QCY GS2-BLACK

QCY Smart Sports Watch GS2 User Manual

Model: GS2-BLACK | Brand: QCY

Introduction

Welcome to the user manual for your new QCY Smart Sports Watch GS2. This guide provides comprehensive instructions on setting up, operating, maintaining, and troubleshooting your device. The QCY Watch GS2 is designed to be a versatile companion for your daily life and fitness activities, featuring a large AMOLED display, extensive health monitoring capabilities, and a wide range of sports modes.
For optimal performance and longevity of your device, please read this manual thoroughly before use.

1. Getting Started: Setup

1.1 Unboxing and Initial Charge

Upon unboxing your QCY Watch GS2, ensure all components are present: the smartwatch, charging cable, and this user manual. Before first use, fully charge the device. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a compatible power adapter (not included) or a computer USB port.
Note: A full charge typically takes approximately 2 hours.

1.2 Pairing with Your Smartphone

1. **Download the QCY APP:** Search for "QCY APP" on the App Store (iOS) or Google Play Store (Android) and install it on your smartphone.
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Open QCY APP:** Launch the QCY APP and follow the on-screen instructions to create an account or log in.
4. **Add Device:** In the app, navigate to the device management section and select "Add Device" or a similar option. The app will scan for nearby QCY devices.
5. **Select QCY Watch GS2:** Choose "QCY Watch GS2" from the list of discovered devices. Confirm the pairing request on both your watch and smartphone.
6. **Complete Setup:** Once paired, the app will guide you through initial settings such as personal information, notification preferences, and watch face selection.

Compatibility: The QCY Watch GS2 is compatible with Android 8.0 and above, and iOS 13.0 and above.

2. Operating Your QCY Watch GS2

2.1 Display and Navigation

The QCY Watch GS2 features a vibrant 1.96-inch AMOLED curved display with a resolution of 410 x 502 pixels, a 60Hz refresh rate, and 332 PPI, offering clear visuals and smooth interactions.

Image: The QCY Watch GS2 display showing its 1.96-inch AMOLED screen, 79% screen-to-body ratio, 60Hz refresh rate, 332 PPI, and 410x502 pixel resolution.

- **Touchscreen:** Swipe up, down, left, or right to navigate through menus and notifications. Tap to select items.
- **Side Button/Crown:** Press the side button to return to the home screen or access the app list. Rotate the crown (if applicable) to scroll through lists.

2.2 Customizing Watch Faces

Personalize your watch with over 100 available watch faces. You can change watch faces directly on the device or through the QCY APP.

Image: A collage of different watch faces available for the QCY Watch GS2, demonstrating customization options.

- **On Watch:** From the home screen, long-press the display to enter watch face selection mode. Swipe left or right to browse and tap to select.
- **Via QCY APP:** Open the QCY APP, go to "Watch Faces" or "Dial Market" to explore and download more options.

2.3 Health Monitoring

The QCY Watch GS2 is equipped with advanced sensors to monitor various health metrics, providing insights into your well-being.

Image: Visual representation of the QCY Watch GS2's health monitoring capabilities, including BPM (heart rate), SpO2 (blood oxygen), sleep tracking, stress monitoring, and female health tracking.

- **Heart Rate Monitoring (BPM):** Continuously tracks your heart rate. Set alerts for irregular readings in the app.
- **Blood Oxygen (SpO2) Monitoring:** Measures your blood oxygen saturation levels.
- **Sleep Tracking:** Automatically monitors your sleep cycles (deep sleep, light sleep, REM) and provides a detailed analysis in the QCY APP.
- **Stress Monitoring:** Assesses your stress levels throughout the day.
- **Female Health Monitoring:** Provides tracking and predictions for menstrual cycles.

Note: Health data provided by the watch is for reference only and should not be used for medical diagnosis or treatment.

2.4 Sports and Activity Tracking

With over 100 sports modes, the GS2 accurately tracks your workouts, from running and cycling to swimming and yoga.

Image: Icons representing various workout modes available on the QCY Watch GS2, such as running, cycling, swimming, and more.

- **Starting a Workout:** Swipe to the "Workout" or "Sports" menu on your watch, select your desired activity, and tap to start.
- **GPS Tracking:** The built-in GPS tracks your outdoor activities (running, cycling) for accurate distance and pace data.
- **Workout Data:** View real-time metrics during your workout and detailed summaries in the QCY APP after completion.

2.5 Smart Bluetooth Call and Notifications

Stay connected with Bluetooth calling and receive notifications directly on your wrist.

Image: A person wearing the QCY Watch GS2, demonstrating the ability to answer a Bluetooth call directly from the wrist.

- **Making/Answering Calls:** Once paired, you can make and answer calls directly from your watch. Ensure the Bluetooth connection is stable.
- **Notifications:** Receive alerts for incoming calls, messages, and app notifications. Manage notification settings in the QCY APP.

2.6 Battery Management

The QCY Watch GS2 is designed for extended battery life, offering over 10 days in basic mode and 4 days in daily mode with all features active.

- **Charging:** Use the provided magnetic charging cable.
- **Battery Saving Tips:** Reduce screen brightness, disable always-on display, limit continuous heart rate monitoring, and turn off unnecessary notifications to extend battery life.

3. Maintenance and Care

- **Cleaning:** Regularly clean your watch and strap with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The watch has an IPX7 waterproof level. This means it can withstand splashes and brief immersion in water (up to 1 meter for 30 minutes). It is not recommended for showering, diving, or high-pressure water activities.
- **Storage:** Store the watch in a cool, dry place when not in use.
- **Avoid Extreme Temperatures:** Do not expose the watch to extreme hot or cold temperatures, as this can damage the

battery and internal components.

4. Troubleshooting

Problem	Possible Solution
Watch not turning on	Ensure the watch is fully charged. Connect to the charger and wait a few minutes before attempting to power on.
Unable to pair with smartphone	1. Ensure Bluetooth is enabled on your phone and the watch is discoverable. 2. Make sure the QCY APP is installed and updated. 3. Restart both the watch and your smartphone. 4. Forget the device in your phone's Bluetooth settings and try pairing again.
Inaccurate health data	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch. Update the QCY APP and watch firmware.
Notifications not appearing	1. Check notification settings in the QCY APP. 2. Ensure the watch is connected via Bluetooth. 3. Verify that your phone's notification permissions are granted to the QCY APP.
Short battery life	Refer to the "Battery Management" section for tips on extending battery life. Reduce screen brightness, disable always-on display, and limit continuous monitoring features.

5. Specifications

Feature	Detail
Product Name	QCY Watch GS2
