4. SETUP

4.1 Assembling the Piano Stand

1. Unfold the X-style piano stand.
2. Adjust the height to your preferred playing position using the locking mechanism.

3. Place the SP-15F electronic piano securely on top of the stand.

4.2 Connecting the Sustain Pedal

Locate the sustain pedal input port on the back or side of the piano. Insert the pedal cable firmly into this port.

4.3 Charging the Piano

Before first use, fully charge the piano. Connect the power adapter to the DC IN port on the piano and plug the other end into a power outlet. The charging indicator light will show the charging status. A full charge provides up to 10 hours of continuous play.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

Press and hold the **POWER** button located on the control panel to turn the piano on or off.

5.2 Volume Adjustment

Use the **VOLUME +/-** buttons to increase or decrease the overall volume.

5.3 Changing Tones (Voices)

The SP-15F offers 198 different tones. Press the **TONE** button, then use the **+/-** buttons or number keys to select your desired tone. The current tone number will be displayed on the screen.

5.4 Selecting Rhythms

There are 198 rhythms available. Press the **RHYTHM** button, then use the **+/-** buttons or number keys to select a rhythm. Press the **START**/**STOP** button to begin or end the rhythm playback.

5.5 Playing Demo Songs

The piano includes 80 demo songs. Press the **DEMO** button to cycle through the demo songs. Press **DEMO** again to stop playback.

Image: The SP-15F's control panel and display, indicating its extensive sound library with 128 rhythms, 128 timbres (tones), and 80 built-in demo songs for diverse musical exploration.

5.6 Recording Function

To record your performance, press the **RECORD** button. Play your desired piece. Press **RECORD** again to stop recording. To play back your recording, press the **PLAY** button.

5.7 Bluetooth MIDI Connectivity

The SP-15F supports Bluetooth MIDI for wireless connection to learning apps or digital audio workstations (DAWs). Activate Bluetooth on your device and select "Starfavor SP-15F" from the available devices to pair.

Video: A demonstration of the Starfavor SP-15F electronic piano's features and portability, showcasing its ease of use and various functions in action.

5.8 Headphone Use

For private practice, connect the included large headset to the 3.5mm headphone jack. The internal speakers will automatically mute when headphones are connected.

5.9 Sustain Pedal Function

Pressing the sustain pedal while playing will sustain the notes, mimicking the effect of a traditional acoustic piano's sustain pedal.

6. MAINTENANCE

6.1 Cleaning

Wipe the piano's surface and keys with a soft, dry cloth. For stubborn dirt, slightly dampen the cloth with water and a mild soap solution, then wipe dry immediately. Avoid using abrasive cleaners or solvents.

6.2 Storage

When not in use, store the piano in its portable carrying bag to protect it from dust and damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.

EASY FOLD AND GO

Outdoor or Indoor Use with The Light Weight of **7.4lb**
