

IMILAB CMSXJ31A

IMILAB EC4 Wireless Outdoor Camera System User Manual

Model: CMSXJ31A

1. INTRODUCTION

The IMILAB EC4 Wireless Outdoor Camera System provides advanced security surveillance for your home. This system includes a 2.5K QHD battery-powered camera and a smart hub, offering features such as 150° wide-angle view, color night vision, two-way audio, and intelligent human detection. Designed for ease of installation and reliable performance in various weather conditions, the EC4 ensures comprehensive monitoring and peace of mind.

Figure 1: IMILAB EC4 Wireless Outdoor Camera and Smart Hub

Video 1: Introducing the IMILAB EC4 Battery Camera. This video provides an overview of the camera's design and key functionalities.

2. WHAT'S IN THE BOX

Verify that all components are present in your package:

- 1 x IMILAB EC4 Camera
- 1 x Smart Hub
- 1 x Power Adapter
- 1 x Charging Cable
- 1 x Ethernet Cable
- 1 x Installation Pack (screws, wall anchors, 3M tape)
- 1 x Instruction Manual

3. KEY FEATURES

2.5K QHD Live View & Two-Way Audio

The EC4 camera delivers ultra-clear live and recorded footage in 2.5K (2560P) resolution. Equipped with two-way audio, it allows for real-time communication with visitors or to deter unwanted guests. Its advanced color night vision ensures clear visibility even in low-light conditions.

2.5K Live View & Chat

Ultra clear footage with real-time connectivity, day or night.

Figure 2: 2.5K Live View with Person Detection, Two-Way Audio, and Color Night Vision.

NIGHT AND DAY COLOR DISPLAY

Figure 3: Night and Day Color Display comparison.

Agile Wireless Setup & Flexible Placement

The EC4 is designed for easy, cordless installation thanks to its rechargeable battery and Wi-Fi connectivity. The adjustable mounting bracket allows for versatile placement, both indoors and outdoors.

Figure 4: Agile Wireless Setup in 3 Steps.

Optional Solar Power & Extended Battery Life

Optional Solar Power & Extended Battery Life

Extend the camera's battery runtime significantly by connecting it to an optional 3.5W solar panel (sold separately). Just 4 hours of sufficient daily sunlight can provide continuous power. The smart hub further enhances Wi-Fi signal and conserves camera battery life.

Figure 5: Optional Solar Power for extended battery life.

Auto Deterrence & Smart Alerts

The EC4 features motion-triggered siren and flash alerts to automatically deter intruders upon person detection. You can also use the IMILAB Home app for in-person deterrence via two-way audio. These features are built-in without requiring monthly subscriptions.

Auto Deterrence

Automatically deters threats away from your family.

