OPERATING THE GAME (HOW TO PLAY)

The objective of 5 Little Birds is to correctly position all five birds on the wooden tree according to the hints provided in the challenge booklet. There is only one correct solution for each challenge.

Game Rules:

1. **Choose a Challenge:** Select a challenge from the booklet. Challenges are organized by difficulty: Starter, Junior, Expert, Master, and Wizard. Each challenge provides visual hints about the placement of some birds.
2. **Place All Birds:** Based on the hints, deduce the correct position for all five birds on the tree. The birds clip into the holes on the tree.
3. **One Solution:** Each challenge has only one correct solution. If a hole is shown empty in the challenge, it must remain empty in your solution.
