SHARP EM-JG101N-G

SHARP Juicer Mixer Grinder EM-JG101N-G Instruction Manual

Model: EM-JG101N-G

1. PRODUCT OVERVIEW

The SHARP EM-JG101N-G is a powerful 1000W Juicer Mixer Grinder designed for efficient food preparation. It features a robust copper motor, multiple speed settings with a pulse function, and four versatile jars to handle various tasks from grinding spices to blending juices.

Image 1.1: Overview of the SHARP Juicer Mixer Grinder highlighting key features.

Key Features:

- **1000W Copper Motor:** Provides powerful and consistent performance for various grinding and blending needs.

- **4 Versatile Jars:** Includes specific jars for wet grinding, dry grinding, chutney, and blending.
- **3 Speed + Pulse Control:** Offers precise control over processing for desired textures.
- **SS 304 Grade Stainless Steel Blades:** Durable and efficient blades for effective processing.
- **Auto Cut-off Protection:** Enhances safety by automatically shutting off the appliance during overload or overheating.
- **Leakproof Lid:** Ensures mess-free operation and secure sealing during use.

2. IMPORTANT SAFETY INSTRUCTIONS

To ensure safe operation and prevent damage to the appliance or injury to yourself, please read and follow these safety instructions carefully.

- Always ensure the appliance is unplugged from the power outlet before assembly, disassembly, or cleaning.
- Do not immerse the motor unit in water or any other liquid. Clean with a damp cloth only.
- Keep hands and utensils out of the jar while operating to prevent injury and damage to the blades.
- Ensure the jar is securely locked onto the motor unit before switching on the appliance.
- Do not operate the appliance if the power cord or plug is damaged, or if the appliance malfunctions or is dropped. Contact customer support for assistance.
- The appliance is equipped with an **Auto Cut-off Protection** feature. If the motor overheats or is overloaded, it will automatically shut down. Allow the appliance to cool down for at least 15-20 minutes before restarting. Reduce the load if overloading was the cause.
- Place the appliance on a stable, flat, and dry surface during operation. The **Anti-Skid Feet** are designed to provide better grip and stability.
- This appliance is for household use only. Do not use it outdoors or for commercial purposes.

3. COMPONENTS

Your SHARP Juicer Mixer Grinder comes with the following components:

- **Motor Unit:** The main power unit with a 1000W copper motor and speed control knob.
- **1.5L Wet Grinding Jar:** Suitable for preparing batters, shakes, and smoothies.
- **1.0L Dry Grinding Jar:** Ideal for grinding dry spices, nuts, and grains.
- **0.4L Chutney Jar:** Designed for small quantities, perfect for chutneys and pastes.
- **1.5L Blender Jar:** Specifically for blending juices and shakes with an easy-pour spout.
- **Lids:** Leakproof lids for each jar to prevent spills during operation.
- **SS 304 Grade Stainless Steel Blades:** High-quality blades for efficient grinding and blending.

4. SETUP AND ASSEMBLY

1. **Unpack:** Carefully remove all components from the packaging. Retain the packaging for future storage or transport.
2. **Clean:** Before first use, wash all jars, lids, and blades with warm soapy water. Rinse thoroughly and dry. Wipe the motor unit with a damp cloth.
3. **Placement:** Place the motor unit on a clean, dry, stable, and flat surface. Ensure there is adequate ventilation around the appliance. The anti-skid feet will help secure the unit.
4. **Assemble Jar:** Place the desired ingredients into the appropriate jar. Do not overfill. Ensure the blades are properly seated at the bottom of the jar.
5. **Secure Lid:** Place the lid firmly on the jar and ensure it is properly locked. The leakproof design requires a secure fit.
6. **Attach Jar to Motor Unit:** Place the assembled jar onto the motor unit. Turn the jar clockwise until it locks securely into place. You should hear a click or feel it firmly seated.
7. **Connect Power:** Plug the power cord into a suitable electrical outlet.

