

Mirightone Murphy Bed

Mirightone Queen Size Murphy Bed with Desk Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Mirightone Queen Size Murphy Bed with an integrated desk. Designed for space-saving efficiency, this furniture piece serves as both a comfortable queen-size bed and a functional desk, ideal for multi-use rooms, guest accommodations, or home offices.

Please read this manual thoroughly before beginning assembly or operation to ensure safe and correct usage of the product.

2. SAFETY INFORMATION

- **Proper Assembly:** Ensure all components are assembled correctly and securely according to the instructions. Improper assembly can lead to instability and potential injury.
- **Weight Capacity:** The bed has a maximum weight capacity of 600 lbs. Do not exceed this limit.
- **Mattress Compatibility:** This bed does not require a spring box. It is designed for a queen-size mattress with a recommended thickness of 8-10 inches.
- **Children and Pets:** Keep children and pets away from the bed during folding and unfolding operations to prevent accidents.
- **Stability:** Ensure the unit is placed on a flat, stable surface.
- **Color Variation:** Actual product color may vary slightly from photos due to lighting or monitor display settings.

3. PACKAGE CONTENTS

Your Mirightone Queen Size Murphy Bed with Desk is shipped in two separate packages. Please ensure you have received both packages before beginning assembly. All necessary hardware and components are included. A mattress is not included with this product.

4. SETUP AND ASSEMBLY

Assembly of this Murphy bed is required. Clear instructions are provided to guide you through each step. It is recommended to have at least two adults for assembly due to the size and weight of the components.

1. **Unpack Components:** Carefully unpack all parts from both boxes. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included parts list and diagrams to identify all components and hardware.
3. **Follow Step-by-Step Instructions:** Adhere strictly to the provided assembly manual. Do not skip steps or overtighten screws unless specified.
4. **Secure Wall Mounting:** For safety and stability, the Murphy bed unit must be securely anchored to a wall. Follow the wall-mounting instructions carefully, using appropriate hardware for your wall type.

5. OPERATING INSTRUCTIONS

5.1 Using the Desk Function

When the Murphy bed is in its folded (closed) position, the integrated shelf functions as a desk. This provides a convenient surface for work, study, or display without requiring the bed to be deployed.

5.2 Folding and Unfolding the Bed

The Murphy bed is designed for easy and safe operation. The folding wall bed can be deployed and stored in seconds.

- **Unfolding:** To unfold the bed, gently pull the bed frame downwards. The mechanism is designed to allow the mattress (not included) to drop smoothly once it reaches a certain angle, utilizing inertia for effortless deployment.
- **Folding:** To fold the bed, lift the bed frame upwards until it locks securely into the cabinet. Ensure the desk surface is clear of items before folding.

6. MAINTENANCE

To maintain the appearance and longevity of your Mirightone Murphy Bed, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Mechanism Care:** Keep the folding mechanism free of dust and debris. Do not lubricate the mechanism unless specifically instructed by the manufacturer.

7. TROUBLESHOOTING

If you encounter any issues with your Mirightone Murphy Bed, please consider the following:

- **Difficulty Folding/Unfolding:** Ensure no obstructions are present. Verify that all assembly steps were completed correctly and all hardware is secure.
- **Unstable Unit:** Confirm the unit is properly anchored to the wall as per assembly instructions. Check that all feet are level on the floor.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately.