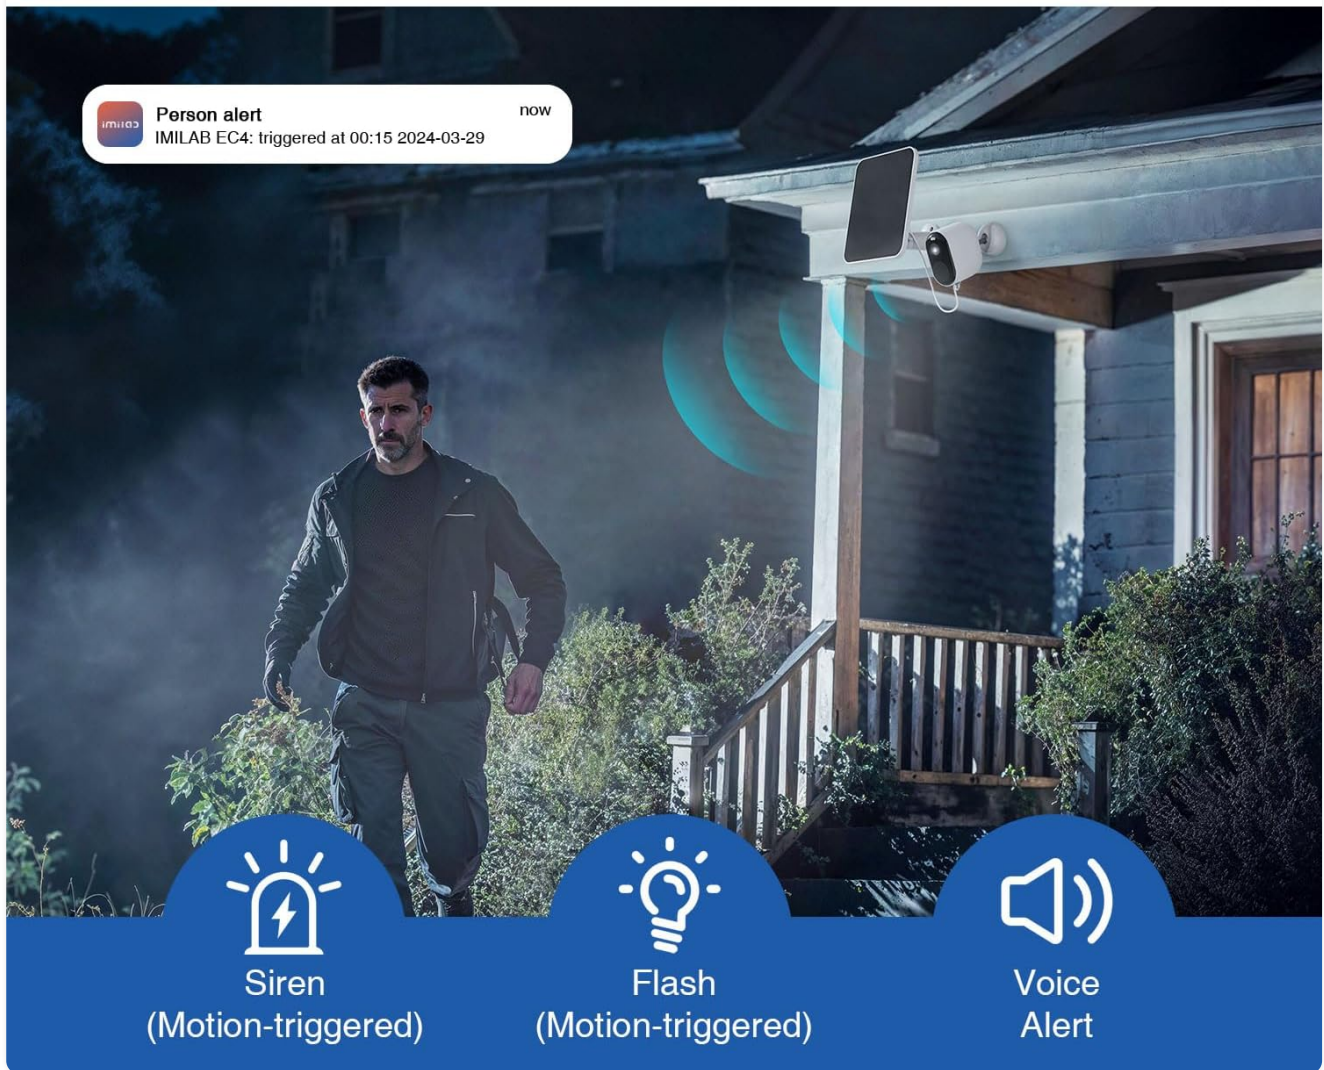

Figure 6: Auto Deterrence with Siren and Flash Alerts.

Your browser does not support the video tag.

Video 2: EC4 Camera Day & Night Real Recording. Demonstrates the camera's recording capabilities in various lighting conditions.

Intelligent Human Detection

The camera's advanced AI can accurately distinguish between humans and other moving objects like pets, reducing false alarms and ensuring you only receive relevant notifications.

