## 1. INTRODUCTION

Thank you for purchasing the ALEEIK L-Shaped Computer Desk. This manual provides detailed instructions for the safe assembly, proper use, and maintenance of your new desk. Please read this manual thoroughly before beginning assembly and retain it for future reference.

This L-shaped desk is designed to maximize space efficiency, fitting snugly into corners. It features a spacious desktop and integrated 4-tier shelving for storage, suitable for various uses including a computer desk, study desk, gaming desk, or office workstation.

## 2. SAFETY INFORMATION

- Read all instructions carefully before assembly.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the desk or shelves. Refer to the specifications for weight limits.
- Avoid placing hot items directly on the desktop without protection.
- Use caution when moving the assembled desk to prevent damage or injury.
- This desk is intended for indoor use only.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop panels (tempered glass, wood board)
- Steel frame components
- 4-tier shelf components
- Assembly hardware (screws, bolts, nuts, etc.)
- Assembly tools (e.g., Allen wrench)
- Non-slip leg pads

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly typically takes approximately 30 minutes. It is recommended to have two people for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Begin by connecting the main steel frame components according to the included diagram. Ensure all connections are finger-tightened initially.
3. **Attach Desktop:** Secure the tempered glass and wood board desktop panels to the assembled frame. Use the provided screws and tools.
4. **Install Shelves:** Attach the 4-tier shelf components to the designated side of the desk frame. Ensure shelves are level and secure.
5. **Tighten All Fasteners:** Once all components are in place, systematically tighten all screws and bolts using the provided tools. Do not overtighten.
6. **Attach Leg Pads:** Apply the non-slip leg pads to the bottom of the desk legs to protect your floor and ensure stability.
7. **Final Check:** Gently shake the desk to ensure it is stable and all connections are secure.

## 5. OPERATION AND USAGE

The ALEEIK L-Shaped Computer Desk is designed for versatile use in various settings.

- **Placement:** Position the desk in a corner to maximize space utilization.
- **Desktop Use:** The spacious desktop can accommodate computers, monitors, keyboards, and other office essentials.
- **Storage Shelves:** Utilize the 4-tier shelves for books, office supplies, decorative items, or to house a PC tower. The high and low layer design allows for flexible storage.
- **Multi-functional:** Suitable for use as a computer desk, study desk, gaming desk, writing table, or general office desk.

## 6. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your ALEEIK L-Shaped Computer Desk.

- **Cleaning:** The desktop is waterproof and anti-scratch. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Promptly wipe up any spills to prevent staining or damage, especially on the wood components.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or material degradation.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves to prevent stress on the frame.

## High Stability

Strong, durable and Easy to Clean.

## 7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common problems and solutions:

| Problem                             | Possible Cause                                                  | Solution                                                                                                        |
|-------------------------------------|-----------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|
| Desk is wobbly or unstable.         | Loose fasteners; uneven floor.                                  | Ensure all screws and bolts are securely tightened. Adjust non-slip leg pads to compensate for uneven flooring. |
| Parts do not align during assembly. | Incorrect orientation of parts; overtightened screws too early. | Review the assembly diagram. Loosen all fasteners, realign parts, then re-tighten.                              |
| Scratches on desktop.               | Sharp objects; abrasive cleaning.                               | Use protective mats for sharp objects. Clean with a soft cloth and non-abrasive cleaners.                       |

If the issue persists, please contact ALEEIK customer support for further assistance.
