Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Do not overload the cabinet:** The maximum weight capacity for the adjustable shelf is 50 pounds. Exceeding this limit may

cause the cabinet to become unstable or collapse.

- **Ensure proper installation:** Always install the cabinet on a flat, stable surface. If applicable, use wall anchor kits to prevent tipping, especially in homes with children or pets.
- **Beware of pinch points:** Exercise caution when adjusting shelves or opening/closing doors to avoid pinching fingers.
- **Keep away from moisture:** Avoid placing the cabinet in excessively damp environments to prevent material damage.

Package Contents

Your OAKHAM HOME Fluted Accent Cabinet comes in two packages. Each package contains one unit of the 2-door cabinet and all necessary hardware for assembly. All components are labeled with stickers for easy identification.

Assembly Instructions

Follow these steps carefully for proper assembly. It is recommended to assemble the cabinet on a soft, clean surface to prevent scratches.

Care and Maintenance

To maintain the appearance and longevity of your cabinet, follow these simple care instructions:

- **Cleaning:** Wipe the cabinet surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Heat:** Do not place hot items directly on the cabinet surface. Use coasters or protective pads.
