

HIFIT UP-104

HIFIT Full Size Smart LED Bed Frame (Model UP-104) - User Manual

Upholstered Bed Frame with 2 Storage Drawers and Adjustable Headboard

Brand: HIFIT | Model: UP-104

IMPORTANT SAFETY INFORMATION

WARNING: Exercise caution around sharp edges on the adjustable headboard. Do not exceed the maximum weight capacity of 850 pounds. Follow assembly instructions carefully to prevent instability or collapse.

1. INTRODUCTION

Thank you for choosing the HIFIT Full Size Smart LED Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read it thoroughly before beginning assembly and retain it for future reference.

2. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- LED Bed Frame with Headboard
- Two Large Storage Drawers
- Necessary Assembly Hardware
- Installation Manual (this document)

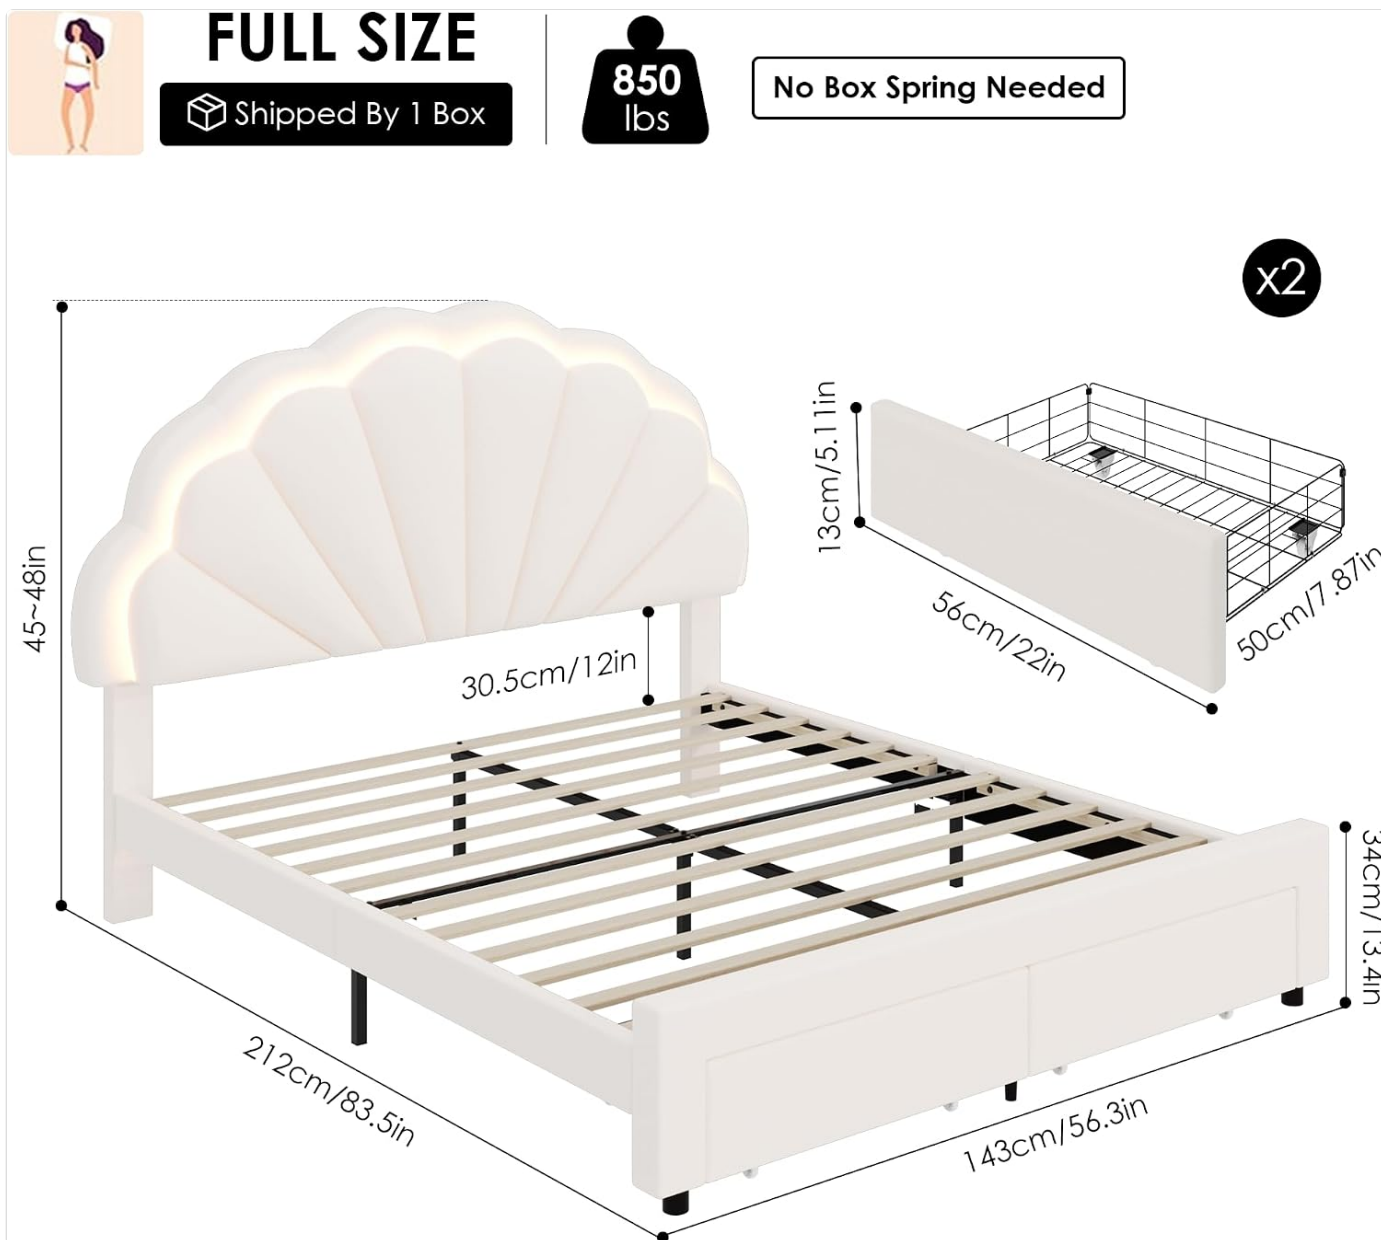

Figure 2.1: Exploded view and dimensions of the bed frame components.

3. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and typically takes approximately 35 minutes. No additional tools are required beyond those provided.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Headboard:** Attach the adjustable headboard sections according to the included diagrams. Ensure all connections are secure.
3. **Construct Bed Frame:** Connect the side rails and footboard to the headboard.
4. **Install Slats:** Place the solid wood slats onto the frame. The powerful Velcro strips and silent strips are designed to fix the slats securely and reduce noise.
5. **Assemble Storage Drawers:** Construct the two large steel storage drawers. Attach the premium quiet wheels for smooth operation.
6. **Integrate Drawers:** Slide the assembled drawers into position under the footboard. Velcro strips will help hold them in place.
7. **Connect LED Lights:** Follow the specific instructions for connecting the built-in smart LED light strips.

Ample Storage Space

- Drawer's Dimensions: 22" x 20" x 5"
- Spacious Drawers for bed sheets, toys, books, etc
- Smooth-rolling wheels easily slide out, making organization a breeze

4. OPERATING INSTRUCTIONS

4.1. LED Light Control

The integrated RGB LED light strips can be controlled via a dedicated app, remote control, or adapter.

