ExBrite 24x36 inch LED Vanity Mirror

ExBrite 24x36 inch LED Vanity Mirror Instruction Manual

Model: 24x36 inch LED Vanity Mirror

1. INTRODUCTION

Thank you for choosing the ExBrite 24x36 inch LED Vanity Mirror. This manual provides essential information for the safe installation, operation, and maintenance of your new mirror. Please read these instructions thoroughly before installation and retain them for future reference.

2. SAFETY INFORMATION

Caution: This mirror has sharp edges. Always handle with care. Ensure proper installation by a qualified electrician. Keep away from water and heat sources. Do not touch the mirror while it is in use or immediately after it has been turned off.

- Always disconnect power before installation or maintenance.
- Do not attempt to repair or modify the mirror yourself. Contact qualified personnel for service.
- Ensure the mounting surface is structurally sound and can support the mirror's weight.
- Avoid using abrasive cleaners or sharp objects on the mirror surface.

3. PRODUCT FEATURES

The ExBrite LED Vanity Mirror is designed with advanced features for enhanced functionality and user experience:

- **Frontlit & Backlit Illumination:** Equipped with dual LED light strips for superior brightness, suitable for makeup, shaving, and other grooming tasks.
- **3-Color Temperature & Dimmable Brightness:** Easily switch between warm light (3000K), natural light (4000K), and cool white light (6000K). Adjust brightness from 10% to 100% with a long press.
- **Memory Function:** The mirror retains your last light setting (color temperature and brightness) when turned off and on again.
- **Anti-Fog Feature:** Quickly clears condensation from the mirror surface. The defogging system automatically shuts off after one hour to prevent overheating.
- **Durable and Shatterproof Glass:** Constructed with 5mm tempered glass, offering five times the strength of ordinary glass for increased safety and longevity.
- **Versatile Installation:** Can be mounted horizontally or vertically to suit your preference and space.

4. SETUP AND INSTALLATION

This mirror is designed for easy installation and can be powered via a standard plug-in or hardwired connection. Mounting accessories and detailed instructions are included.

4.1 Mounting Options

The mirror supports both horizontal and vertical orientations. Decide your preferred orientation before beginning installation.

Image 4.1: Horizontal and Vertical Mounting Options.

4.2 Power Connection

Choose between plugging the mirror into a standard electrical outlet or hardwiring it to a wall switch for integrated control.

Image 4.2: Plug-in or Hardwire Power Options.

4.3 Installation Steps

1. **Prepare the Wall:** Ensure the wall is clean and clear of obstructions. Mark the desired mounting height and position.
2. **Install Mounting Bracket:** Securely attach the included mounting bracket to the wall using appropriate hardware. Use a level to ensure it is straight.
3. **Connect Wiring:** For hardwired installation, connect the mirror's wiring to your home's electrical system according to local codes. For plug-in, ensure the outlet is accessible.
4. **Hang the Mirror:** Carefully lift the mirror and align it with the wall bracket, ensuring it is securely seated.
5. **Test Functionality:** Restore power and test all mirror functions (lights, dimming, anti-fog).