SMARTER HUMAN DETECTION

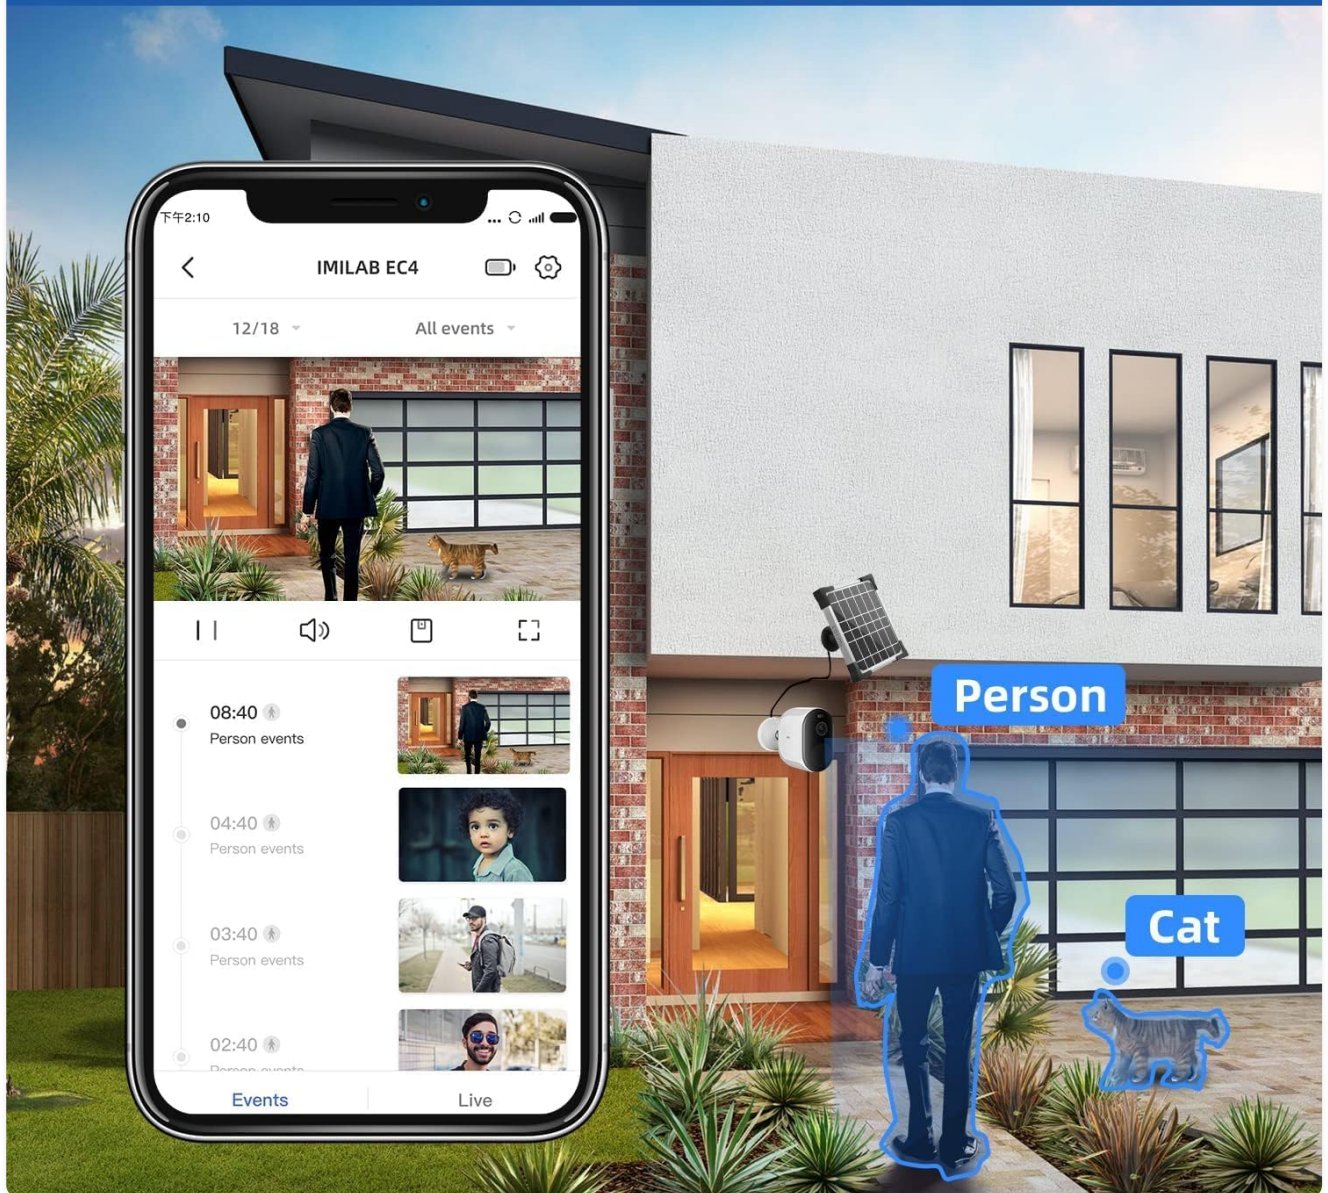

Figure 7: Smarter Human Detection.

Flexible Footage Storage

Record footage locally using a MicroSD card (not included) inserted into the Smart Hub, or opt for subscription-based cloud storage for motion-triggered events. This provides multiple options for securing your video data.

Flexible Footage Storage

Never miss what happened.

