## Allied Brass AR-24E

# Allied Brass AR-24E Argo Euro Style Toilet Paper Holder Instruction Manual

Model: AR-24E

## INTRODUCTION

---

This manual provides detailed instructions for the installation, operation, and maintenance of your Allied Brass AR-24E Argo Euro Style Toilet Paper Holder. Please read these instructions carefully before beginning installation to ensure proper function and longevity of the product. This toilet paper holder is constructed from solid brass and features a Euro style hook for easy roll changes.

## SAFETY INFORMATION

---

- Always wear appropriate safety gear, such as safety glasses, during installation.
- Ensure that mounting surfaces are structurally sound and capable of supporting the product.
- Keep small parts and hardware out of reach of children.
- Do not overtighten screws, as this may damage the product or mounting surface.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning installation:

- Toilet Paper Holder Assembly (1)
- Mounting Hardware (screws, anchors) (1 set)
- Installation Instructions (this manual) (1)

## TOOLS REQUIRED

---

The following tools are typically required for installation:

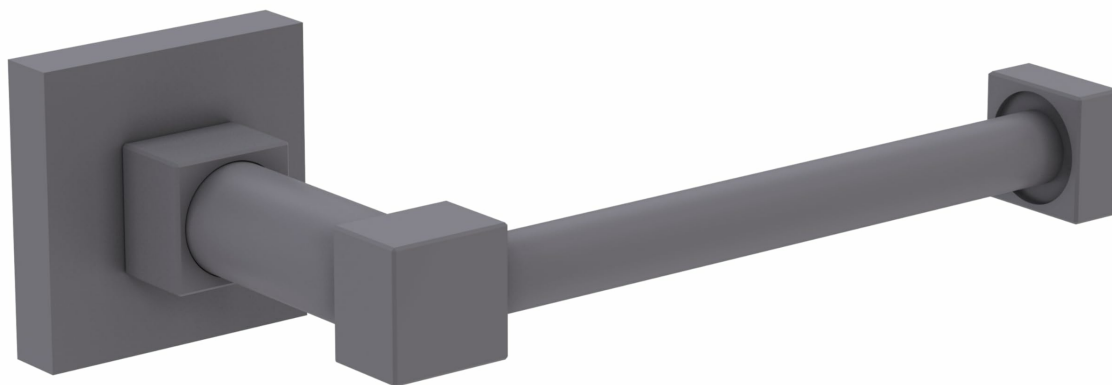

- Phillips Head Screwdriver
- Drill
- Drill Bit (appropriate size for anchors)
- Pencil
- Measuring Tape
- Level

## SETUP AND INSTALLATION

---

Follow these steps to properly install your toilet paper holder:

1. **Choose Location:** Select a suitable mounting location on your wall. Ensure it is at a convenient height and clear of any electrical wires or plumbing.
2. **Mark Mounting Points:** Hold the mounting plate (or the product itself if the mounting plate is integrated) against the wall at the desired location. Use a pencil to mark the positions for the screw holes. Use a level to ensure the marks are aligned horizontally.
3. **Drill Pilot Holes:** Using a drill and the appropriate drill bit size for the provided wall anchors, drill pilot holes at the marked locations. If drilling into a wall stud, anchors may not be necessary.
4. **Insert Wall Anchors (if needed):** Gently tap the plastic wall anchors into the pilot holes until they are flush with the wall surface.
5. **Attach Mounting Plate:** Position the mounting plate over the drilled holes (or anchors). Insert the mounting screws through the plate and tighten them securely with a Phillips head screwdriver. Do not overtighten.
6. **Secure Toilet Paper Holder:** Align the toilet paper holder assembly with the attached mounting plate. Secure the holder to the mounting plate using the small set screw, typically located on the underside of the holder. Tighten the set screw with the provided Allen wrench (if applicable) or a small screwdriver until the holder is firm.

**Image 1:** The Allied Brass AR-24E Argo Euro Style Toilet Paper Holder in Matte Gray, shown installed on a wall. This image illustrates the product's design and how it appears after successful mounting.

## OPERATING INSTRUCTIONS

---

The Euro style hook design simplifies the process of changing toilet paper rolls.

1. **Removing an Empty Roll:** Simply slide the empty toilet paper roll off the open end of the Euro style hook.
2. **Installing a New Roll:** Slide a new standard-sized toilet paper roll onto the open end of the Euro style hook until it rests securely against the wall-mounted base.

## MAINTENANCE

---

To maintain the finish and appearance of your Allied Brass toilet paper holder, follow these guidelines:

- **Cleaning:** Clean regularly with a soft, damp cloth. For stubborn spots, use a mild soap solution and immediately dry with a clean, soft cloth.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, scouring pads, ammonia-based cleaners, or any cleaning agents containing bleach or harsh chemicals, as these can damage the finish.
- **Periodic Check:** Periodically check the mounting screws to ensure they remain tight. Retighten if

necessary, but do not overtighten.

## TROUBLESHOOTING

- **Holder feels loose:** Check the set screw on the underside of the holder and the mounting screws on the wall plate. Tighten them as needed. Ensure wall anchors are properly seated if used.
- **Toilet paper roll does not fit:** Ensure you are using a standard-sized toilet paper roll. Some oversized or jumbo rolls may not fit all Euro style holders.
