IDEALHOUSE Full Size Bed Frame with 4 Storage Drawers and Headboard Instruction Manual

Model: FZZH24021709

1. PRODUCT OVERVIEW

The IDEALHOUSE Full Size Bed Frame is designed for comfort and functionality, featuring an upholstered headboard and four integrated storage drawers. This platform bed frame eliminates the need for a box spring, providing sturdy support with wooden slats. Its design focuses on ease of assembly and a quiet sleeping environment.

2. SAFETY INFORMATION

- Exercise caution around sharp edges during assembly and use.
- Do not exceed the maximum weight capacity of 800 pounds.
- Assemble the bed frame carefully to ensure stability and prevent injury.
- Ensure the headboard is securely attached according to the instructions.
- Use drawer locks carefully to prevent accidental opening or closing.
- Keep small parts away from children during assembly.

3. SETUP AND ASSEMBLY

All necessary parts and assembly instructions are packaged together. Please follow the included detailed assembly manual for step-by-step guidance. It is recommended to assemble the bed frame with at least two people.

3.1. Unpacking and Part Identification

Carefully unpack all components and verify that all parts listed in the assembly manual are present. Lay out

parts on a soft, clean surface to prevent scratches.

3.2. Frame Assembly

Begin by assembling the main bed frame structure. Connect the side rails, footboard, and headboard supports using the provided hardware. Ensure all connections are tightened securely but do not overtighten until the entire frame is assembled.

3.3. Slat Installation

Place the wooden slats onto the designated support points on the bed frame. Ensure each slat is properly seated and secured to provide adequate mattress support. The wooden slats are designed with soundproof cotton to minimize noise.

3.4. Headboard Attachment

Attach the upholstered headboard to the frame. The headboard features an adjustable height mechanism. Refer to the assembly manual for specific instructions on how to set your preferred height.

3.5. Drawer Assembly and Insertion

Assemble the four storage drawers according to the instructions. Each drawer is equipped with four wheels for smooth movement and a locking structure to keep them in place under the bed frame. Insert the assembled drawers into their respective compartments.

4. OPERATION AND USAGE

4.1. Using Storage Drawers

The bed frame includes four spacious drawers for convenient storage. Each drawer is on wheels for easy access. To secure a drawer in place, engage its locking mechanism as shown in the assembly guide. To open, disengage the lock and pull the drawer out.

4

Lockable Drawers

Perfect for Storage

4.2. Adjusting Headboard Height

The headboard height is adjustable to accommodate mattresses ranging from 8 to 14 inches. To adjust, loosen the securing bolts on the headboard supports, slide the headboard to the desired height (between 11.8 and 14.8 inches from the frame), and then retighten the bolts firmly.

4.3. Mattress Compatibility

This bed frame is designed to be used with mattresses between 8 and 14 inches in thickness. No box spring is required.

RECOMMENDED MATTRESS: 8"-14"

5. MAINTENANCE

5.1. Cleaning

The upholstered parts of the bed frame, including the headboard, should be dry cleaned only. For the metal and engineered wood components, wipe with a damp cloth and mild detergent if necessary. Avoid harsh chemicals or abrasive cleaners.

5.2. General Care

Periodically check all bolts and connections to ensure they remain tight. Retighten as needed to maintain the bed frame's stability and noise-free performance.

6. TROUBLESHOOTING

6.1. Noise Issues

The bed frame is designed with wooden slats and soundproof cotton to prevent metal noises. If you experience squeaking or other noises, first ensure all assembly bolts are securely tightened. Check that the wooden slats are properly seated and not rubbing against the frame. Ensure the mattress is correctly

positioned.

6.2. Drawer Malfunction

If a drawer is not sliding smoothly, check for any obstructions on the wheels or in the track. Ensure the drawer is correctly aligned and that the locking mechanism is not engaged when attempting to open or close it.

7. SPECIFICATIONS

Feature	Detail
Model Number	FZZH24021709
Size	Full
Material	Engineered Wood, Linen, Metal
Product Dimensions (L x W x H)	78"L x 54.7"W x 45.7"H
Color	Grey
Special Features	Adjustable Headboard, Squeak Resistant, 4 Storage Drawers, Upholstered
Maximum Weight Recommendation	800 Pounds
Required Assembly	Yes
Compatible Mattress Thickness	8"-14"
