## ADEKO Kids CPD

# ADEKO CPD Pine Wood Children's Bed Instruction Manual

Model: CPD (135x190)

Brand: ADEKO Kids

## INTRODUCTION

This manual provides essential information for the safe assembly, use, and maintenance of your ADEKO CPD Pine Wood Children's Bed. Please read these instructions carefully before assembly and retain them for future reference. The ADEKO CPD bed is designed as a robust and comfortable sleeping solution for children. Constructed from premium class 1 resinous pine wood, it offers durability and stability. The natural wood finish complements various interior styles. A slatted bed base is included.

## SAFETY INFORMATION

- **Adult Assembly Required:** This product must be assembled by an adult.
- **Maximum Weight Capacity:** The bed is designed to support a maximum weight of **90 kg**. Do not exceed this limit.
- **Regular Checks:** Periodically check all bolts and screws to ensure they are tight. Loose fasteners can lead to instability and injury.
- **Placement:** Position the bed away from windows, blinds, cords, or any items that could pose a strangulation hazard.
- **Mattress Size:** Use only a mattress of the specified size (135x190 cm) to ensure proper fit and safety.
- **No Jumping:** Do not allow children to jump on the bed.
- **Ventilation:** Ensure adequate ventilation around the bed.

## PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Bed Frame Components (Pine Wood)
- Slatted Bed Base
- Assembly Hardware (screws, bolts, etc.)
- Assembly Instructions (this document)

## SETUP AND ASSEMBLY

---

Assembly is required for this product. It is recommended to assemble the bed in the room where it will be used. Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Identify Parts:** Refer to the included diagram (if provided separately) to identify each component.
3. **Assemble Side Rails:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure but do not overtighten initially.
4. **Install Slatted Base Supports:** Secure any central support beams or brackets for the slatted base.
5. **Place Slatted Bed Base:** Lay the slatted bed base onto the designated supports within the bed frame. Ensure it sits evenly and securely.
6. **Final Tightening:** Once the entire frame is assembled and stable, go back and firmly tighten all screws and bolts. Do not overtighten.
7. **Mattress Placement:** Place a mattress of size 135x190 cm onto the slatted base.

## OPERATING AND USAGE

---

The ADEKO CPD bed is designed for single occupancy by a child. Ensure the mattress fits snugly within the frame to prevent gaps that could pose a hazard.

- **Mattress Compatibility:** Use a mattress with dimensions 135 cm x 190 cm.
- **Weight Distribution:** Encourage even weight distribution on the bed.
- **Supervision:** Always supervise young children around the bed, especially during initial use.

## MAINTENANCE

---

Proper maintenance will extend the life and appearance of your pine wood bed.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the wood finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage to the wood.
- **Fastener Checks:** Periodically (e.g., every 3-6 months) check and retighten all assembly hardware to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the wood to fade or dry out.
- **Humidity Control:** Maintain a stable room temperature and humidity level to prevent wood warping or cracking.

## TROUBLESHOOTING

---

- **Squeaking Noises:** If the bed squeaks, check all bolts and screws and tighten them. Ensure the slatted base is properly seated.
- **Instability/Wobbling:** This usually indicates loose fasteners. Re-tighten all bolts and ensure the bed is on a level surface.
- **Damaged Parts:** If any part of the bed becomes damaged, discontinue use immediately and contact customer support for replacement parts. Do not attempt to repair structural components yourself.

## SPECIFICATIONS

---

Key specifications for the ADEKO CPD Pine Wood Children's Bed:

- **Product Name:** CPD
- **Brand:** ADEKO Kids
- **Model Number:** CPD
- **Material:** Coniferous Wood (Pine)