Easy To Install

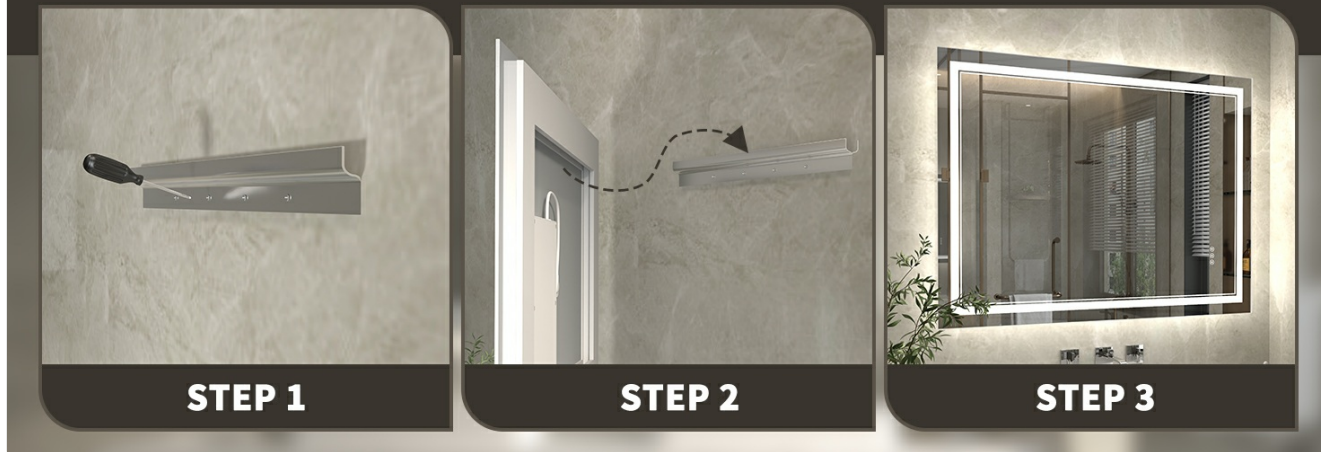

Image 4.3: Simplified Installation Steps.

5. OPERATING INSTRUCTIONS

Your ExBrite LED Vanity Mirror features intuitive touch controls for easy operation.

5.1 Power On/Off

Tap the power icon on the mirror surface to turn the lights on or off.

5.2 Adjusting Color Temperature

With the lights on, tap the color temperature icon to cycle through the three available light settings: warm (3000K), natural (4000K), and cool white (6000K).