- **App Control:** Download the specified app (refer to the LED light instructions for app name). This allows access to over 16 million colors, 20+ preset light effects (brightness, flash, wave), and various modes (music, mic, time mode).
- **Remote Control:** Use the provided remote to adjust colors, brightness, and select preset modes.
- **Adapter Control:** Basic functions may be available directly from the adapter unit.

Figure 4.1: Overview of LED light features and control methods (app and remote).

4.2. Adjustable Headboard

The headboard height can be adjusted from 45 inches to 48 inches to accommodate different mattress thicknesses and user preferences. Refer to the assembly instructions for specific steps on adjusting the headboard height.

Figure 4.2: Headboard height adjustment range (45-48 inches).

4.3. Storage Drawers

The two large storage drawers at the footboard operate on quiet wheels for easy access. Use them to store bedding, clothing, or other items. The Velcro strips help keep them in place when not in use.

5. CARE AND MAINTENANCE

- **Cleaning Fabric:** For general cleaning of the upholstered parts, wipe with a dry cloth. For spills or stains, gently wipe with a damp cloth. Avoid harsh chemicals.
- **Frame Cleaning:** Wipe metal and wood components with a dry cloth.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability.

- **LED Lights:** Ensure LED light strips are free from dust. Do not attempt to repair or modify the LED system yourself.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	Power connection loose; remote battery dead; app not connected.	Check power adapter connection. Replace remote battery. Ensure app is correctly paired via Bluetooth.
Bed frame squeaks	Loose bolts; slats not properly seated.	Tighten all assembly bolts. Ensure all wood slats are correctly positioned and secured by Velcro strips.
Storage drawers not sliding smoothly	Wheels obstructed; drawer overloaded.	Clear any obstructions around the wheels. Reduce the weight in the drawers.
Headboard feels unstable	Headboard attachment bolts loose.	Ensure all bolts connecting the headboard to the frame are securely tightened.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	UP-104
Size	Full
Product Dimensions (L x W x H)	83.5" x 56.3" x 48"