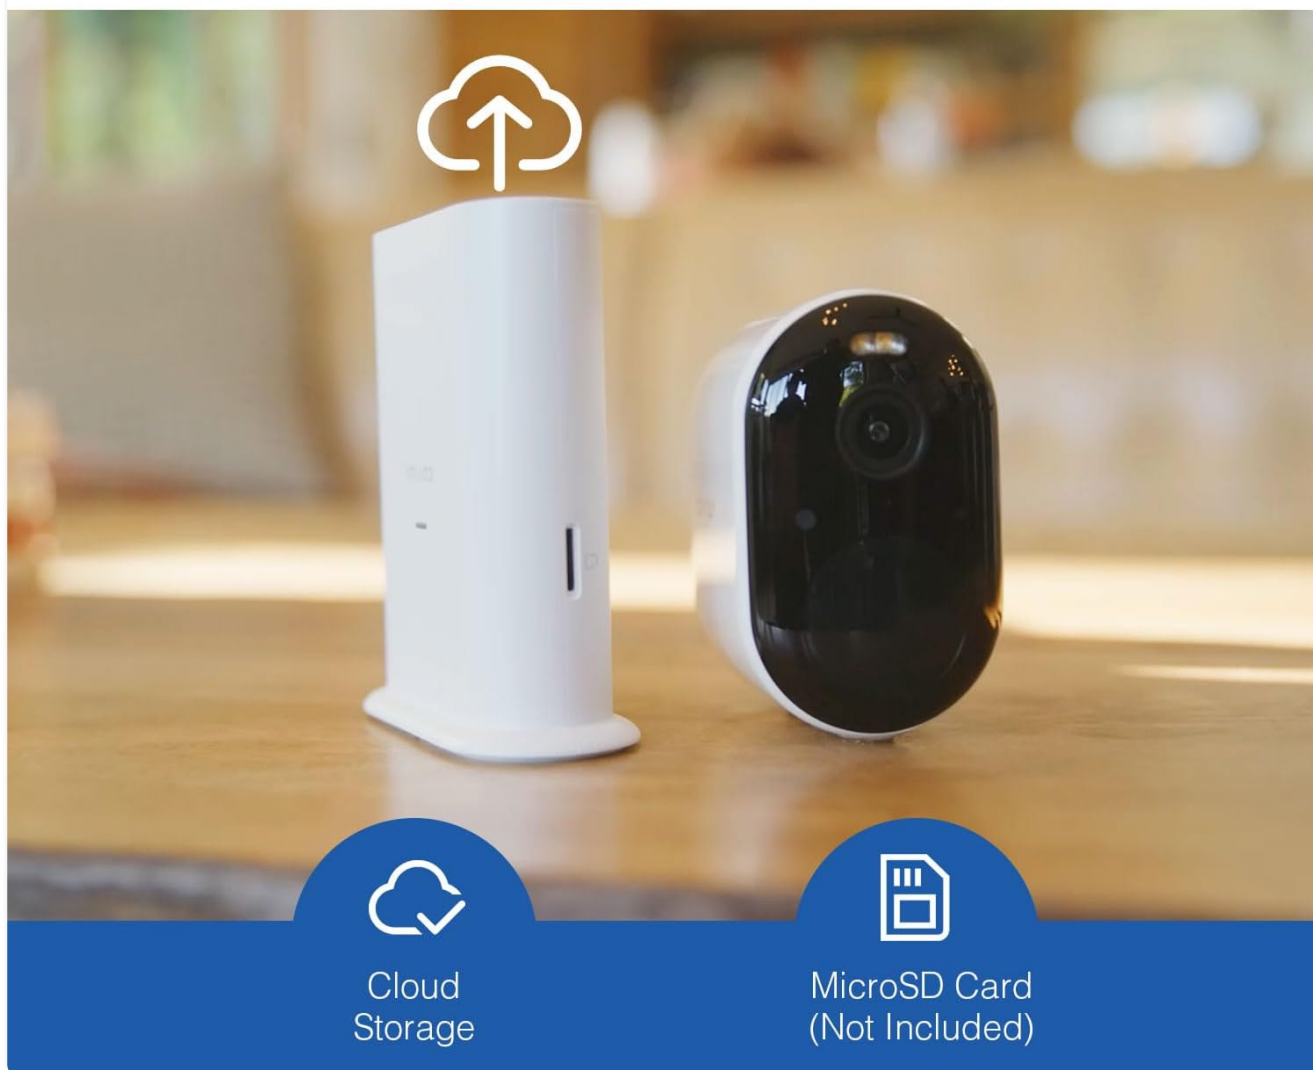

Figure 8: Flexible Footage Storage Options.

IMILAB Home App Integration

Stay in control anywhere with the IMILAB Home app. Receive instant notifications, set up custom motion zones to monitor specific areas, and access live view and recorded footage directly from your smartphone. The system is also compatible with Alexa and Google Home for voice control and integration into your smart home ecosystem.

App Connection

Get real-time notifications and more customizations.

Video 3: EC4 Spotlight Outdoor Camera with Hub. This video highlights the camera's features including the spotlight and hub functionality.

4. SETUP GUIDE

Follow these steps to set up your IMILAB EC4 Wireless Outdoor Camera System:

1. **Download the IMILAB Home App:** Scan the QR code provided in your physical manual or search for "IMILAB Home" on the App Store (iOS) or Google Play Store (Android).
2. **Register/Log In:** Open the app and follow the prompts to create a new account or log in with an existing one.
3. **Power On the Smart Hub:** Connect the Smart Hub to power using the provided power adapter. Connect the Smart Hub to your router using the Ethernet cable. Ensure your phone is connected to the same Wi-Fi network as the hub.
4. **Add Smart Hub to App:** In the IMILAB Home app, tap the "+" icon to add a new device. Select "IMILAB Smart Hub" from the list. Follow the on-screen instructions to bind the hub. The LED indicator on the hub will change from flashing

