1. INTRODUCTION

This manual provides instructions for the assembly, use, and maintenance of your gaildon Outdoor Patio Dining Chairs (Set of 4), Model B0CWL3FCWS. Please read this manual thoroughly before assembly and use to ensure proper function and safety. Retain this manual for future reference.

2. PRODUCT OVERVIEW

The gaildon Outdoor Patio Dining Chairs are designed for outdoor use, offering a blend of durability and comfort. This set includes four stackable chairs, ideal for various outdoor settings such as patios, decks, balconies, and gardens.

Key Features:

- **Sturdy Durable Frame:** Constructed with a powder-coated steel frame for long-lasting outdoor use and rust resistance.
- **Wicker Rattan Design:** Features hand-woven rattan for the seat and back, providing comfortable support and a stylish appearance.
- **Stackable Design:** Allows for easy storage and movement, optimizing space when not in use.
- **High Back and Smooth Armrests:** Designed for comfort, supporting the back and providing a relaxed position for arms.
- **Weight Capacity:** Each chair can support up to 225 pounds.

3. SETUP AND ASSEMBLY

The gaildon Outdoor Patio Dining Chairs are designed for quick and easy assembly. No special tools are required.

Assembly Steps:

1. Unpack all components from the packaging. Verify that all four chairs and their respective leg poles are present.
2. For each chair, align the leg poles with the designated connection points on the chair base.
3. Firmly connect the leg poles to the chair base. Ensure each connection is secure and stable.
4. Once all leg poles are attached, gently place the chair on a flat surface to check for stability.
5. Repeat the process for the remaining chairs.

Note: While assembly is straightforward, it is recommended to have a second person assist to ensure proper alignment and stability during connection.

4. USAGE INSTRUCTIONS

These chairs are intended for outdoor dining and seating. They are suitable for use on patios, decks, balconies, and in gardens.

General Use:

- Place chairs on a flat, stable surface to prevent tipping.
- Ensure the maximum weight capacity of 225 pounds per chair is not exceeded.
- When not in use, chairs can be stacked to save space. Stack carefully to avoid damage or instability.

5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your gaidon patio chairs.

Cleaning:

- Wipe down the chairs regularly with a soft cloth and mild soap and water solution.
- Rinse thoroughly with clean water to remove any soap residue.
- Dry completely with a clean cloth to prevent water spots or mildew.

- Avoid using harsh chemicals, abrasive cleaners, or stiff brushes, as these can damage the rattan and powder-coated finish.

Storage:

- When not in use for extended periods, especially during harsh weather conditions, store the chairs in a dry, covered area.
- Utilize the stackable feature to minimize storage space.
- Consider using outdoor furniture covers for added protection against elements.

Inspection:

- Periodically inspect the chairs for any signs of wear, damage, or loose connections.
- Tighten any loose bolts or connections as needed.
- Address any damage promptly to prevent further deterioration.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your patio chairs.

Problem	Possible Cause	Solution
Chair feels unstable or wobbly.	Loose leg connections or uneven surface.	Ensure all leg poles are securely attached. Move the chair to a flat, even surface.
Rattan appears discolored or damaged.	Prolonged exposure to harsh sunlight or weather, or abrasive cleaning.	Store chairs in shade or use covers when not in use. Clean with mild soap and soft cloth only.
Rust spots on the metal frame.	Damage to the powder coating, prolonged moisture exposure.	While the frame is powder-coated for rust resistance, inspect for scratches. Clean and dry thoroughly after rain. Consider touch-up paint for minor scratches.

7. SPECIFICATIONS

Feature	Detail
Brand	gaildon
Model	B0CWL3FCWS
Color	Brown
Material	Rattan (Wicker), Powder Coated Steel Frame
Product Dimensions (D x W x H)	21"D x 20"W x 29"H
