The Nike Air VaporMax Plus is designed for everyday wear and athletic activities. Consider the following for best experience:

- **Activity Suitability:** Ideal for running, walking, and casual wear.

CARE AND MAINTENANCE

Proper care will extend the life of your Nike Air VaporMax Plus shoes:

- **Cleaning:** Use a soft brush or cloth with mild soap and water to clean the upper. For the sole, a damp cloth can remove dirt.
- **Drying:** Air dry at room temperature. Avoid direct sunlight or heat sources, as this can damage materials.
- **Storage:** Store in a cool, dry place away from extreme temperatures. Keep them stuffed with paper to maintain shape if not worn frequently.
- **Avoid Machine Washing:** Do not machine wash or tumble dry, as this can compromise the shoe's structure and materials.
