SETUP AND ASSEMBLY

Follow these steps for proper assembly of your coffee table. It is recommended that two people assemble this product.

1. Step 1: Prepare the Screws.

Open the accessory bag and take out the three-in-one screws. Tighten each screw into the designated screw holes of the board. Ensure all screws are fully tightened.

2. Step 2: Connect Side Panels.

Connect the side panel with pre-installed screws to a side panel without screws. Then, connect another board without screws to the board with screws. After inserting the plate, place the round lock into the round hole and tighten it with a screwdriver.

3. Step 3: Assemble Remaining Side Panels.

Connect another side panel with screws to two side panels with holes. Then, put the round lock into the round hole again and tighten it.

4. Step 4: Attach Tabletop.

Connect the assembled base to the tabletop (desktop screw). Ensure all round holes are aligned with the round locks and tighten them securely.

5. Step 5: Final Placement.

Once the entire table is assembled, carefully turn it over and place it in your desired location.

MAINTENANCE

Proper care will ensure the longevity and appearance of your coffee table.

- **Cleaning:** Wipe with a damp cloth for general cleaning. For spills, wipe immediately with a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Use coasters under drinks and placemats under hot items to prevent damage to the tabletop.
- **Inspection:** Periodically check all fasteners and tighten them if necessary to maintain stability.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or warping of the wood finish.