orange to solid blue once successfully connected.

5. **Charge the Camera:** Before first use, fully charge the EC4 camera using the provided charging cable. A full charge takes approximately 5 hours.
6. **Mount the Camera:** Choose a suitable location for your camera. The mounting bracket can be attached using screws or the strong adhesive tape. Ensure the camera has a clear view of the area you wish to monitor.
7. **Add Camera to App:** In the IMILAB Home app, tap the "+" icon again. Scan the QR code located on the bottom of the EC4 camera. Follow the prompts to connect the camera to the Smart Hub. Press and hold the sync button on the camera for 2 seconds until you see a flashing blue light and hear a power-on sound.
8. **Finalize Setup:** Once the camera is successfully bound, you can customize settings such as motion detection zones, alert preferences, and storage options within the app.

Your browser does not support the video tag.

Video 4: EC4 Battery Camera Setup Guide Video. This video provides a step-by-step visual guide for setting up your camera system.

5. OPERATING INSTRUCTIONS

Utilize the IMILAB Home app to control and monitor your EC4 camera system:

Live View:

Open the IMILAB Home app and select your EC4 camera to view live footage. You can pan, tilt, and zoom digitally within the app to get a better view.

Two-Way Audio:

Tap the microphone icon in the live view interface to speak through the camera. Tap the speaker icon to hear audio from the camera's surroundings.

