

Momcozy HF048

Momcozy Hands-Free Pumping and Nursing Bra Instruction Manual

Model: HF048

1. PRODUCT OVERVIEW

The Momcozy Hands-Free Pumping and Nursing Bra is designed to provide support and convenience for mothers who are breastfeeding, pumping, or both. This bra allows for hands-free operation of most standard breast pumps, facilitating multitasking during pumping sessions. It also features a design that allows for easy nursing access.

2. KEY FEATURES

- **Hands-Free Pumping Design:** Features a patent-protected 'X' structure designed to securely hold breast pump flanges in place, enabling hands-free pumping.
- **Comfortable Material:** Constructed from 93% cotton and 7% spandex for a soft and flexible fit.
- **Adjustable Shoulder Straps:** Shoulder straps are adjustable to customize fit and support. They can also be crossed for alternative styling.
- **Detachable Clip for Nursing:** Equipped with one-step breastfeeding clasps for convenient drop-down cups, allowing easy nursing access.
- **Wide Pump Compatibility:** Compatible with various breast pump brands, including Lansinoh, Philips Avent, Spectra, and Evenflo.

Hands Free Pumping Bra

Patent 'X'
Structure for Secure
Hold

Figure 2: Illustration of the 'X' structure designed to hold pump flanges securely.

3. SETUP AND USAGE

3.1 Wearing the Bra

1. Unclasp the nursing clips on both shoulder straps.
2. Put on the bra as you would a standard bra.
3. Adjust the shoulder straps for a comfortable and supportive fit. Ensure the band sits level around your torso.
4. Fasten the back closure securely. An extender is often included for additional adjustability.

3.2 Hands-Free Pumping

1. With the bra on, locate the openings on the inner layer of the cups.
2. Carefully insert your breast pump flanges through these openings, ensuring your nipple is centered within the flange tunnel. The 'X' structure will help hold the flanges in place.
3. Connect your pump tubing and bottles as per your breast pump manufacturer's instructions.
4. Begin your pumping session. The bra is designed to allow you to move freely while pumping.

3.3 Nursing Access

1. To nurse, simply unclip the nursing clasp on the shoulder strap of the side you wish to feed from.
2. The cup will drop down, providing full access for breastfeeding.
3. After nursing, lift the cup back into place and re-fasten the nursing clasp.

4. SIZING GUIDE

To ensure the best fit, please refer to the Momcozy Pumping Bra Size Chart below. Accurate measurements are crucial for comfort and effective pumping.

4.1 How to Measure

1. **Measurement A (Underbust Size):** Measure around your rib cage directly under your breasts, snug but not tight. Keep the tape measure level all the way around.
2. **Measurement B (Bust Size):** Measure around the fullest part of your breasts, not too tightly, and press down between them.

3. **Calculate Cup Size:** Subtract Measurement A from Measurement B. The difference represents your letter cup size (e.g., 4.5"-5.5" = B, 5.5"-6.5" = C, 6.5"-7.5" = D).

4.2 Size Chart

Brand Size	US Size
X-Small	30A,30B,30C,30D,32A,32B,34A
Small	30E,30F,30G,32C,32D,32E,32F,34B,34C,34D,36A
Medium	32G,34E,34F,34G,36B,36C,36D,38A,38B
Large	36E,36F,36G,38C,38D,38E,40A,40B
X-Large	38F,38G,40C,40D,40E,42A,42B
XX-Large	40F,40G,42C,42D,42E,42F,44A,44B,44C

5. CARE AND MAINTENANCE

Proper care will extend the life of your Momcozy Pumping and Nursing Bra.

- **Washing:** Hand wash or machine wash on a gentle cycle with cold water. Use a laundry bag if machine washing to protect the fabric and clasps.
- **Detergent:** Use a mild detergent. Avoid bleach or harsh chemicals.
- **Drying:** Air dry flat or hang to dry. Do not tumble dry, as high heat can damage the elastic and fabric.
- **Ironing:** Do not iron.

6. TROUBLESHOOTING

If you encounter issues with your Momcozy Pumping and Nursing Bra, consider the following:

- **Poor Fit:** Refer to the sizing guide (Section 4) to ensure you have the correct size. An ill-fitting bra can affect comfort and pump stability.
- **Pump Flanges Not Secure:** Ensure the flanges are fully inserted into the 'X' structure and your nipples are centered. Adjust the shoulder straps for optimal support.
- **Discomfort:** Check for any pinching or rubbing. Adjust straps and band for a more comfortable fit. Ensure the bra is clean and dry before wearing.

7. SPECIFICATIONS
