INTRODUCTION

Thank you for choosing the LITFAD Modern Shoe Storage Cabinet. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new shoe cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use damaged parts.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging the wood.
- For stability, place the cabinet on a flat, level surface.
- Secure the cabinet to a wall using the provided anti-tip kit to prevent accidental tipping, especially in households with children or pets.
- Keep small parts away from children during assembly.

PARTS LIST

Please verify that all components are included in your package. Refer to the assembly diagram for visual identification of parts and hardware.

- Cabinet Panels (various sizes)
- Adjustable Shelves

- Doors with Hinges

Note: The exact quantity of each part is detailed in the included paper instruction manual.

SETUP AND ASSEMBLY

The LITFAD Shoe Storage Cabinet features an integrated structure design for straightforward assembly. Corresponding installation tools and instructions are provided to assist you.

Assembly Steps:

1. **Prepare Components:** Lay out all panels and hardware on a clean, soft surface. Identify each part using the provided diagrams.
2. **Install Connectors:** Insert quick-fit connectors and dowels into the designated holes on the panels. Ensure quick-fits are tightened until the shoulder is flush with the panel. Do not overtighten.
3. **Assemble Frame:** Connect the main panels according to the step-by-step diagrams in your paper manual. Secure with cam locks and screws.
4. **Attach Back Panel:** Fasten the back panel to the assembled frame using the provided screws.
5. **Install Doors:** Attach hinges to the doors and then to the cabinet frame. Ensure doors align properly and open/close smoothly.
6. **Attach Handles:** Secure the door handles to the front of the doors.
7. **Insert Shelves:** Place the adjustable shelves into the desired positions.
8. **Secure to Wall:** Use the anti-tip kit to firmly attach the cabinet to a wall. This is a crucial safety step.
