Storkcraft 04521-459

Storkcraft Horizon 5-in-1 Convertible Crib

Model: 04521-459

INTRODUCTION

This instruction manual provides essential information for the safe assembly, use, and maintenance of your Storkcraft Horizon 5-in-1 Convertible Crib. Please read all instructions carefully before assembly and retain this manual for future reference. Proper assembly and adherence to safety guidelines are crucial for the well-being of your child.

For important safety alerts and updates, please visit our [Product Registration page](#).

IMPORTANT SAFETY WARNINGS

- **Weight Limit:** The child must be less than 50 lbs (22.7 kg) to use this bed.
- **Safe Sleep Environment:** Babies should only be placed to sleep alone, on their back, in a properly assembled, certified crib, mini crib, or bassinet with a firm mattress covered in a properly fitted sheet.
- **Avoid Obstructions:** No other items, including soft toys, pillows, bumper pads, blankets, comforters, quilts, or other bedding, should be placed in the sleep space. This is to ensure nothing interferes with the baby's breathing.
- **Manufacturer Recommendations:** Storkcraft products should always be used according to manufacturer recommendations and only for the purpose for which they were designed, tested, and intended.
- **Assembly Instructions:** Refer closely to your product's separate Assembly Instructions for detailed setup procedures, warnings, and information.
- **Regular Inspection:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Do not use the crib if any parts are missing, damaged, or broken.

PRODUCT FEATURES

The Storkcraft Horizon 5-in-1 Convertible Crib is designed to adapt to your child's growth, offering versatility and safety.

- **5-in-1 Convertible Design:** Easily transforms from a crib to a toddler bed, daybed, and full-size bed (with or without footboard).
- **Adjustable Mattress Support Base:** Features 3 different height options to accommodate your growing child and ensure safety.
- **Standard Mattress Compatibility:** Designed to fit any standard full-size crib and toddler mattress (mattress sold separately).
- **Durable Construction:** Crafted with pine wood, poplar dowels, and wood composites for lasting quality.

SETUP AND ASSEMBLY

Your Storkcraft Horizon 5-in-1 Convertible Crib requires assembly. Detailed, step-by-step instructions are provided in a separate Assembly Instructions booklet included with your product. Please follow these instructions precisely to ensure the crib is assembled correctly and safely.

Before you begin:

- Unpack all components and verify that all parts are present according to the parts list in the Assembly Instructions.
- Ensure you have the necessary tools as specified in the Assembly Instructions.
- Assemble the crib on a soft, clean surface to prevent scratching.
- Do not use power tools for assembly, as this may overtighten fasteners and damage the wood.

If you encounter any issues during assembly or if any parts are missing, please contact Customer Care immediately.

OPERATING MODES (5-IN-1 CONVERSION)

The Storkcraft Horizon crib offers five conversion options to grow with your child:

1. **Crib:** The primary function for infants. Ensure the mattress support is set to the appropriate height for your child's age and developmental stage. The highest position is for newborns, and it should be lowered as your child grows and becomes more mobile.
2. **Toddler Bed:** Converts from the crib by removing the front rail and adding a toddler guardrail (sold separately). This transition is suitable when your child begins to climb out of the crib.
3. **Daybed:** Converts from the crib by removing the front rail. This provides an open-front sleeping or lounging space for older toddlers.
4. **Full-Size Bed (Headboard Only):** The crib headboard can be used with a standard full-size bed frame (conversion kit and bed frame sold separately).
5. **Full-Size Bed (Headboard and Footboard):** Both the crib headboard and footboard can be used with a standard full-size bed frame (conversion kit and bed frame sold separately).

Refer to your Assembly Instructions for specific steps and required components for each conversion.

MAINTENANCE AND CARE

- **Cleaning:** Clean the crib surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or strong detergents, as these can damage the finish.
- **Inspections:** Regularly inspect all hardware, including screws, bolts, and mattress support springs, to ensure they are tight and secure. Tighten any loose fasteners immediately.
- **Storage:** If storing the crib, ensure it is in a dry, temperature-controlled environment to prevent warping or damage to the wood.
- **Repairs:** Do not attempt to repair damaged parts yourself. Contact Storkcraft Customer Care for replacement parts or service.

TROUBLESHOOTING

If you encounter any issues with your Storkcraft Horizon 5-in-1 Convertible Crib, please refer to the following common solutions:

- **Wobbly Crib:** Ensure all bolts and screws are securely tightened. Re-check the assembly steps in the Assembly Instructions.

- **Difficulty with Conversion:** Review the specific conversion steps in your Assembly Instructions. Ensure all necessary conversion kits (sold separately) are present and correctly installed.
- **Missing Parts:** If any parts were missing upon unboxing, do not proceed with assembly. Contact Storkcraft Customer Care for assistance.

For further assistance, please contact our Customer Care team.

SPECIFICATIONS

Model Number	04521-459 (Espresso)
