1. INTRODUCTION

This user manual provides detailed instructions for the assembly, operation, and maintenance of your Muluflower Floating Bed Frame. Designed for modern living, this King Size bed frame features integrated LED lighting, a convenient charging station, and a storage headboard, all while offering a unique floating aesthetic. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation.

2. IMPORTANT SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Do not exceed the maximum weight recommendation of 500 pounds.
- Be cautious of sharp edges and potential pinch points during assembly and use.
- Follow the provided instructions carefully to prevent instability or collapse.
- Keep the bed frame and electrical components dry and away from heat sources to prevent electrical hazards.
- Always unplug the charging ports when not in use.

3. PRODUCT FEATURES

- **Unique Floating Design:** Hidden support legs create a visually striking suspension effect while ensuring stability.
- **Integrated LED Lighting:** Features one LED light on the headboard and three hidden light strips under the bed frame. Control colors, brightness, mode, and timing via APP or remote control with over 60,000 DIY color options.
- **Convenient Charging Station:** Headboard includes 1 USB and 1 Type-C port for charging smartphones, tablets, and other devices.

- **Storage Headboard:** Two-tier design provides extra space for small items like cell phones, remote controls, and decorative objects.
- **Durable Construction:** Constructed with a metal frame and solid wood slats for enhanced durability and stability. Reinforced metal frame legs.
- **Noise-Free Operation:** Velcro slat design simplifies installation and provides stability. EVA strips eliminate friction noise for a quiet sleep environment.
- **Comfortable Upholstery:** Grey Linen upholstered headboard filled with high-density sponge for comfortable back support.
- **Ample Under-bed Clearance:** 4.7-inch clearance allows for additional storage and easy cleaning by robot vacuum cleaners.

4. SETUP & ASSEMBLY

The Muluflower Floating Bed Frame is designed for straightforward assembly. All necessary accessories are numbered, and detailed instructions are included in the packaging. Please follow these steps carefully:

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Assemble the headboard components according to the numbered steps. Ensure all connections are secure.
3. Attach the side rails and footboard to the headboard, making sure all bolts are tightened appropriately.
4. Install the solid wood slats using the Velcro system. Ensure the Velcro strips align properly for a secure and noise-free fit.
5. Connect the LED light strips to their designated areas on the headboard and under the bed frame. Ensure all electrical connections are firm and correctly oriented.
6. Plug in the power adapter for the LED lights and charging station.
7. Place your mattress on the assembled frame.

Note: While designed for easy assembly, some users have reported challenges with the alignment of certain components, particularly the headboard's top section and the adhesion of LED light strips. If you encounter difficulties, double-check the orientation of parts and ensure all connections are fully engaged. For LED strip adhesion, ensure surfaces are clean and dry before application. If issues persist, refer to the troubleshooting section or contact customer support.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting System

Your Muluflower bed frame features an advanced LED lighting system that can be controlled via a dedicated mobile application or the included remote control.

- **APP Control:** Download the specified mobile application (refer to the separate LED light manual for QR code or app name). Connect your device via Bluetooth. The app allows for precise control over color selection (over 60,000 DIY options), brightness adjustment, various lighting modes (e.g., static, dynamic, music sync), and setting timing functions for automatic on/off.
- **Remote Control:** Use the provided remote control to switch the lights on/off, change colors, adjust brightness, and select pre-set lighting modes. Ensure the remote control has working batteries and is pointed towards the receiver.

5.2 USB & Type-C Charging Station

The integrated charging station provides convenient power access for your electronic devices.

- Locate the USB and Type-C ports on the headboard.

- Connect your device's charging cable to the appropriate port.
- Ensure the bed frame's power adapter is plugged into a functional wall outlet for the charging station to operate.
- Unplug devices and the bed frame's power adapter when not in use to conserve energy and ensure safety.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Muluflower bed frame.

- **Cleaning Upholstery:** For the Grey Linen upholstered headboard, gently vacuum with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Cleaning Frame:** Wipe the metal frame and wooden components with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Under-bed Area:** The 4.7-inch clearance allows for easy cleaning. Utilize a robot vacuum cleaner or a standard vacuum with appropriate attachments to keep the area beneath the bed free of dust and allergens.
- **Check Connections:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent noise.
- **Electrical Components:** Ensure LED light strips and charging ports are free from dust and moisture. Do not attempt to repair electrical components yourself.

7. TROUBLESHOOTING

If you encounter issues with your bed frame, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not working or not adhering properly.	Loose connection, power issue, or adhesive failure. Some users have reported issues with the original adhesive.	<ul style="list-style-type: none"> ◦ Check all power connections to the LED strips and adapter. ◦ Ensure the power adapter is securely plugged into a working outlet. ◦ If adhesive is failing, consider using additional strong adhesive tape or small fasteners (e.g., staples, small nails) to secure the strips, being careful not to damage the wiring. ◦ Verify remote control batteries and line of sight to the receiver.
Headboard components do not align or fit correctly.	Incorrect orientation of parts or incomplete assembly.	<ul style="list-style-type: none"> ◦ Review the assembly instructions carefully, paying close attention to part orientation and numbering. ◦ Disassemble and reassemble the problematic section, ensuring all pieces are correctly aligned before tightening screws. ◦ Do not force parts together; if they don't fit, re-check the instructions.

Problem	Possible Cause	Solution
Bed frame is noisy or wobbly.	Loose bolts, improperly installed slats, or missing EVA strips.	<ul style="list-style-type: none"> ◦ Tighten all bolts on the frame, headboard, and footboard. ◦ Ensure all wooden slats are properly seated and the Velcro is fully engaged. ◦ Verify that the EVA strips are present and correctly positioned on the slats to prevent friction.
Charging ports not working.	Power adapter unplugged, faulty cable, or device incompatibility.	<ul style="list-style-type: none"> ◦ Ensure the bed frame's main power adapter is plugged into a live wall outlet. ◦ Try a different charging cable or device to rule out cable/device issues. ◦ Confirm the device is compatible with USB/Type-C charging.

8. PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	Muluflower
Model Number	B0CW1Z67FF
Size	King
Color	Grey Linen
Product Dimensions (L x W x H)	77.9" x 76.1" x 43.2"
Form Factor	Floating
Material	Metal frame, Solid wood slats, Linen Upholstery
Special Features	LED Lights (APP/Remote Control), USB & Type-C Charging Ports, Storage Headboard, Noise-Free Design
Under-bed Clearance	4.7 Inches
Assembly Required	Yes
Maximum Weight Capacity	500 pounds (as per safety information)

9. CUSTOMER SUPPORT

For any questions, concerns, or assistance with your Muluflower Floating Bed Frame, please do not hesitate to contact our customer service team. Providing you with satisfactory service is our primary goal.

Please refer to your purchase documentation or the product packaging for specific contact details (e.g., email, phone number, website).
