Kadablk Architecture Series Mini Bricks London Skyline Collection Instruction Manual

Model: B0CVXGTTWK | Brand: Kadablk

INTRODUCTION

Thank you for choosing the Kadablk Architecture Series Mini Bricks London Skyline Collection. This educational building kit features 3430 micro blocks, designed to create a detailed model of London's iconic skyline. The smallest blocks measure 4x4mm, offering a challenging and rewarding building experience for adults and teens aged 14 and up. This set is an engaging entertainment game and makes a great display piece for your home or office.

Please note that due to the small size of the blocks, patience and carefulness are required during assembly. The finished model is a detailed representation of the London skyline, including landmarks such as Big Ben, the London Eye, Tower Bridge, Buckingham Palace, and the British Museum.

PRODUCT OVERVIEW

HOW BIG ARE YOU?

The Smaller Block.

Figure 1: The complete Kadablκ London Skyline micro brick model, showcasing its intricate design and compact size.

BIG BEN

LONDON EYE

BUCKINGHAM PALACE

TOWER BRIDGE

BRITISH MUSEUM

Figure 2: A closer look at the individual landmarks included in the set, such as Big Ben, London Eye, Buckingham Palace, Tower Bridge, and the British Museum.

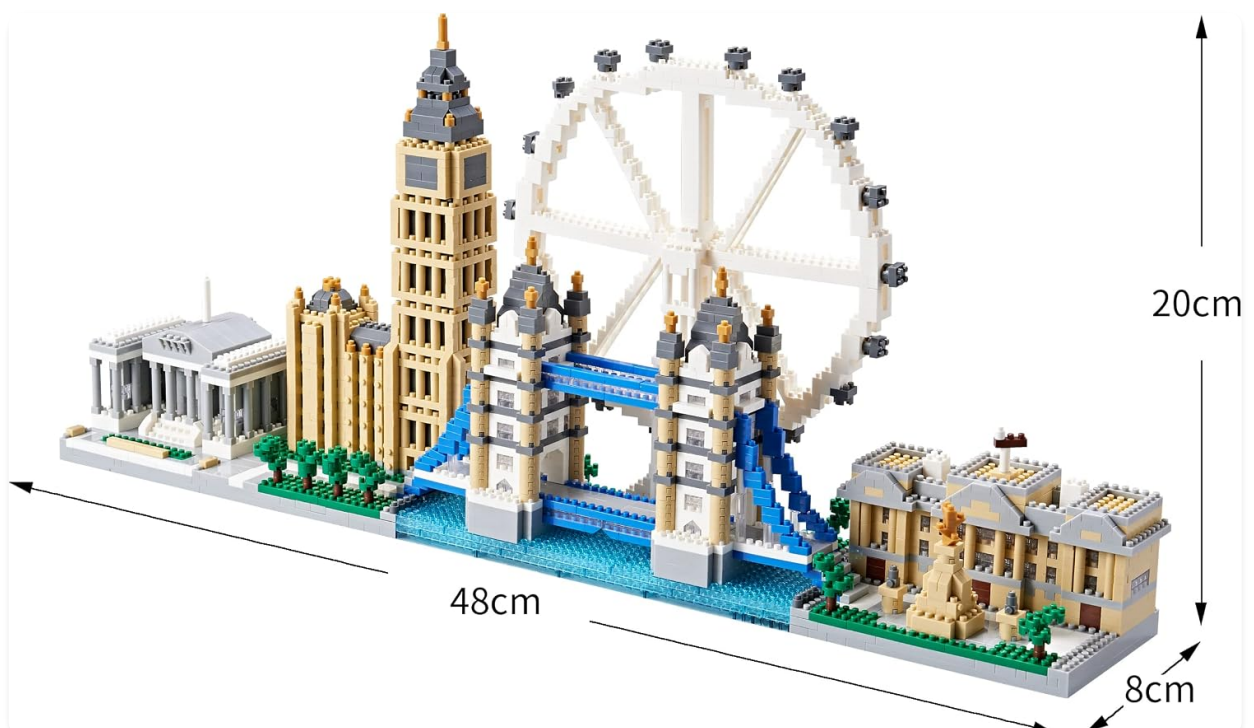

Figure 3: The dimensions of the assembled London Skyline model, measuring approximately 48cm in length, 8cm in width, and 20cm in height.