5. OPERATING INSTRUCTIONS

Follow these steps to operate your Juicer Mixer Grinder:

1. **Prepare Ingredients:** Cut ingredients into small pieces if necessary to facilitate grinding or blending. Place them into the appropriate jar, ensuring not to exceed the maximum fill line.
2. **Secure Jar:** Attach the lid firmly and lock the jar onto the motor unit as described in the Setup section.
3. **Select Speed:** Turn the speed control knob to the desired setting:
 - **Low:** For light blending or initial processing.
 - **Medium:** For general grinding and blending tasks.
 - **High:** For heavy-duty grinding and quick blending.
 - **Pulse:** For short bursts of power, ideal for chopping or quick mixing without continuous operation. Turn the knob to 'Pulse' and release.
4. **Start Operation:** Switch on the appliance. Begin with a lower speed and gradually increase if needed. For pulse function, hold the knob at 'Pulse' for short intervals.
5. **Monitor:** Observe the consistency of the ingredients. If the appliance stops due to overload, refer to the troubleshooting section.
6. **Stop Operation:** Once the desired consistency is achieved, turn the speed control knob to the 'OFF' position. Unplug the appliance from the power outlet.
7. **Remove Jar:** Unlock the jar by turning it counter-clockwise and carefully lift it off the motor unit. Open the lid and pour out the contents.

6. MAINTENANCE AND CLEANING

Regular cleaning and maintenance will ensure the longevity and optimal performance of your appliance.

1. **Unplug:** Always ensure the appliance is unplugged from the power supply before cleaning.
2. **Clean Jars and Lids:** Wash the jars, lids, and blades immediately after use with warm soapy water. Use a brush to clean the blades carefully. Rinse thoroughly and dry completely before storing. The leakproof lids are designed for easy cleaning.
3. **Clean Motor Unit:** Wipe the motor unit with a soft, damp cloth. Do not use abrasive cleaners or

immerse the motor unit in water.

4. **Storage:** Store the appliance and its accessories in a clean, dry place, away from direct sunlight and moisture.

7. TROUBLESHOOTING

If you encounter any issues with your SHARP Juicer Mixer Grinder, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Appliance does not start	Not plugged in; Jar not properly locked; Power outage.	Ensure power cord is securely plugged in. Lock the jar onto the motor unit correctly. Check power supply.
Motor stops during operation (Auto Cut-off activated)	Overload; Overheating.	Switch off the appliance, unplug, and allow it to cool for 15-20 minutes. Reduce the quantity of ingredients if overloaded.
Ineffective grinding/blending	Insufficient liquid; Too many ingredients; Blades not properly fitted; Dull blades.	Add more liquid (for wet grinding/blending). Reduce ingredient quantity. Ensure blades are correctly assembled. Contact service if blades are dull.
Leakage from jar	Lid not properly secured; Gasket/seal damaged or missing; Jar overfilled.	Ensure the lid is firmly closed and locked. Check if the gasket is correctly placed and undamaged. Do not overfill the jar.

Problem	Possible Cause	Solution
Excessive noise or vibration	Jar not properly seated; Uneven load; Appliance on unstable surface.	Ensure the jar is securely locked. Distribute ingredients evenly. Place the appliance on a flat, stable surface.

If the problem persists after trying these solutions, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	SHARP
Model Number	EM-JG101N-G
Wattage	1000 Watts
Voltage	230V
Number of Speeds	3 + Pulse
Capacity (Wet Grinding Jar)	1.5 Liters
Capacity (Dry Grinding Jar)	1.0 Liters
Capacity (Chutney Jar)	0.4 Liters
Capacity (Blender Jar)	1.5 Liters
Motor Type	Copper Motor
Body Material	Acrylonitrile Butadiene Styrene (ABS)
Blade Material	SS 304 Grade Stainless Steel
Container Material	Plastic (Blender Jar), Stainless Steel (Other Jars)
Product Dimensions (D x W x H)	16.5D x 23W x 23.8H Centimeters
Item Weight	5.94 Kilograms

9. WARRANTY INFORMATION

The SHARP Juicer Mixer Grinder Model EM-JG101N-G comes with a **2 Year Limited Warranty** from the date of purchase. This warranty covers manufacturing defects under normal household use.

The warranty does not cover damage resulting from misuse, neglect, unauthorized repairs, commercial use, or normal wear and tear. Please retain your purchase receipt as proof of purchase for warranty claims.