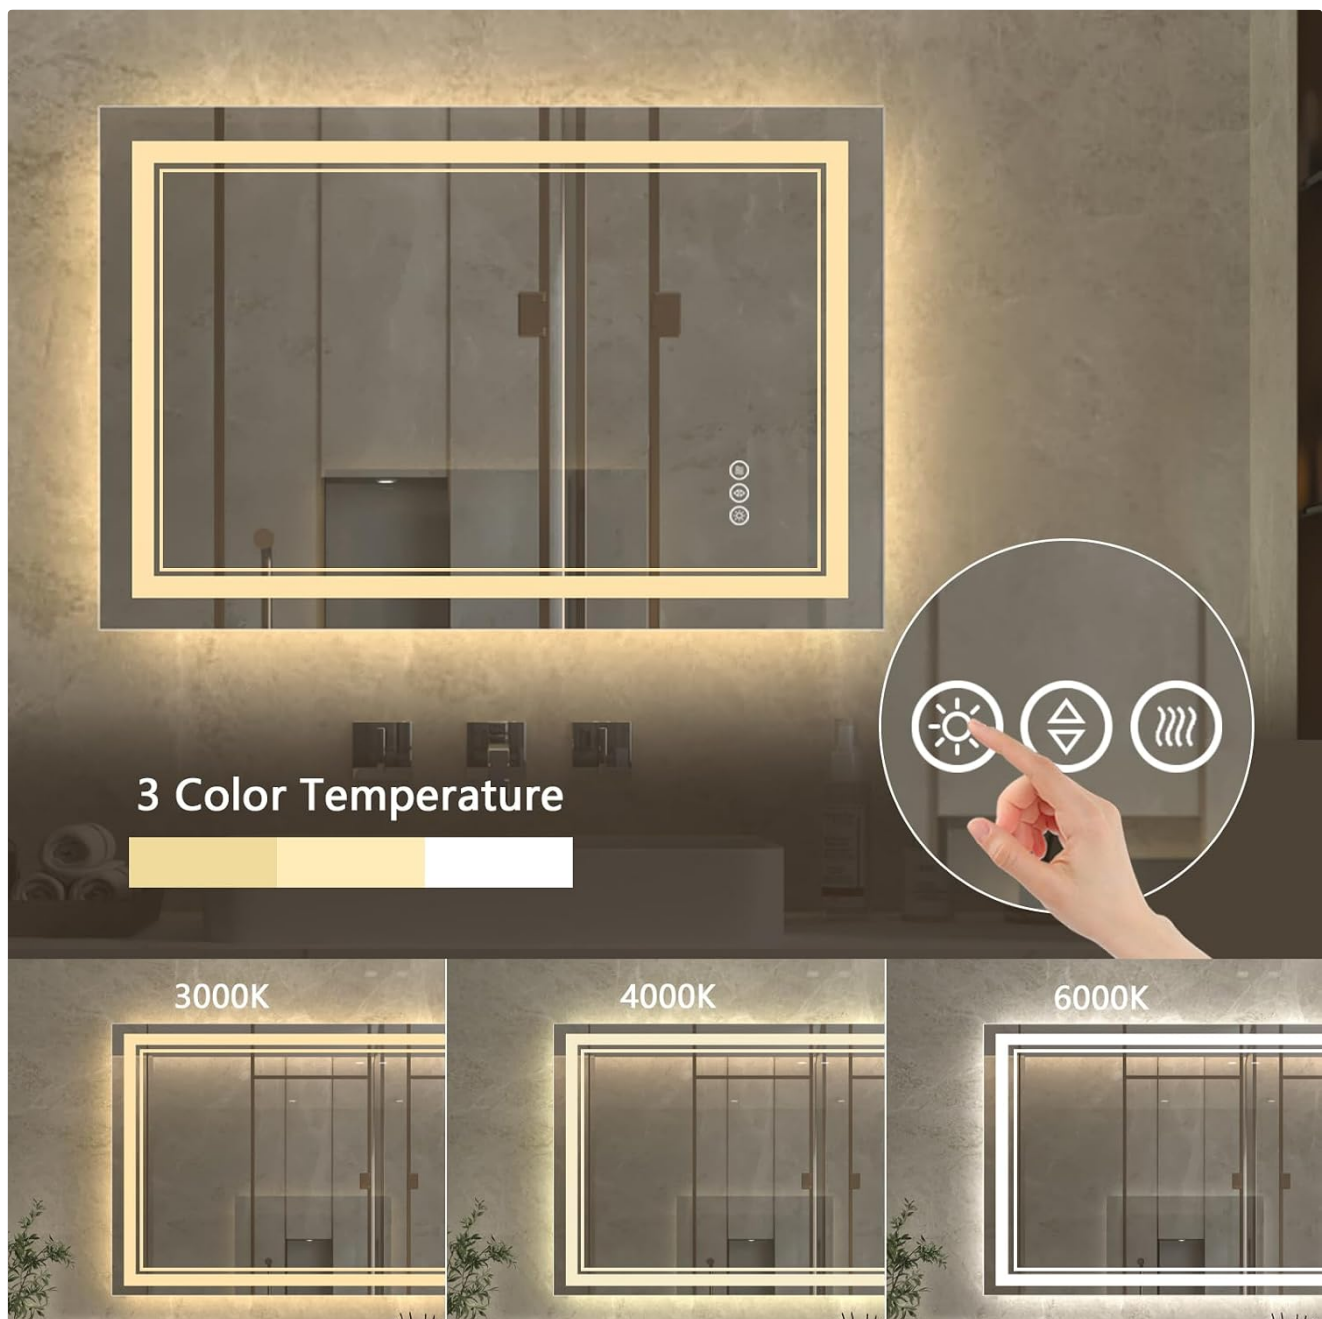

Image 5.1: Changing Color Temperature.

5.3 Adjusting Brightness

With the lights on, press and hold the brightness icon. The brightness will gradually adjust from 10% to 100%. Release the button when the desired brightness level is reached.

Image 5.2: Dimmable Brightness Control.

5.4 Anti-Fog Function

Tap the anti-fog icon to activate the defogging feature. The mirror surface will clear quickly. The anti-fog function will automatically turn off after one hour.

Image 5.3: Anti-Fog Function in action.

5.5 Memory Function

The mirror's intelligent memory function automatically saves your last used light color temperature and brightness settings. When you turn the mirror back on, it will resume these settings.

6. MAINTENANCE

Proper care will ensure the longevity and optimal performance of your ExBrite LED Vanity Mirror.

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the electrical components.
- **Cleaning the Frame:** Wipe the frame with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Electrical Components:** Ensure the mirror is disconnected from power before cleaning any electrical parts. Do not immerse any part of the mirror in water.
- **Regular Inspection:** Periodically check for any loose connections or signs of wear. If any issues are found, contact customer support.

7. TROUBLESHOOTING

If you encounter any issues with your ExBrite LED Vanity Mirror, refer to the following common solutions:

Problem	Possible Cause	Solution
Lights do not turn on.	No power supply; loose connection; faulty switch.	Check power outlet/circuit breaker. Ensure all connections are secure. If hardwired, check wall switch.
Lights flicker or dim unexpectedly.	Unstable power supply; loose wiring.	Verify stable power. Check wiring connections.
Anti-fog function not working.	Anti-fog feature not activated; power issue.	Ensure the anti-fog icon is tapped. Check power supply to the mirror.
Touch controls are unresponsive.	Temporary software glitch; moisture on sensor.	Disconnect power for 1 minute, then reconnect. Ensure the touch area is dry and clean.

If the problem persists after attempting these solutions, please contact ExBrite customer support for further assistance.

8. SPECIFICATIONS