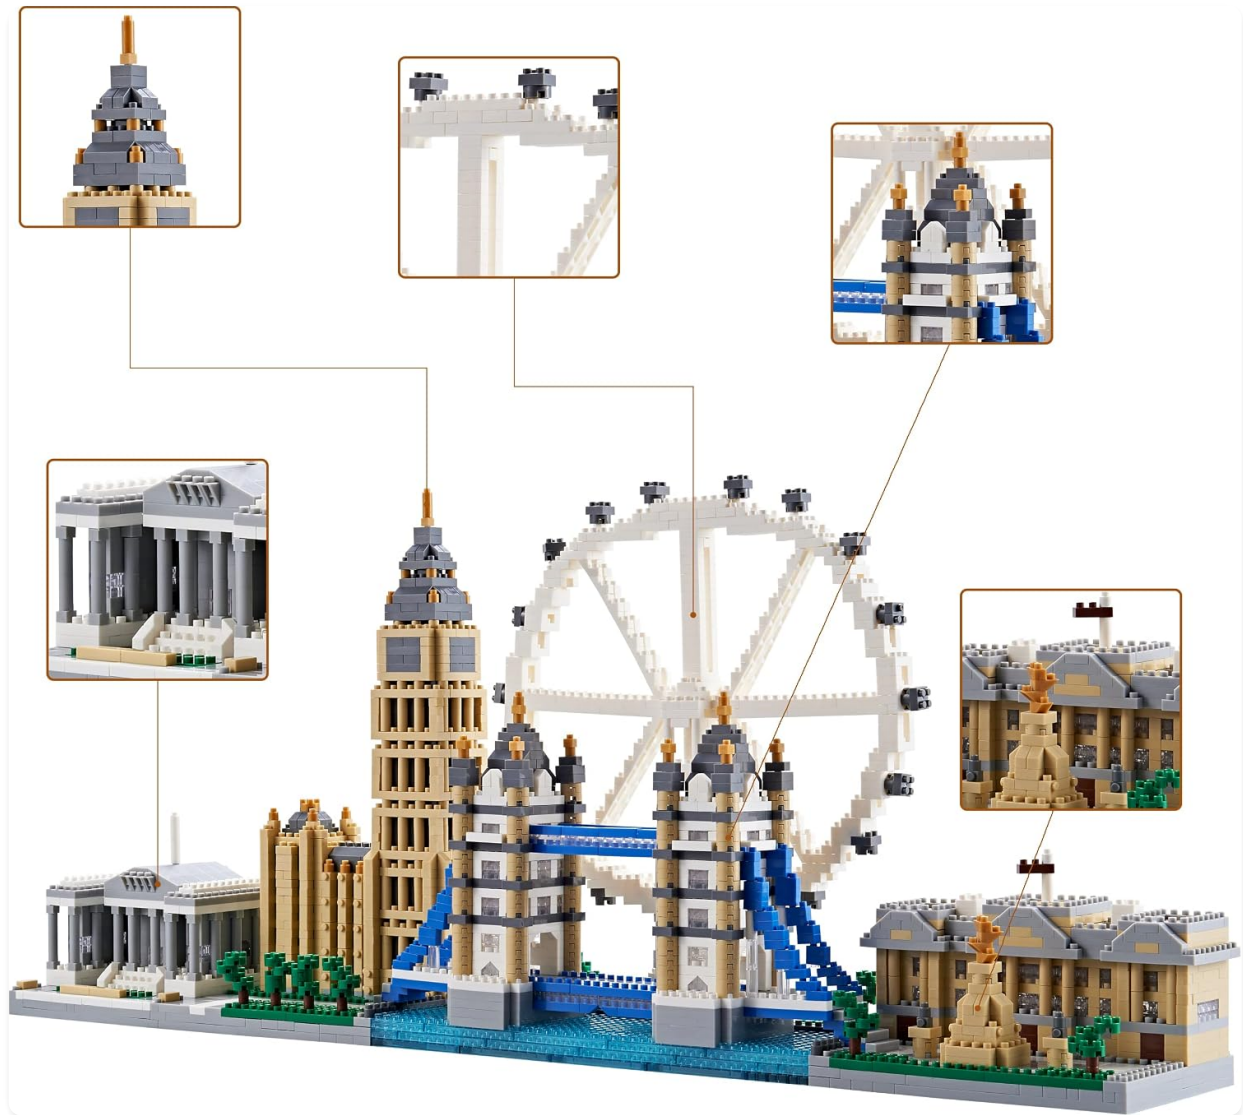

Figure 4: Close-up views highlighting the intricate details and micro block connections that form the architectural elements of the model.

SETUP AND ASSEMBLY

The London Skyline set consists of 3430 micro blocks. An installation manual is included to guide you through the building process. The blocks are packaged in bags to facilitate organization.

Assembly Instructions:

1. Unpack all components from the box.
2. Open all bags containing the micro blocks. The numbers on the bags do not indicate a specific building sequence.
3. Sort the blocks by color and shape to make them easier to find during assembly.
4. Follow the detailed instructions provided in the paper manual. Each step illustrates the placement of blocks to construct the model.
5. Utilize the included tools, such as tweezers, for precise placement of the smaller micro blocks.
6. Work systematically through the manual, ensuring each section is securely built before proceeding.

Building this model can be a collaborative and enjoyable activity for families.

MAINTENANCE

To maintain the appearance and integrity of your Kadablk London Skyline model, follow these guidelines:

- Keep the assembled model in a clean, dry environment away from direct sunlight to prevent discoloration or material degradation.
- Dust the model regularly with a soft, dry cloth or a soft brush to prevent dust accumulation in crevices.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic material and colors.
- Handle the model with care to prevent accidental disassembly or damage to delicate parts.

TROUBLESHOOTING

If you encounter any issues during assembly or find missing components, please refer to the following:

Missing Pieces:

Every piece of our product packing undergoes three tests to ensure completeness. However, if your set is still missing any pieces, please contact us directly through Amazon. We will arrange to send the missing parts to you free of charge.

Assembly Difficulties:

- Ensure you are following the instruction manual step-by-step.
- Double-check that you are using the correct blocks for each step, as some micro blocks may appear similar.
- If a block does not fit easily, do not force it. Re-examine the instructions and the surrounding blocks.

SPECIFICATIONS

- **Product Dimensions:** 19 x 3.2 x 8 inches
- **Item Weight:** 2.07 pounds
- **ASIN:** B0CVXGTTWK
- **Manufacturer Recommended Age:** 14 years and up
- **Material:** 100% ABS plastic bricks
- **Number of Pieces:** 3430
