## 1. Setup and Initial Fit

Before using your new PUMA MB.01 Iridescent Basketball Sneakers, please ensure a proper fit for optimal performance and comfort. These sneakers are designed for basketball activities.

### 1.1. Sizing Guide

Refer to the PUMA size chart below to confirm your correct shoe size. A proper fit is crucial for support and injury prevention during athletic activities.

### How to measure your foot:

- 1) Make sure you are wearing the type of socks you usually wear. Place a sheet of paper on the floor, lining up with a wall. Place your foot on top of the paper, resting your heel against the wall.
- 2) Using a pen or pencil, make a mark at the end of the toe furthest from the wall (big toe). Do the same for both the right and the left foot, as they may differ slightly in size.
- 3) Using a ruler, measure the distance between side of sheet of paper that you lined up with the wall and the mark you made, repeat for both feet. Make a note of the longest of the two measurements (in inches). Find your shoe size by comparing this value (in inches) with the measurements on our size chart.

### Is the measurement between two sizes?

Choose the smaller size for a tighter fit. Choose the bigger size if you prefer a roomier fit.

**Image 1: PUMA US Size Chart.** This chart provides conversions for US, EU, and UK sizes for both men's and women's footwear, along with foot measurements in inches to help determine the correct size. It also includes instructions on how to measure your foot accurately.

## 1.2. First Use

- **Unboxing:** Carefully remove the sneakers from their packaging. Inspect them for any visible defects or damage.
- **Lacing:** Ensure the laces are properly threaded and tied to provide a secure yet comfortable fit. Adjust tension as needed.
- **Initial Wear:** Wear the sneakers for a short period to allow them to conform to your feet. If any discomfort is experienced, re-adjust lacing or consult the size chart again.

## 2. Operating and Performance Features

The PUMA MB.01 Iridescent Basketball Sneakers are engineered with specific features to enhance performance on the court. Understanding these features will help maximize your experience.

### 2.1. Design and Construction

**Image 2: Side Profile View.** This image displays the side profile of the PUMA MB.01 Iridescent Basketball Sneaker, highlighting its overall shape, lacing system, and the iridescent finish on the upper material. The intricate pattern on the midsole is also visible.

- **Upper Material:** Constructed with a mesh outer material, these sneakers offer breathability and a lightweight feel, crucial for dynamic movements during basketball.
- **Iridescent Finish:** The unique iridescent detailing provides a distinct visual appeal while maintaining functional integrity.
- **Lacing System:** The traditional lace-up closure ensures a customizable and secure fit, adapting to various foot shapes and preferences.

## 2.2. Sole Technology

**Image 3: Outsole Pattern.** This image shows the bottom of the PUMA MB.01 sneaker, revealing the intricate rubber outsole pattern designed for multi-directional traction and grip on basketball courts. The PUMA branding elements are also integrated into the sole design.

- **Rubber Sole:** The durable rubber sole provides excellent traction and grip on indoor and outdoor court surfaces, supporting quick cuts and explosive movements.
- **Cushioning:** The midsole is engineered to provide responsive cushioning, absorbing impact and returning energy for enhanced comfort and agility.

### 3. Care and Maintenance

Proper care and maintenance will extend the lifespan and preserve the appearance of your PUMA MB.01 Iridescent Basketball Sneakers.

- **Cleaning the Upper:**

- Gently wipe the mesh and iridescent surfaces with a soft, damp cloth.
- For stubborn dirt, use a mild soap solution and a soft brush, then wipe clean with a damp cloth.
- Avoid harsh chemicals or abrasive cleaners, as these can damage the material and finish.

- **Cleaning the Sole:**

- Use a brush to remove dirt and debris from the rubber outsole.
- Wipe with a damp cloth.

- **Drying:**

- Allow sneakers to air dry naturally at room temperature.
- Do not expose them to direct sunlight or artificial heat sources (e.g., radiators, hair dryers), as this can cause material degradation.

- **Storage:**

- Store sneakers in a cool, dry place away from direct sunlight.
- Consider using shoe trees to help maintain their shape.
