## Tuanzi S9

# Tuanzi S9 2-in-1 Smart Watch with Earbuds

## USER MANUAL

Model: S9

### Product Overview

The Tuanzi S9 is an innovative 2-in-1 device combining a smart watch with integrated TWS Bluetooth 5.0 earphones. This device offers a new experience in smart wearable technology, designed for daily activity tracking, communication, and music enjoyment.

Figure 1: The Tuanzi S9 Smart Watch with integrated earbuds, showcasing the watch face and the open compartment for the earbuds.

Key features include a 1.53-inch round touch color screen, a 300mAh polymer battery for extended standby, and compatibility with most smartphones (Android 5.1+ and iOS 8.0+). The device supports various health monitoring functions and smart applications.

# Bluetooth smart watch TWS earphones

1.53" HD screen | TWS earphones | All-day health monitoring | NFC access control

The watch features a metal CNC texture, providing a durable and wear-resistant mirror surface. It is designed for both functionality and aesthetic appeal.

# Metal CNC texture

## Full sense of detail

The watch always implements the concept of business sense and design sense from the whole to the details. The mirror surface is transparent and wear-resistant, and the metal frame is light and sturdy. Paired with the built-in Bluetooth headset, it will bring you better audio-visual enjoyment.

Figure 3: Close-up view of the Tuanzi S9's metal CNC texture, highlighting the detailed craftsmanship and robust design.

## Setup Guide

Before first use, ensure both the smart watch and the earbuds are fully charged.

### 1. Initial Charging

- Connect the magnetic charging cable to the charging points on the back of the watch.
- Plug the USB end of the cable into a 5V <1A power adapter (not included).
- The watch takes approximately 100 minutes to fully charge.
- The watch can charge the earbuds up to 2 times when fully charged itself. Place the earbuds into their designated slots in the watch for charging.

Figure 4: Illustration of the watch's portable charging capability for the earbuds and battery specifications.

## 2. App Installation and Pairing

- Download the "LookFit" app from your smartphone's app store (compatible with Android 5.1+ and iOS 8.0+).
- Open the LookFit app and follow the on-screen instructions to register an account and set up your profile.
- Enable Bluetooth on your smartphone.
- In the LookFit app, search for and connect to your S9 Smart Watch. Ensure the watch screen is active during pairing.
- To pair the earbuds, take them out of the watch. They will automatically enter pairing mode. Search for "S9 Earbuds" (or similar Bluetooth name) in your phone's Bluetooth settings and connect.

## Operating Instructions

### Smart Watch Functions

- **Navigation:** The 1.53-inch full-circle touch screen allows for intuitive navigation. Swipe left/right, up/down to access different features and menus.
- **Health Monitoring:** The watch continuously monitors heart rate, blood pressure, and blood oxygen levels. View your health data directly on the watch or in the LookFit app for detailed insights.
- **Activity Tracking:** Tracks steps, distance, and calories burned. Supports multiple sports modes such as outdoor running, walking, riding, jump rope, football, basketball, table tennis, and badminton.
- **Sleep Monitoring:** Monitors your sleep quality and patterns.
- **Notifications:** Receive message pushes from social applications (QQ, WeChat, Facebook, Twitter, etc.) and text message reminders directly on your watch.
- **Call Functions:** Supports Bluetooth dual headset calls. Answer or reject calls directly from the watch.
- **Music Control:** Control music playback (play/pause, next/previous song) on your smartphone directly from the watch.
- **Daily Tools:** Includes a daily alarm clock (can set up to 4 alarms), photo control (remote camera shutter), sedentary reminder, find phone, and find bracelet functions.
- **Weather Forecast:** Provides real-time weather updates.

# Heart rate, blood pressure, blood oxygen

## Keep track of health

The watch can intelligently monitor and evaluate heart rate, blood pressure, and blood oxygen status anytime and anywhere, saying goodbye to traditional time-consuming, and laborious methods and keeping track of your body changes.

Figure 5: Display of heart rate, blood pressure, and blood oxygen tracking on the S9 Smart Watch, illustrating its health monitoring capabilities.

Figure 6: The watch displaying real-time information pushes from various social media applications and an overview of smart applications.

### Earbuds Functions

The earbuds feature touch controls for various functions:

Function	Left Earbud	Right Earbud
Decrease Volume	Click the touch button	/
Increase Volume	/	Click the touch button
Answer/Hang up Call, Play/Pause Music	Double-click the touch button	
Previous Song	3 touch keys	/

Function	Left Earbud	Right Earbud
Next Song	/	3 touch keys
Turn on Siri (Voice Assistant)	4 touch keys	

Figure 7: Detailed table illustrating the touch control functions for the left and right earbuds.

Figure 8: A user demonstrating the use of the earbuds, highlighting their comfortable fit and the watch's presence on the wrist.

## Maintenance

- **Cleaning:** Wipe the watch and earbuds regularly with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, ensuring no moisture enters the charging ports or earbud speakers.
- **Water Resistance:** The S9 Smart Watch is "Life waterproof," meaning it is resistant to splashes, rain, and

sweat. It is not suitable for swimming, showering, or diving. Avoid exposing the device to hot water or steam.

- **Charging:** Always use the provided magnetic charging cable. Avoid using damaged cables or chargers. Ensure the charging contacts on both the watch and the cable are clean and dry before charging.
- **Storage:** Store the device in a cool, dry place when not in use. Avoid extreme temperatures.

## Troubleshooting

- **Device Not Turning On:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power on again.
- **Cannot Pair with Smartphone:**
  - a. Ensure Bluetooth is enabled on your phone and the watch.
  - b. Make sure the watch is within the Bluetooth range of your phone.
  - c. Restart both your phone and the watch.
  - d. If previously paired, try forgetting the device in your phone's Bluetooth settings and re-pairing.
- **Earbuds Not Connecting/Working:**
  - a. Ensure earbuds are charged by placing them in the watch.
  - b. Check your phone's Bluetooth settings to ensure the earbuds are connected.
  - c. Try resetting the earbuds (refer to the app or watch settings if available for a reset option).
- **Inaccurate Health Data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch regularly.
- **Notifications Not Appearing:**
  - a. Check notification permissions for the LookFit app in your phone's settings.
  - b. Ensure the watch is connected to your phone via Bluetooth.
  - c. Verify that notification push is enabled within the LookFit app.
- **Short Battery Life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous health monitoring if not required. Ensure the watch and earbuds are fully charged before use.

## Specifications

Feature	Detail
Model Number	S9
Screen Size	1.53 Inches (Round Touch TFT Screen)
Resolution	360*360
Watch Battery Capacity	300mAh Polymer lithium ion
Earbud Battery Capacity	25mAh (each earbud)
