Hasuit 6 Drawer Dresser with LED Lights and Charging Station

Model: DJ503119_1 | Brand: Hasuit

1. INTRODUCTION

Thank you for choosing the Hasuit 6 Drawer Dresser. This modern and versatile storage solution is designed to enhance your living space with ample storage, integrated LED lighting, and a convenient charging station. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new dresser.

2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Tip Device:** This dresser includes an anti-tip device. It is crucial to install this device to prevent the dresser from tipping over, especially in households with children. Secure the dresser to a wall using the provided hardware.
- **Weight Distribution:** Distribute weight evenly across drawers and shelves. Do not overload drawers.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep small parts and hardware away from children during assembly.
- **Stable Surface:** Always place the dresser on a flat, stable, and level surface.
- **Electrical Safety:** Ensure the charging station is connected to a properly grounded outlet. Do not exceed the rated

electrical capacity. Keep liquids away from electrical components.

Image 2.1: Detail showing the necessary anti-fall device, safe rounded corners, and the easy-pull metal slide system for drawers.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. All parts are individually packed and marked for easy identification.

Components:

- Top Panel
- Side Panels (Left & Right)
- Back Panel

- Drawer Fronts (x6)
- Drawer Side Panels (x12)
- Drawer Bottom Panels (x6)
- Drawer Back Panels (x6)
- LED Light Strip Kit
- Charging Station Unit

Hardware:

- Screws, Dowels, Cams, Cam Locks
- Drawer Slides (Left & Right, x6 pairs)
- Drawer Knobs (x6)
- Anti-Tip Hardware
- Power Cord
- Assembly Tools (e.g., Allen wrench, if required)

4. SETUP AND ASSEMBLY

Assembly is required for this dresser. Please follow the clear installation steps provided in the separate assembly manual included with your product. Ensure you have adequate space and the necessary tools (e.g., screwdriver, hammer) before starting.

General Assembly Steps:

1. **Unpack and Identify:** Carefully unpack all components and hardware. Refer to the parts list in your assembly manual to identify each piece.
2. **Assemble Frame:** Begin by assembling the main frame of the dresser according to the step-by-step diagrams.
3. **Construct Drawers:** Assemble each of the six drawers, ensuring the metal slide rails are correctly attached.
4. **Install Drawers:** Insert the assembled drawers into the dresser frame.
5. **Install LED Lights:** Follow the instructions to install the LED light strip in the open shelf area.
6. **Install Charging Station:** Secure the charging station unit into its designated slot on the top surface.
7. **Secure Anti-Tip Device:** Attach the anti-tip device to the back of the dresser and secure it to a wall stud. This step is critical for safety.

5. OPERATING INSTRUCTIONS

5.1 LED Lights

The integrated LED lights offer customizable ambiance for your room. They can be controlled via a button control or a dedicated mobile application.

- **Color Options:** Choose from over 60,000 colors to match your mood or decor.
- **Brightness Adjustment:** Adjust the brightness level to your preference.
- **Modes:** Explore various modes including custom style mode, music mode (lights react to sound), mic mode, and a

timing function for scheduled operation.

6. MAINTENANCE

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe the dresser surfaces with a dry cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.

- **Drawer Slides:** If drawers become stiff, a small amount of silicone lubricant can be applied to the metal slides.
- **LED Lights:** Do not attempt to replace the LED light strip yourself. Contact customer support if there are issues.

7. TROUBLESHOOTING

If you encounter any issues with your Hasuit dresser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not turning on or flickering.	Loose connection, power issue, faulty LED strip.	Check all power connections. Ensure the power adapter is securely plugged into the wall outlet and the LED strip. If using the app, ensure Bluetooth is enabled and the app is connected. If the issue persists, contact customer support.
Charging station not providing power.	Not plugged in, circuit breaker tripped, device compatibility.	Ensure the dresser's power cord is fully plugged into a working wall outlet. Check your home's circuit breaker. Test with a different device to rule out device-specific issues.
Drawers are difficult to open/close or stick.	Improper assembly of slides, overloaded drawer, debris in slides.	Ensure drawer slides are correctly aligned and installed. Reduce the weight in the drawer. Check for any obstructions or debris in the slide mechanism and clean if necessary.
Dresser feels wobbly or unstable.	Loose fasteners, not on a level surface, anti-tip device not installed.	Tighten all assembly screws. Ensure the dresser is placed on a flat, level surface. Verify that the anti-tip device is securely installed to the wall.

8. SPECIFICATIONS

Feature	Detail
Brand	Hasuit
Model Name	6 Drawer Dresser
Product Dimensions	15.8"D x 47.3"W x 31.5"H
