OLIGHT O-OBULB2-300000

OLIGHT Sphere Smart Night Light User Manual

Brand: OLIGHT

Model: O-OBULB2-300000

1. Introduction

The OLIGHT Sphere Smart Night Light is a versatile and portable ambient lighting device designed for various indoor and outdoor settings. It features stepless dimming, a wide range of color options, and convenient control via a mobile application or direct button presses. Its magnetic base allows for flexible placement, and the rechargeable battery ensures long-lasting operation.

2. What's in the Box

Verify that all components are present upon unboxing:

- Sphere x 1 (Smart Night Light Unit)
- MCC 1A x 1 (Magnetic Charging Cable)
- Adhesive Metal Badge x 1
- User Manual x 1

3. Setup

3.1 Initial Charging

Before first use, fully charge the OLIGHT Sphere. Connect the MCC 1A magnetic charging cable to the bottom of the Sphere. The indicator light on the charger will show charging status. A full charge typically takes a few hours.

3.2 App Installation and Pairing

For full functionality, download the official OLIGHT app from your device's app store (compatible with iOS and Android). Follow the in-app instructions to pair your Sphere Smart Night Light via Bluetooth.

3.3 Placement and Mounting

The Sphere features a magnetic base for easy attachment to metal surfaces. For non-metallic surfaces, use the included adhesive metal badge to create a magnetic mounting point. Ensure the surface is clean and dry before applying the badge.

4. Operating Instructions

4.1 Manual Control (Bottom Switch)

The Sphere can be operated directly using the button on its bottom surface:

- **Power On/Off:** Press and hold the button for approximately 1 second to turn the light on or off.
- **Stepless Dimming:** When the light is on, press and hold the button to adjust brightness smoothly. Release to set the desired level.
- **Cycling Modes:** Single-press the button to cycle through 7 pre-set lighting modes: white light, red light, red flash, and four replaceable colorful modes.

4.2 App Control

The OLIGHT app provides extensive control and additional features:

- **Brightness and Color Adjustment:** Precisely adjust brightness and select from 20 app-controlled lighting modes, including white light, red light, red flash, and vibrant dynamic or static colors.
- **Battery Level Check:** Monitor the Sphere's battery percentage.
- **Special Features:** Access unique functions like the "Bash-A-Mole" game, set a countdown timer, and activate music rhythm modes for synchronized lighting effects.
- **Group Control:** Control multiple Sphere lights simultaneously (up to 100 lamps).

4.3 Usage Scenarios

The compact and versatile design of the Sphere makes it suitable for various applications:

- Night light for bedrooms or nurseries.
- Ambient lighting for parties, relaxation, or decoration.
- Portable light source for camping or outdoor adventures.
- Task lighting for reading or working.

5. Maintenance

To ensure the longevity and optimal performance of your OLIGHT Sphere:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or solvents.
- **Storage:** Store the device in a cool, dry place when not in use for extended periods.
- **Charging:** Recharge the battery regularly, even if not in frequent use, to maintain battery health.
- **Water Resistance:** The Sphere is waterproof, but avoid prolonged submersion or exposure to high-pressure water jets.

6. Troubleshooting

If you encounter issues with your OLIGHT Sphere, refer to the following common solutions:

Problem	Possible Cause	Solution
Light does not turn on.	Low battery; incorrect button press.	Charge the Sphere fully. Ensure you are pressing and holding the bottom button correctly.
Cannot connect to app.	Bluetooth off; app not updated; Sphere not in pairing mode.	Ensure Bluetooth is enabled on your device. Update the OLIGHT app to the latest version. Restart the Sphere and try pairing again.

Problem	Possible Cause	Solution
Light flickers or behaves erratically.	Low battery; software glitch.	Charge the Sphere. Restart the device by turning it off and on. If issues persist, contact customer support.

7. Specifications

Feature	Detail
Brand	OLIGHT
Model	O-OBULB2-300000
Product Dimensions	2.26"D x 2.26"W x 2.64"H
Item Weight	3.2 ounces (0.2 Pounds)
Lamp Type	Night Light
Light Source Type	LED
Brightness	75 Lumens (Max)
Power Source	Battery Powered (1 Lithium Polymer battery included)
Battery Life	Up to 40 hours (in 1 white low mode)
Control Method	App, Remote (via app), Bottom Switch
Connectivity Technology	BT (Bluetooth)
Number of Light Sources	20 (App-controlled modes)
Material	Polycarbonate
Finish Type	Transparent
Water Resistance Level	Waterproof
Special Features	Dust Resistant, Timer, Lightweight, Rechargeable, Color Changing

8. Warranty and Support

OLIGHT stands by the quality of its products. The OLIGHT Sphere Smart Night Light comes with a **Lifetime Warranty**. For any product inquiries, technical support, or warranty claims, please visit the official OLIGHT website or contact their customer service directly.
