2. SAFETY INFORMATION

WARNING: To prevent tipping, this product must be used with the included wall attachment device. Always ensure the bed is securely anchored to a solid wall.

- This bunk bed is suitable for children aged 6 years and over.
- Ensure all assembly hardware is tightened securely before use. Periodically check and re-tighten as necessary.
- Do not allow children to play on or under the bed without supervision.
- The top bunk is not suitable for children under 6 years of age due to the risk of falls.
- Always use the provided safety rails on the top bunk to prevent accidental falls during sleep.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or ropes.
- The maximum recommended weight for this bunk bed is 100 kg. Do not exceed this limit.

3. PACKAGE CONTENTS

Your vidaXL Bunk Bed with Desk package includes all necessary components for assembly, along with a detailed assembly instruction manual. Please verify all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support immediately. The package typically contains:

- Wooden frame components (Solid Pine)
- Plywood bed slats
- Integrated desk components
- Ladder components
- Hardware pack (screws, bolts, wall attachment device)
- Assembly instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the vidaXL Bunk Bed with Desk requires careful attention to detail. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. It is recommended to have two adults for assembly.

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware. Ensure you have the necessary tools (e.g., screwdriver, hammer, Allen key - usually included).
2. **Frame Assembly:** Begin by assembling the main bed frame components as per the manual's diagrams.
3. **Desk Integration:** Attach the desk components to the frame.
4. **Slat Installation:** Secure the plywood bed slats to the bed frame.
5. **Ladder Attachment:** Install the ladder securely.
6. **Wall Attachment:** This is a critical safety step. Using the provided wall attachment device, securely anchor the bunk bed to a solid wall. Failure to do so can result in serious injury.
7. **Final Check:** Once assembled, double-check all screws and bolts to ensure they are tightly fastened.

5. OPERATING INSTRUCTIONS

The vidaXL Bunk Bed with Desk is designed for dual functionality, providing a comfortable sleeping space and a practical workstation.

- **Sleeping Area:** Place a mattress of the specified size (90 x 200 cm) on the bed slats. Ensure the mattress fits snugly within the frame.
- **Desk Area:** The integrated desk provides a stable surface for studying, reading, or using a laptop. Keep the desk clear of excessive clutter to maintain a safe and productive environment.
- **Ladder Use:** Always use the ladder to access the top bunk. Ensure the ladder is stable before climbing. Do not jump on or off the bed.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your bunk bed.

- **Cleaning:** Wipe the bed frame and desk surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Environmental Care:** Keep the bed away from excessive moisture, direct heat sources, and extreme cold to prevent warping or damage to the solid pine wood.
- **Hardware Check:** Periodically check all screws, bolts, and connections. Re-tighten any loose hardware to maintain stability and safety.
- **Slats Inspection:** Inspect bed slats regularly for any signs of damage or wear. Replace damaged slats immediately to ensure proper mattress support.

7. TROUBLESHOOTING

If you encounter any issues with your bunk bed, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose hardware. Re-tighten all screws and bolts. Ensure the bed is level on the floor.
- **Instability/Wobbling:** This is a serious safety concern. Immediately stop using the bed. Check that all connections are secure and that the wall attachment device is properly installed and tightened.
- **Damaged Parts:** If any part of the bed is damaged, do not attempt to repair it with unsuitable

materials. Contact vidaXL customer support for replacement parts.
