INTRODUCTION

Thank you for choosing the FORLIM XL Rechargeable Gravity Electric Salt and Pepper Grinder Set. This manual provides essential information for the safe and efficient use of your new appliance. Please read it thoroughly before first use and retain it for future reference.

SETUP

1. Unpacking

Carefully remove all components from the packaging. Ensure all items listed below are present:

- 2 x FORLIM Electric Grinders
- 2 x USB-C Charging Cables
- 1 x Cleaning Brush
- 1 x User Manual

2. Charging the Grinders

Before initial use, fully charge both grinders. Each grinder is equipped with a built-in rechargeable Lithium-ion battery.

1. Locate the USB-C charging port on the grinder.
2. Connect one end of the provided USB-C cable to the grinder and the other end to a compatible USB power adapter (not included).

3. The charging indicator light will illuminate during charging. A full charge typically takes over 60 minutes.
4. Once fully charged, disconnect the cable. A single charge can provide 3 to 6 months of typical use.

3. Filling the Spice Chamber

The grinders feature an extra-large 9-ounce capacity chamber.

1. Twist the top section of the grinder counter-clockwise to detach it from the transparent spice chamber.
2. Fill the transparent chamber with your desired whole spices, such as peppercorns or coarse salt. Do not overfill.
3. Align the top section with the chamber and twist clockwise to secure it firmly.

Image: Visual comparison highlighting the 9-ounce capacity of the FORLIM grinder.

4. Adjusting Coarseness

The grinders allow for adjustable coarseness, from fine to coarse.

1. Locate the adjustment knob on the bottom of the grinder, around the ceramic grinding mechanism.
2. Turn the knob clockwise for a finer grind.
3. Turn the knob counter-clockwise for a coarser grind.
4. Test the grind on a surface to achieve your preferred consistency.

UPGRADED MOTOR FOR PERFECTLY BALANCED GRIND

Say goodbye to over-seasoning! Our upgraded motor ensures precise grinding, preventing excessive seasoning common in other grinders.

OPERATION

1. Activating the Grinder

The FORLIM grinder features a gravity-activated mechanism and a safety switch.

1. Ensure the safety switch, located on the side of the grinder, is in the 'ON' position.
2. Simply tilt the grinder to an angle greater than 0 degrees (typically around 45 degrees or more) over your food. The grinding mechanism will automatically activate, and a blue LED light will illuminate to assist with visibility.
3. To stop grinding, return the grinder to an upright position (less than 0 degrees tilt).

MAINTENANCE

1. Cleaning the Spice Chamber

The transparent spice chamber is detachable and washable for easy cleaning.

1. Ensure the grinder is empty before cleaning.
2. Twist the top section counter-clockwise to separate it from the chamber.
3. Wash the transparent chamber with warm, soapy water. Rinse thoroughly and allow it to dry completely before reassembling.

4. Use the provided cleaning brush to remove any spice residue from the grinding mechanism. Do not immerse the motor unit in water.
5. Wipe the exterior of the grinder with a damp cloth.

2. Storage

Store the grinders in a dry place away from direct sunlight and moisture when not in use.

TROUBLESHOOTING

If you encounter issues with your FORLIM grinder, please refer to the following common solutions:

- **Grinder not operating:**

- Ensure the grinder is fully charged.
- Verify that the safety switch is in the 'ON' position.
- Check if the spice chamber is securely attached.
- Inspect the grinding mechanism for any blockages or clogs. Use the cleaning brush to clear any obstructions.

- **Inconsistent grind:**

- Adjust the coarseness knob to your desired setting.
- Ensure the spice chamber is not overfilled, which can affect grinding consistency.

- **Grinder stops unexpectedly:**

- Recharge the grinder if the battery is low.
- Check for any hard foreign objects mixed with the spices that might be jamming the mechanism.

If these steps do not resolve the issue, please contact FORLIM customer support.

SPECIFICATIONS

Brand	FORLIM
Model Number	KDL-591-L-2B
Material	Stainless Steel
Product Dimensions	2.48"W x 9.53"H
Item Weight	1.65 Pounds (per set)
Operation Mode	Automatic (Gravity Sensor)
Capacity	9 ounces (per grinder)
Battery Type	Lithium Ion (included)
Charging Time	>60 minutes
Usage Time	3-6 months (typical)

WARRANTY & SUPPORT
