Mould King 17010

Mould King 17010 Technology Dumping Loader Truck User Manual

INTRODUCTION

Thank you for choosing the Mould King 17010 Technology Dumping Loader Truck. This advanced building block set allows you to construct a detailed, remote-controlled articulated dump truck. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure a rewarding experience.

SAFETY INFORMATION

CHOKING HAZARD -- Small parts. Not for children under 3 years.

This product contains small components that could pose a choking hazard. Adult supervision is recommended, especially for younger users. Recommended age for assembly and operation is 14 years and up.

PACKAGE CONTENTS

The Mould King 17010 set includes:

- Approximately 1888+ building block pieces.
- 1 x Remote Control.
- 1 x 2.4G Lithium Battery Box.
- 1 x L-Engine.
- 1 x M-Motor.
- 1 x XL motor.
- 1 x Instruction Manual.
- 1 x AAA battery (for remote control).

PACKING INCLUDED

quantity:X **1888**+Pcs
INSTRUCTIONS:x1

SETUP

1. Assembly

Follow the detailed step-by-step instructions provided in the included instruction manual to assemble the Mould King 17010 Dumping Loader Truck. Ensure all connections are secure for proper functionality.

2. Power System Installation

- Install the L-Engine, M-Motor, and XL motor into their designated positions as per the assembly manual.
- Connect the motors to the 2.4G Lithium Battery Box.
- Insert the provided AAA battery into the remote control.

3. Remote Control and App Pairing

The truck supports both a dedicated 2.4G remote control and a smartphone app for control. Refer to the assembly manual for specific pairing instructions for both methods. Ensure the battery box is powered on before attempting to

pair.

APP REMOTE CONTROL

Bluetooth control + 2.4G remote control

OPERATING INSTRUCTIONS

Once assembled and powered, the Mould King 17010 offers various functions:

- **Driving:** Use the remote control or app to drive the truck forward, backward, turn left, and turn right.
- **Lifting and Lowering:** Control the lifting mechanism to raise and lower the dump bed.
- **Dumping:** Tilt the longitudinal link to dump contents from the bed.
- **Other Features:** The model includes an openable bonnet and rear suspension for realistic play and display.

Can lift and dump sand

Swing the car

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe down the model. Avoid water or harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent material degradation.
- **Battery Care:** Remove batteries from the remote control and battery box if the product will not be used for an extended period.
- **Component Check:** Periodically check for any loose connections or damaged parts. Replace as necessary.

TROUBLESHOOTING

- **Truck not responding:** Ensure batteries in both the remote control and the truck's battery box are correctly installed and charged. Re-attempt pairing if necessary.
- **Motors not functioning:** Check all motor connections to the battery box. Ensure no building blocks are obstructing motor movement.
- **App control issues:** Verify Bluetooth connection on your device and ensure the app is updated to the latest version.
- **Difficulty with assembly:** Refer to the detailed instruction manual. If a step is unclear, review previous steps or seek assistance from Mould King support.
