4. OPERATING INSTRUCTIONS

4.1 Using as a Regular Kids Chair

Position the chair upright with the backrest in the vertical position. This configuration is suitable for general seating, studying, or playing.

4.2 Using as a Meal Chair

Attach the meal tray to the front of the chair. Ensure it is securely fastened before placing your child in the chair for meals. The chair should be in the upright position.

4.3 Converting to a Shampoo Chair

To convert the chair into a shampoo chair, simply flip down the backrest component. This creates a reclined surface suitable for washing your child's hair. Ensure the chair is stable on a flat surface before use.

5. MAINTENANCE

5.1 Cleaning

The chair is made from polypropylene, which is easy to clean. Use a damp cloth with mild soap and water to wipe down all surfaces. Rinse thoroughly and dry completely before next use. Avoid abrasive cleaners or harsh chemicals.

5.2 Storage

Store the chair in a cool, dry place away from direct sunlight when not in use for extended periods.

6. SAFETY INFORMATION

- Always ensure the chair is placed on a flat, stable surface.
- The anti-skid feet are designed to prevent slipping, even on wet floors. However, always exercise caution.

- Do not exceed the maximum weight capacity of 40 Kgs.
- Never leave a child unattended in the chair.
- Regularly inspect the chair for any signs of wear or damage. Discontinue use if any damage is found.
- Keep small parts away from children to prevent choking hazards.
