

HOUSBAY TS5S

Housbay Sound Machine with Alarm Clock User Manual

Model: TS5S | Brand: HOUSBAY

1. INTRODUCTION

Thank you for choosing the Housbay Sound Machine with Alarm Clock. This multifunctional device is designed to enhance your sleep and wake routine by combining a premium sleep sound machine, night light, Bluetooth speaker, and alarm clock into one sleek unit. It offers a serene environment free from distractions, helping you fall asleep easily and wake up refreshed.

This image shows the Housbay Sound Machine, highlighting its cylindrical design with a fabric base and a glowing top section. On the right, smaller images illustrate the device emitting different light colors: purple, blue, green, and yellow, demonstrating its versatile night light feature. The digital clock display shows '10:08'.

2. PACKAGE CONTENTS

Please check the box for the following items:

- Housbay Sound Machine with Alarm Clock (1 unit)
- Power Adapter (1 unit)
- User Manual (1 copy)

3. PRODUCT OVERVIEW

Familiarize yourself with the main components of your Housbay Sound Machine:

- **Top Panel:** Touch-sensitive controls for light, sound, volume, and alarm settings.
- **Light Dome:** Emits ambient light, capable of 12 different modes and adjustable brightness.

- **Fabric Base:** Houses the 8-watt HiFi speaker.
- **Digital Display:** Shows current time and alarm status.
- **Power Port:** Located at the back for connecting the power adapter.

Soothe baby with just one click

Intuitive buttons and seamless Bluetooth connectivity make the night effortless!

This image features two panels. The left panel shows a hand gently touching the top surface of the Housbay Sound Machine, indicating touch controls. The right panel displays a smartphone screen with an application interface, suggesting Bluetooth connectivity and app-based control options for the device.

4. SETUP

1. **Power Connection:** Connect the provided power adapter to the power port on the back of the device and plug it into a standard wall outlet.
2. **Initial Power On:** The device will automatically power on and the digital display will illuminate.
3. **Set Time:** Refer to the 'Operating the Alarm Clock' section for instructions on setting the correct time.

5. OPERATING INSTRUCTIONS

5.1. Sound Machine

The Housbay Sound Machine features 24 non-looping sleep sounds to help you drift into deep slumber. These include white noise, fan sounds, ocean waves, raindrop, thunderstorm, lullaby, campfire, heartbeat, and more.

- **Play/Pause Sound:** Press the dedicated sound button on the top panel to start or stop the sound.
- **Change Sound:** Press the 'Next Sound' or 'Previous Sound' buttons to cycle through the available soundscapes.
- **Adjust Volume:** Use the '+' and '-' buttons to increase or decrease the volume. The device delivers a robust volume range up to 85dB.

This graphic depicts the Housbay Sound Machine as a central element for a child's sleep routine. Arrows indicate a cycle: 'Fall asleep easily' leading to 'Stay asleep longer', and then to 'Rise refreshed'. The device itself is shown emitting a soft, warm light, with the time '10:08' displayed.

Help Baby & Kid Fall Asleep Faster

24 soft sounds & gentle night light

The Housbay Sound Machine is shown on a wooden bedside table, glowing with a vibrant pink light. In the soft-focus background, a child is seen sleeping soundly in bed, illustrating the product's use in creating a calming sleep environment.

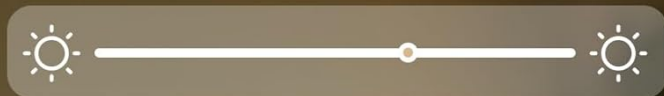

5.2. Night Light

Craft an ambiance of pure comfort with 12 gentle light modes. Adjust the brightness from 0-100% for uninterrupted sleep and easy navigation in the dark.

- **Turn On/Off Light:** Press the light button to toggle the night light.
- **Change Light Mode:** Press the light button repeatedly to cycle through the 12 different color modes.
- **Adjust Brightness:** Hold down the light button to dim or brighten the light. Release when the desired brightness is reached.

Soft Night Light

for Feedings or Diaper Changes

This image shows the Housbay Sound Machine on a table, emitting a gentle, warm light. In the background, a parent is feeding a baby, demonstrating how the soft night light feature can be used for nighttime care without disturbing sleep.

5.3. Bluetooth Speaker

The device features Bluetooth 5.0 technology, allowing you to stream your favorite audio from a connected device through its 8-watt HiFi speaker.

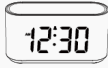

1. **Enable Bluetooth:** Press the Bluetooth button on the top panel. The device will enter pairing mode, indicated by a flashing Bluetooth icon on the display.
2. **Pairing:** On your smartphone or other Bluetooth-enabled device, search for
