COLAMY 2199

COLAMY Executive Office Chair User Manual

Model: 2199

INTRODUCTION

Thank you for choosing the COLAMY Executive Office Chair. This manual provides essential information for the proper assembly, operation, maintenance, and troubleshooting of your new chair. Please read it thoroughly before use to ensure optimal performance and longevity.

SAFETY INFORMATION

Please observe the following safety guidelines:

- The maximum weight capacity for this chair is **300 pounds**. Do not exceed this limit.
- Assembly is required. Follow all assembly instructions carefully to ensure the chair is stable and safe for use.
- Familiarize yourself with the proper usage of the adjustable lumbar support and tilt tension control mechanisms to prevent injury.
- Keep small parts away from children during assembly.
- Regularly inspect all bolts and screws to ensure they are tightened. Retighten as necessary.

SETUP AND ASSEMBLY

This chair requires assembly. While detailed step-by-step instructions are typically included in the product packaging, here are general guidelines:

1. Unpack all components and verify against the parts list provided in the box.
2. Attach the casters to the chair base.
3. Insert the gas lift cylinder into the center of the base.
4. Attach the seat plate mechanism to the underside of the seat cushion.
5. Connect the backrest to the seat assembly, often involving the armrests as structural components.
6. Place the assembled seat and backrest onto the gas lift cylinder.
7. Ensure all screws are securely tightened before use.

DIMENSIONS

Image: Detailed dimensions of the chair, including height, width, seat depth, and backrest height, indicating a maximum weight capacity of 300 lbs.

OPERATING AND FEATURES

The COLAMY Executive Office Chair is designed with several features to enhance your comfort and productivity:

Premium Bonded Leather

The chair is upholstered in high-quality bonded leather, known for its resistance to scratches, stains, peeling, and cracking, ensuring durability and an elegant appearance.

Image: An infographic detailing the properties of bonded leather, including wear-resistance, breathability, high rebound, spring for comfort, high density, and natural wood components.

First-Class Seating Experience

Experience superior comfort with high-density molded foam and 25 built-in spring pockets, providing elasticity similar to a sofa or mattress. The waterfall front seat edge reduces pressure on the lower legs and improves circulation.

MUTIFUNCTIONAL CHAIR

Thick Padded Headrest

Rocking Back and Forth

**Double Padded
Seat Cushion**

Flip-up Armrests

**Height Adjustor and
Tilt Tension Knob**

**Solid and
Smooth-Rolling Casters**

Adjustable Lumbar Support and High Back Design

The ergonomic high back design provides ideal neck and back support. The adjustable lumbar feature offers customizable waist support, crucial for long working hours.

Sitting Comfort Like a Sofa

Thick cushion for Extra Comfor

Padded Flip-Up Armrests

The padded armrests provide comfort and support for your arms and shoulders. Their 90° rotation flip-up design allows the chair to fit under most desks, saving space when not in use.

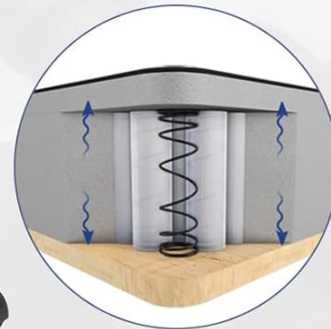

FUNCTIONS

Perfect Neck & Lumbar Support

Flip-up Armrests

**Double Padded Seat
with Built-in Linner Spring**

Image: The chair with its armrests flipped up, illustrating the space-saving design.

Synchro Tilt & Tension Control

Simple pneumatic controls allow you to raise or lower your seat and rock back in your chair. Pull the handle (right side of the chair) to tilt back, and push it in to stop tilting. The tilt tension knob underneath controls the tension of reclining, allowing for personalized adjustment.

Seat Height Adjustment

Adjust the seat height to your preferred level using the lever located under the seat. Pull the lever upwards to increase or decrease the seat height as desired.

Smooth Rolling Heavy-Duty Nylon Casters and 360-Degree Swivel Base

The chair is equipped with solid and smooth-rolling nylon casters for easy movement across hard floors. The 360-degree swivel base allows for free rotation, enhancing mobility in your workspace.

Video: This video demonstrates key features of the COLAMY Executive Office Chair, including the integrated padded headrest, high-end padded water-fall seat, thick padding flip-up armrests for space-saving, smooth rolling heavy-duty nylon casters, seat height adjustment, ergonomically curved cushioned armrest, synchro tilt mechanism, tilt tension control, high back design for neck and shoulder support, rocking back and forth functionality, chair locking position, and 360-degree swivel base.

MAINTENANCE

Proper maintenance will extend the life of your COLAMY office chair:

- **Cleaning Bonded Leather:** Wipe regularly with a soft, damp cloth. For deeper cleaning, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Caster Care:** Periodically clean hair and debris from the casters to ensure smooth rolling.
- **Hardware Check:** Every 3-6 months, check all screws and bolts to ensure they are tight. Retighten as needed to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the bonded leather to fade or crack.

TROUBLESHOOTING

If you encounter issues with your chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair does not adjust height.	Gas lift cylinder malfunction or lever not engaged.	Ensure the height adjustment lever is fully pulled up. If still not working, the gas lift may need replacement.
Chair wobbles or feels unstable.	Loose screws or improper assembly.	Check and tighten all assembly screws, especially those connecting the backrest and seat to the base.
Chair does not tilt or recline.	Tilt lock engaged or tension too tight.	Pull the tilt lever out to unlock the tilt mechanism. Rotate the tilt tension knob counter-clockwise to loosen the tension.
Casters do not roll smoothly.	Debris caught in casters or damaged casters.	Remove any hair or debris from the caster wheels. If damaged, consider replacing the casters.

SPECIFICATIONS

Feature	Detail
Brand	COLAMY
Model Name	2199 Brown
Color	Brown
Product Dimensions	48"D x 27.56"W x 27.96"H
Size	3ft 1in x 2ft 3.5in x 4ft 4in
