## Maintenance and Care

Proper care will extend the life and appearance of your patio furniture set.

- **Wicker:** Wipe with a dry soft cloth to remove dust and debris. For deeper cleaning, use a mild soap solution and a soft brush, then rinse thoroughly and dry.
- **Fabric (Cushions):** The cushion covers are yarn-dyed woven fabric, featuring UV-resistance and water/spill resistance. They are machine washable. Unzip the covers, remove the foam inserts, and wash according to fabric care instructions. Wipe spills immediately with a dry soft cloth or tissue.
- **Glass Tabletop:** Clean with a glass cleaner and a soft cloth.