Motion Detection & Alerts:

Configure motion detection sensitivity and set up specific activity zones within the app. When motion is detected in these zones, you will receive instant push notifications on your smartphone.

Deterrence Features:

Manually activate the built-in siren and spotlight from the app to deter intruders. You can also set these to activate automatically upon detection of a person.

Reviewing Footage:

Access recorded events from the app's timeline. Footage is stored either on the MicroSD card in the hub or in the cloud, depending on your chosen storage method.

6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your EC4 camera system:

- **Battery Charging:** The camera's battery life can last up to 90 days on a single charge under normal usage. If using the

optional solar panel, ensure it receives at least 4 hours of direct sunlight daily for continuous power.

- **Cleaning:** Periodically clean the camera lens and housing with a soft, damp cloth to remove dust and debris. Do not use harsh chemicals or abrasive materials.
- **Weather Resistance:** The EC4 camera is IP66 rated, making it resistant to dust and strong jets of water. While designed for outdoor use, avoid submerging the camera in water.
- **Firmware Updates:** Regularly check for and install firmware updates via the IMILAB Home app to ensure your camera has the latest features and security enhancements.
- **Storage Management:** If using a MicroSD card, periodically review and manage stored footage to prevent the card from becoming full. Back up important recordings to another device or cloud storage.

7. TROUBLESHOOTING

If you encounter issues with your IMILAB EC4 camera system, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cannot connect to Wi-Fi / Setup failure	Incorrect Wi-Fi password; Hub not connected to router; Phone and hub on different networks; Weak Wi-Fi signal.	Double-check Wi-Fi password. Ensure Ethernet cable is securely connected to hub and router. Confirm phone and hub are on the same 2.4GHz Wi-Fi network. Move hub closer to router. Reset hub and try again.
Camera offline	Low battery; Out of range from hub; Hub offline.	Recharge camera battery or ensure solar panel is receiving sufficient sunlight. Move camera closer to the hub. Check hub's power and network connection.
Poor video quality	Weak Wi-Fi signal; Dirty lens; Insufficient lighting.	Improve Wi-Fi signal strength. Clean the camera lens. Ensure adequate lighting for optimal image quality, especially at night.
False motion alerts	High sensitivity; Unwanted motion sources (e.g., pets, swaying branches).	Adjust motion detection sensitivity in the app. Define specific activity zones to exclude irrelevant areas. Utilize human detection feature to filter out non-human motion.
Two-way audio issues	Microphone/speaker blocked; App permissions; Network delay.	Ensure nothing is obstructing the camera's microphone or speaker. Check app permissions for microphone access. Verify stable internet connection.

For further assistance, please contact IMILAB customer support.

8. SPECIFICATIONS

Detailed technical specifications for the IMILAB EC4 Wireless Outdoor Camera System:

Specification	Value
Model Name	CMSXJ31A
Indoor/Outdoor Usage	Outdoor

Specification	Value
Video Capture Resolution	2560P (2.5K QHD)
Maximum Webcam Image Resolution	4 MP
View Angle	150°
Power Source	Battery Powered (Rechargeable)
Connectivity Technology	Wireless (Wi-Fi)
Material	Polycarbonate (PC), Acrylonitrile Butadiene Styrene (ABS)
Mounting Type	Wall Mount (Screw In)
Water Resistance Level	IP66 (Waterproof)
Flash Memory Supported Size Maximum	256 GB (Micro SD)
Special Features	HD Resolution, 2-Way Audio, Night Vision (Color), Built-In Light (Spotlight), Motion Sensor (Human Detection)
Item Dimensions L x W x H	3.22 x 3.42 x 1.96 inches
Item Weight	1.53 pounds

9. WARRANTY AND SUPPORT

IMILAB is committed to providing excellent customer support and product reliability.

- **Warranty:** This product comes with a 24-month warranty from the date of purchase. Please retain your proof of purchase for warranty claims.
- **Replacements & Refunds:** IMILAB offers trouble-free replacements and refunds for eligible issues within the warranty period.
- **Customer Service:** For technical support, troubleshooting, or warranty inquiries, please contact IMILAB customer service:
 - Phone: 866-363-8885
 - Email: help@imilab.com
