## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your GlouMod Farmhouse Makeup Vanity Desk. Designed for functionality and style, this vanity desk features a sliding mirror with adjustable LED lighting, a transparent glass tabletop for visible storage, a built-in charging station, and various compartments including drawers and cabinets to organize your beauty essentials and jewelry.

## IMPORTANT SAFETY INFORMATION

- Always follow assembly instructions carefully to prevent injury or damage.
- Keep small parts away from children during assembly.
- Be aware of sharp edges and pinch points during handling and assembly.
- Ensure all electrical components (lights, charging station) are properly connected and used in accordance with local electrical codes. Do not overload outlets.
- Place the vanity on a stable, level surface to prevent tipping.
- Do not place hot items directly on the wooden surfaces.

## ASSEMBLY INSTRUCTIONS

Detailed step-by-step instructions are provided to guide you through the assembly process. Ensure all parts are present before beginning. It is recommended to have a second person assist with certain steps for ease and safety.

## Key Assembly Steps:

1. **Prepare Components:** Unpack all parts and verify against the parts list. Organize screws and wooden corks as per the instructions.
  2. **Assemble Base Units:** Connect the side panels and internal boards using screws and wooden corks. Ensure all connections are secure.
  3. **Install Drawers and Runners:** Attach drawer runners to the vanity frame and assemble the drawers.
  4. **Attach Top Panels:** Secure the wooden top panels, including the transparent glass sections, to the main frame.
  5. **Install Mirror and Sliding Mechanism:** Carefully attach the sliding mirror to its track. Ensure it moves smoothly.
  6. **Connect Electrical Components:** Install the power outlet strip and connect the mirror's LED lighting power cord.
  7. **Attach Handles and Hooks:** Secure all drawer handles, cabinet handles, and external hooks for accessories.
  8. **Final Adjustments:** Ensure all parts are aligned and stable.
