ASIILOVI LK08

ASIILOVI LK08 Open Ear Headphones

USER MANUAL

1. Introduction

Thank you for choosing the ASIILOVI LK08 Open Ear Headphones. These innovative headphones utilize air conduction technology to deliver high-quality audio directly to your inner ear without blocking the ear canal, ensuring comfort and situational awareness. Designed for an active lifestyle, they feature Bluetooth 5.3 connectivity, intuitive touch controls, and extended battery life.

The LK08 headphones are engineered to provide a premium sound experience with dual 16.2mm dynamic drivers, offering clear highs and powerful lows. Their open-ear design allows you to enjoy your audio while remaining aware of your surroundings, making them ideal for sports, commuting, and daily use. The secure, comfortable fit ensures they stay in place during any activity.

2. What's Included

Please check the package contents to ensure all items are present:

- ASIILOVI LK08 Open Ear Headphones (Left and Right)
- Charging Case
- Type-C Charging Cable
- User Manual

3. Product Overview

Familiarize yourself with the components of your ASIILOVI LK08 headphones:

16.2mm sound unit

Top bio-diaphragm, excellent sound transmission, unique sound cavity, creating an immersive spatial sound field

Image: An exploded view illustrating the internal 16.2mm sound unit, responsible for the high-quality audio output.

4. Getting Started

4.1 Charging the Headphones

Before first use, fully charge your headphones and charging case.

1. Place the headphones into the charging case, ensuring they are correctly seated.
2. Connect the Type-C charging cable to the charging port on the case and plug the other end into a USB power adapter (not included).
3. The charging indicators on the case will illuminate to show charging status. A full charge for both the headphones and case typically takes about 2 hours.

Up to 20 Hours of Music & Calls Per Charge

70 Hours with the Charging Case

40ft
Wireless Range

Quick Charge

Bluetooth 5.3

Charging Box Battery Capacity: 800mAh

4.2 Bluetooth Pairing

The LK08 headphones feature one-step pairing for convenience.

1. Open the charging case. The headphones will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "LK08" from the list of found devices.
4. Once connected, you will hear a confirmation tone, and the indicator light on the headphones will change.

The headphones will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

5. Operation Guide

5.1 How to Wear Your Headphones

Proper wearing ensures optimal sound and comfort.

Image: A step-by-step visual guide demonstrating the correct way to position the LK08 headphones on the ear for a secure and comfortable fit.

- Step 1:** Hold the headphones as shown in the illustration, with the ear hook facing upwards.
- Step 2:** Gently guide the ear hooks over and behind your ears.
- Step 3:** Adjust the earphones slightly to ensure they sit comfortably and securely, with the sound unit positioned near your ear canal without entering it.

5.2 Touch Control Functions

The LK08 headphones feature intuitive touch controls on each earbud. The touch sensitive area is located on the outer surface of the earbud.

Action	Gesture
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the right earbud
Previous Track	Double tap on the left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Long press on either earbud for 2 seconds
Activate Voice Assistant	Triple tap on either earbud

6. Care and Maintenance

6.1 Cleaning

To maintain optimal performance and hygiene:

- Wipe the headphones and charging case with a soft, dry, lint-free cloth.

- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts are clean and dry.

6.2 Storage

When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.

6.3 Water Resistance

The LK08 headphones are IPX6 water-resistant, meaning they can withstand splashes, sweat, and light rain. They are not designed for submersion in water. Do not use them while swimming or showering.

Image: The headphones shown with water splashing, illustrating their IPX6 water-resistant capability, suitable for workouts and light rain.

7. Troubleshooting

If you encounter issues with your headphones, try the following solutions:

Problem	Possible Solution
Headphones not powering on	Ensure the headphones are charged. Place them in the charging case and charge for at least 30 minutes.
Cannot pair with device	Make sure Bluetooth is enabled on your device. Ensure headphones are in pairing mode (open case). Turn off and on your device's Bluetooth. Try forgetting the device on your phone and re-pairing.
No sound from headphones	Check volume levels on both headphones and your device. Ensure headphones are properly connected to your device. Try playing different audio sources.
Charging case not charging	Check the Type-C cable and power adapter. Ensure the cable is securely connected to both the case and the power source.
Intermittent connection/sound drops	Move closer to your device (within 44 feet). Avoid strong electromagnetic interference. Ensure headphones are fully charged.

8. Product Specifications

Feature	Detail
Model Name	LK08
