MAINTENANCE AND CARE

Proper care will extend the life and appearance of your patio furniture set.

- **Wicker:** Wipe the wicker surfaces with a dry, soft cloth to remove dust and debris. For tougher stains, a damp cloth with mild soap can be used, followed by thorough drying.
- **Fabric Cushions:** Wipe fabric cushions with a dry, soft cloth or tissue. For spills, blot immediately. The yarn-dyed woven fabric is designed to resist water drops and spills. Cushion covers may be removable for washing; refer to the care label on the cushions for specific washing instructions.
- **General Care:** While the set is weather-resistant, covering it during harsh weather conditions or prolonged periods of non-use is recommended to further protect it.
