

UorMe CWD-V01

UorMe 15W Wireless Charger Fast Charging Pad User Manual

Model: CWD-V01

1. INTRODUCTION

Thank you for choosing the UorMe 15W Wireless Charger Fast Charging Pad. This manual provides essential information for the safe and efficient use of your device. Please read it thoroughly before use and retain it for future reference.

Image 1.1: UorMe 15W Wireless Charger Fast Charging Pad (Black)

2. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1x UorMe 15W Wireless Charging Station
- 1x USB-C Charging Cable

3. PRODUCT FEATURES

- **Universal Compatibility:** Supports a wide range of devices including Google Pixel, Samsung Galaxy, and iPhone models, as well as wireless earbuds.
- **Fast Charging:** Delivers up to 15W output for compatible Samsung Galaxy devices, 7.5W for iPhone series, and 5W for other Qi-enabled smartphones and earbuds.
- **Non-Slip Design:** Features a silicone material to keep devices securely in place.
- **Sleep-Friendly LED:** A green LED indicator provides charging status without disturbing sleep.
- **Safety Protections:** Built-in safeguards against overcharging, over current, over voltage,

overheating, and short circuits.

- **Slim & Portable:** Lightweight and compact design for easy transport.
- **Case Friendly:** Charges through most plastic/silicone phone cases up to 5mm thick.

4. SETUP INSTRUCTIONS

Follow these steps to set up your wireless charging pad:

1. **Connect the Charging Pad:** Insert the USB-C end of the provided charging cable into the port on the wireless charging pad.
2. **Connect to Power Adapter:** Connect the USB-A end of the cable to a compatible power adapter. For fast charging, a Quick Charge 2.0/3.0 wall charger (not included) with 9V or above output is required. A standard 5V/1A adapter will not provide fast charging.
3. **Power On:** Plug the power adapter into a wall outlet. The charging pad's LED indicator may briefly illuminate to confirm power.

Choose the Right Adapter

5. OPERATING INSTRUCTIONS

To charge your device wirelessly:

1. **Place Device:** Carefully place your Qi-enabled smartphone or earbuds on the center of the charging pad. Ensure the device is aligned with the charging coil for stable charging.
2. **Confirm Charging:** The charging pad's LED indicator will illuminate (typically green) to confirm that charging has begun. Your device's screen should also indicate that it is charging.
3. **Case Compatibility:** The charger supports cases up to 5mm thick. Remove any metal cases, pop sockets, magnets, or credit cards from your phone case as these can interfere with wireless charging.

Charging Modes

The charger intelligently adapts its output based on the connected device:

- **15W Fast Charging:** For Samsung Galaxy S24/S23/S22/S21/S20 series, Google Pixel 8/7/6 Pro, and other compatible devices.
- **10W Charging:** For Samsung Galaxy S10/S9/S8/S7/Note 10.
- **7.5W Charging:** For iPhone 15/14/13/12/11/X/XS/XR/8 Plus series.
- **5W Standard Charging:** For AirPods, Galaxy Buds, Pixel Buds, and other Qi-enabled phones.

4 Charging Modes

7. SAFETY INFORMATION

Your UorMe wireless charger is designed with multiple safety features to ensure a secure charging experience:

- **Over-Temperature Protection:** Prevents overheating of the charger and your device.
- **Over-Voltage Protection:** Safeguards against excessive voltage input.
- **Over-Charge Protection:** Protects your device from being overcharged.
- **Over-Current Protection:** Manages current flow to prevent damage.
- **Short Circuit Protection:** Automatically shuts off in case of a short circuit.

Important Safety Notes:

- Do not expose the charger to water or extreme temperatures.
- Avoid placing metal objects, magnets, or credit cards between your device and the charging pad.
- Ensure proper ventilation around the charging pad during use.
- Use only the provided USB-C cable or a certified equivalent.

8. TROUBLESHOOTING

If you encounter issues with your wireless charger, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not charging or charging intermittently.	<ul style="list-style-type: none">• Device not centered on the pad.• Phone case too thick or contains metal/magnets.• Incompatible power adapter.• Foreign object detected.	<ul style="list-style-type: none">• Reposition device to the center of the pad.• Remove phone case or any interfering objects.• Ensure a Quick Charge 2.0/3.0 adapter (9V or above) is used.• Remove any foreign objects from the charging surface.

Problem	Possible Cause	Solution
Slow charging.	<ul style="list-style-type: none"> Standard 5V/1A adapter used. Device not properly aligned. 	<ul style="list-style-type: none"> Use a Quick Charge 2.0/3.0 adapter for fast charging. Ensure device is centered on the pad.
LED indicator blinking or turning off.	<ul style="list-style-type: none"> Foreign object detected. Device overheating. Adaptive charging feature on some phones (e.g., Pixel) can cause intermittent behavior when reaching 80%. 	<ul style="list-style-type: none"> Remove any foreign objects. Allow charger and device to cool down. This behavior might be normal for certain phone features; if charging completes, it's not an issue.
Charger feels warm during use.	Normal operation.	Slight warmth is normal during wireless charging. If it becomes excessively hot, discontinue use and contact support.

9. SPECIFICATIONS

Feature	Detail
Model Number	CWD-V01
Input Voltage	110 Volts
Amperage	2 Amps
Output Power	15W / 10W / 7.5W / 5W (Adaptive)
Connector Type	USB Type C
Item Weight	0.176 ounces
Package Dimensions	5.47 x 3.58 x 0.55 inches
Color	Black
Manufacturer	Shenzhen Chuang Wei Da Technology Co., LTD

10. CARE AND MAINTENANCE

- Clean the charging pad with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the charger in a cool, dry place when not in use.
- Avoid dropping or subjecting the charger to strong impacts.

11. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the product packaging or contact UorMe customer service directly through the retailer where the product was purchased. Please have your model

number (CWD-V01) and purchase details ready.
