WHAT'S IN THE BOX

Your VGR V-621 Grooming Kit includes the following components:

- 1x Interchangeable Precision Trimmer
- 1x Interchangeable Shaver Head
- 1x Interchangeable Nose & Ear Trimmer
- 1x Interchangeable Eyebrow Trimmer
- 1x USB Type-C Charging Cable
- 2x Cutting Guide Combs
- 1x Cleaning Brush
- 1x User Manual Book
- 1x Lubricating Oil
- 1x Travel Bag

KEY FEATURES

- **All-in-One Grooming Kit:** Perfect for face, head, nose, ear, and body grooming needs.
- **High-Capacity Lithium Battery:** 500mAh battery provides ample power for long sessions.
- **Extended 90-Minute Runtime:** Enjoy uninterrupted grooming on a single charge.
- **Quick 1.5-Hour Charging:** Minimal wait time with fast-charging technology.
- **Precision Cutting Technology:** Achieve a consistently accurate and even trim.
- **Four Interchangeable Heads:** Easily swap heads for different grooming purposes.
- **Easy to Clean and Maintain:** Simple to swap and clean grooming heads.
- **Quiet and Smooth Operation:** Provides a pleasant, low-noise grooming experience.
- **Travel-Friendly:** Compact size makes it ideal for travel kits.
- **Premium Build Quality:** Durable materials designed for long-lasting performance.

SAFETY INFORMATION

For safe operation and to prevent injury or damage to the device, please adhere to the following safety guidelines:

- Always keep the grooming kit out of reach of children.
- Avoid using the trimmer on irritated or damaged skin to prevent injury.
- Do not immerse the main unit in water. Only detachable heads may be rinsed if specified.
- Ensure the device is fully dry before charging or storing.
- Use only the provided charging cable and adapter.
- Do not disassemble or attempt to repair the device yourself. Contact customer support for assistance.

SETUP

Initial Charging

Before the first use, fully charge the grooming kit. Connect the USB Type-C charging cable to the device and a suitable power source. The charging indicator will show the charging status. A full charge takes approximately 1.5 hours.

Attaching Heads

To attach an interchangeable head, align the head with the main body of the trimmer and gently push until it clicks into place. To remove, twist or pull the head off, depending on the specific attachment mechanism.

OPERATING INSTRUCTIONS

Charge the grooming kit fully before the first use and select the appropriate attachment for your grooming needs. Turn on the device and trim carefully, following the contours of your face and body for best results.

General Use

- Press the power button to turn the device ON/OFF.
- Ensure the desired attachment is securely fastened before use.
- For optimal performance, use the trimmer on clean, dry hair.

Using Specific Attachments

- **Precision Trimmer:** Ideal for beard shaping, sideburns, and precise lines. Use with or without guide combs for desired length.
- **Shaver Head:** For a close shave on facial hair or body hair. Move in gentle, circular motions against the direction of hair growth.
- **Nose & Ear Trimmer:** Carefully insert the trimmer tip into the nostril or ear canal. Rotate gently to trim unwanted hair. Do not insert too deeply.
- **Eyebrow Trimmer:** Use for precise shaping and trimming of eyebrows. Use with a guide comb for even length.

MAINTENANCE

Regular cleaning and maintenance will ensure the longevity and optimal performance of your VGR V-621 Grooming Kit.

Cleaning

- After each use, turn off the device and remove the attachment head.
- Use the provided cleaning brush to remove any hair clippings from the blades and the inside of the attachment.
- Most attachment heads can be rinsed under running water. Ensure they are completely dry before reattaching or storing. Do not rinse the main body of the trimmer.

Lubrication

Apply a small drop of the provided lubricating oil to the blades of the trimmer head periodically (e.g., after every few uses or after cleaning with water). Turn on the trimmer for a few seconds to distribute the oil evenly. This helps maintain blade sharpness and smooth operation.

TROUBLESHOOTING

If you encounter any issues with your VGR V-621 Grooming Kit, please refer to the following common solutions:

- **Device not turning on:** Ensure the battery is fully charged. If the issue persists, try charging with a different USB port or adapter.
- **Poor trimming performance:** Clean the blades thoroughly to remove any trapped hair. Apply lubricating oil to the blades. Ensure the attachment head is correctly installed.
- **Unusual noise:** Clean and lubricate the blades. If the noise continues, discontinue use and contact customer support.

If the problem persists after attempting these steps, please contact customer support for further assistance.
