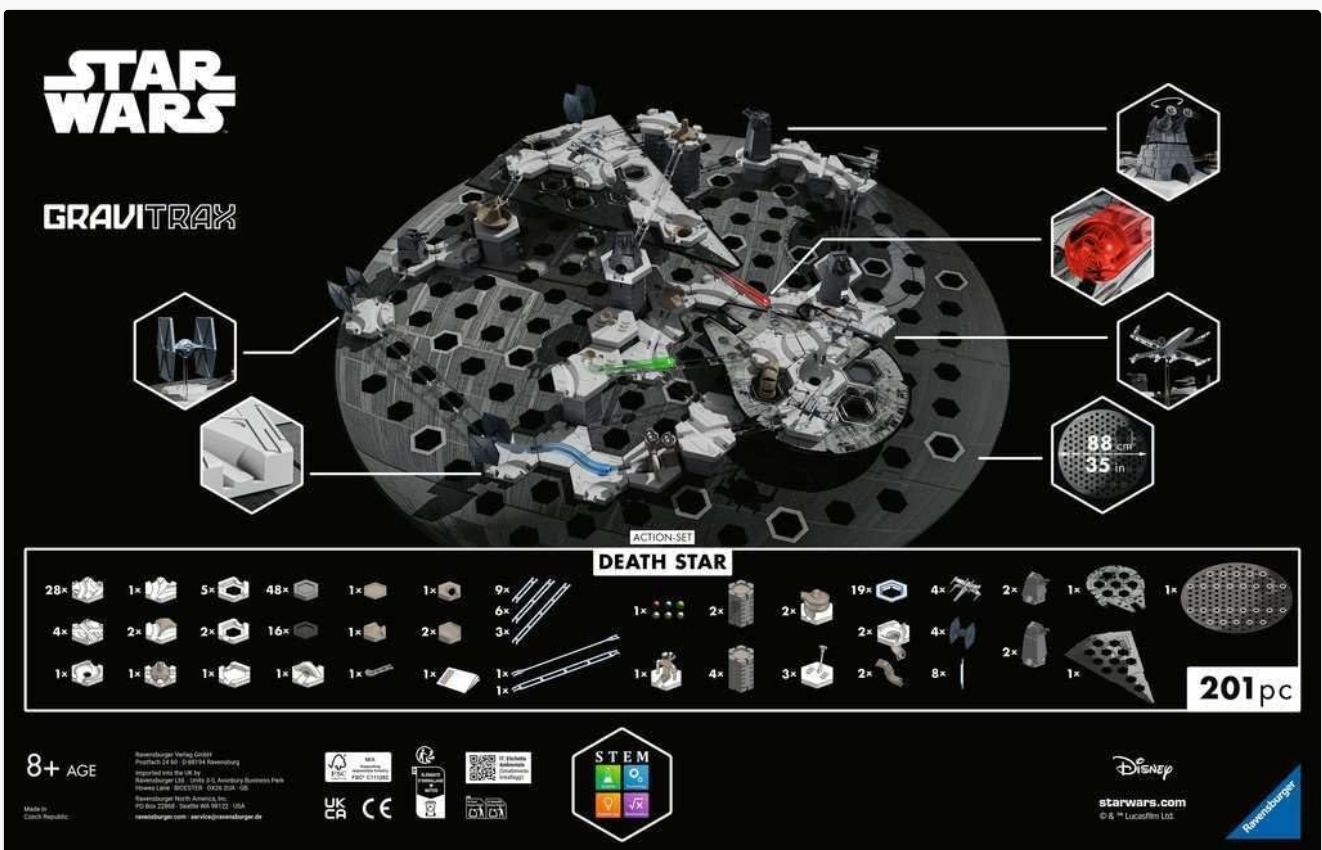

All 201 components of the GraviTrax Star Wars Action-Set Death Star laid out for inspection.

## 4. Setup Instructions

Follow these steps to assemble your GraviTrax Star Wars Action-Set Death Star:

1. **Unpack Components:** Carefully remove all pieces from the packaging. Refer to the included Star Wars Parts & Instructions booklet for a complete list of parts and visual guides.
2. **Assemble the Baseplate:** Connect the Death Star-themed baseplate sections to form the foundation of your marble run. Ensure they are securely interlocked.
3. **Place Height Tiles and Pillars:** Position the height tiles and pillars on the baseplate according to your desired track design or the suggested layouts in the instruction booklet. These elevate sections of the track.
4. **Add Tracks and Action Elements:** Connect the various tracks, rails, and curves between the elevated sections. Integrate action elements such as cannons, spinners, and slides to create dynamic marble paths.
5. **Integrate Star Wars Elements:** Place the Star Wars-themed pieces, including the Millennium Falcon, X-Wing Fighters, and TIE Fighters, onto the track or designated areas on the baseplate. These elements enhance the theme and can interact with the marble run.
6. **Test Your Track:** Before extended play, test your assembled track by releasing a marble from the starting point to ensure smooth flow and proper function of all elements. Adjust as needed.

The back of the product box illustrates an assembled track and the various components included in the set.

## 5. Operating Instructions

Once your GraviTrax Star Wars Action-Set Death Star track is assembled, you can begin playing:

- **Launch Marbles:** Place a marble at the designated starting point of your track. Release it to observe its journey through the various elements.
- **Experiment with Designs:** GraviTrax is designed for experimentation. Modify your track layout, rearrange elements, and try different starting points to discover new paths and actions.
- **Utilize Action Elements:** Engage with the special action elements. For example, cannons can propel marbles, and spinners can change their direction or speed.
- **Combine Sets:** If you own other GraviTrax sets (CORE, PRO, POWER), integrate their components with this Star Wars Action-Set to create even larger and more complex marble run worlds.

## 6. Maintenance

- **Cleaning:** Wipe components with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all pieces in their original box or a suitable container to prevent loss or damage. Keep away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect all pieces for wear and tear. Discontinue use if any part is broken or damaged.

## 7. Troubleshooting

- **Marbles Getting Stuck:**
  - Check track alignment: Ensure all track pieces are securely connected and properly aligned.
  - Verify height differences: Confirm that there is sufficient height difference between track sections for gravity to propel the marble.
  - Inspect for obstructions: Remove any debris or foreign objects from the track.
- **Pieces Not Connecting Securely:**
  - Ensure correct orientation: Some pieces have specific connection points or orientations. Refer to the instruction booklet.
  - Apply gentle pressure: Press pieces firmly but gently until they click into place. Avoid excessive force.

## 8. Specifications

<b>Brand Name</b>	Ravensburger
<b>Model Number</b>	23860
<b>Item Type Name</b>	Marble Run Set
<b>Age Range Description</b>	8+

<b>Educational Objective</b>	Creative Skill, Imagination Development, Problem Solving, Reasoning Skill, Spatial Awareness
<b>Material Type</b>	Plastic
<b>Item Dimensions</b>	20.51 x 13.31 x 4.29 inches
<b>Item Weight</b>	1 Kilogram
<b>Included Components</b>	Balls, Catchers & Finish Pieces, Baseplates, Tiles, & Pillars, Cannons, Spinners & Slides, Star Wars Parts & Instructions, Tracks, Rails & Curves

## 9. Warranty and Support

---

Ravensburger products are manufactured to high-quality standards. For specific warranty information, please refer to the documentation included with your product or visit the official Ravensburger website. For customer support, inquiries, or to purchase replacement parts, please contact Ravensburger directly through their official channels.

**Online Resources:** For additional ideas, track layouts, and community engagement, visit the official GraviTrax website or Ravensburger's support pages.
