6. MAINTENANCE

6.1 Cleaning

The LELO F1S V3 XL is 100% waterproof, making cleaning simple and hygienic. After each use, wash the device

thoroughly with warm water and a LELO Toy Cleaner or a mild, antibacterial soap. Rinse well to remove all soap residue and allow it to air dry completely before storing.

6.2 Storage

Store your LELO F1S V3 XL in a clean, dry place, away from direct sunlight and extreme temperatures. Avoid storing it with other toys made of different materials to prevent material degradation.

7. TROUBLESHOOTING

If you encounter any issues with your LELO F1S V3 XL, please refer to the following common solutions:

- **Device Not Turning On:** Ensure the device is fully charged. If the issue persists, try performing a soft reset by holding the power button for 10 seconds.
- **App Connectivity Issues:** Verify that Bluetooth is enabled on your smartphone and the device is within range. Try restarting both the LELO F1S V3 XL and the LELO app.
- **Vibration Weak or Inconsistent:** Check the battery level. A low battery can affect performance. Ensure the device is clean and free of debris that might obstruct the motors.
- **Discomfort During Use:** Ensure adequate water-based lubricant is applied to the internal sleeve. While the XL version is designed for a roomier fit, individual anatomies vary.
- **Travel Lock Engaged:** If the device is unresponsive, check if the travel lock is active. Deactivate it by holding the + and - buttons simultaneously for 5 seconds.

If these steps do not resolve the issue, please contact LELO customer support for further assistance.
