## 2. SETUP

### Battery Installation:

The workbench requires 2 AA batteries (not included) for its musical and light features.

1. Locate the battery compartment on the underside of the workbench.
2. Using a screwdriver, open the battery compartment cover.
3. Insert 2 AA batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

**Note:** Always use new batteries of the same type. Do not mix old and new batteries. Remove batteries if the toy is not used for an extended period.

### 3. OPERATING INSTRUCTIONS

The iPlay, iLearn Toddler Musical Workbench offers multiple interactive play modes:

#### 3.1. Pounding Game:

Use the included toy hammer to pound the colorful pegs on the workbench surface. This action activates lights and sounds, enhancing the play experience and developing hand-eye coordination.
