## One Things, Three Functions

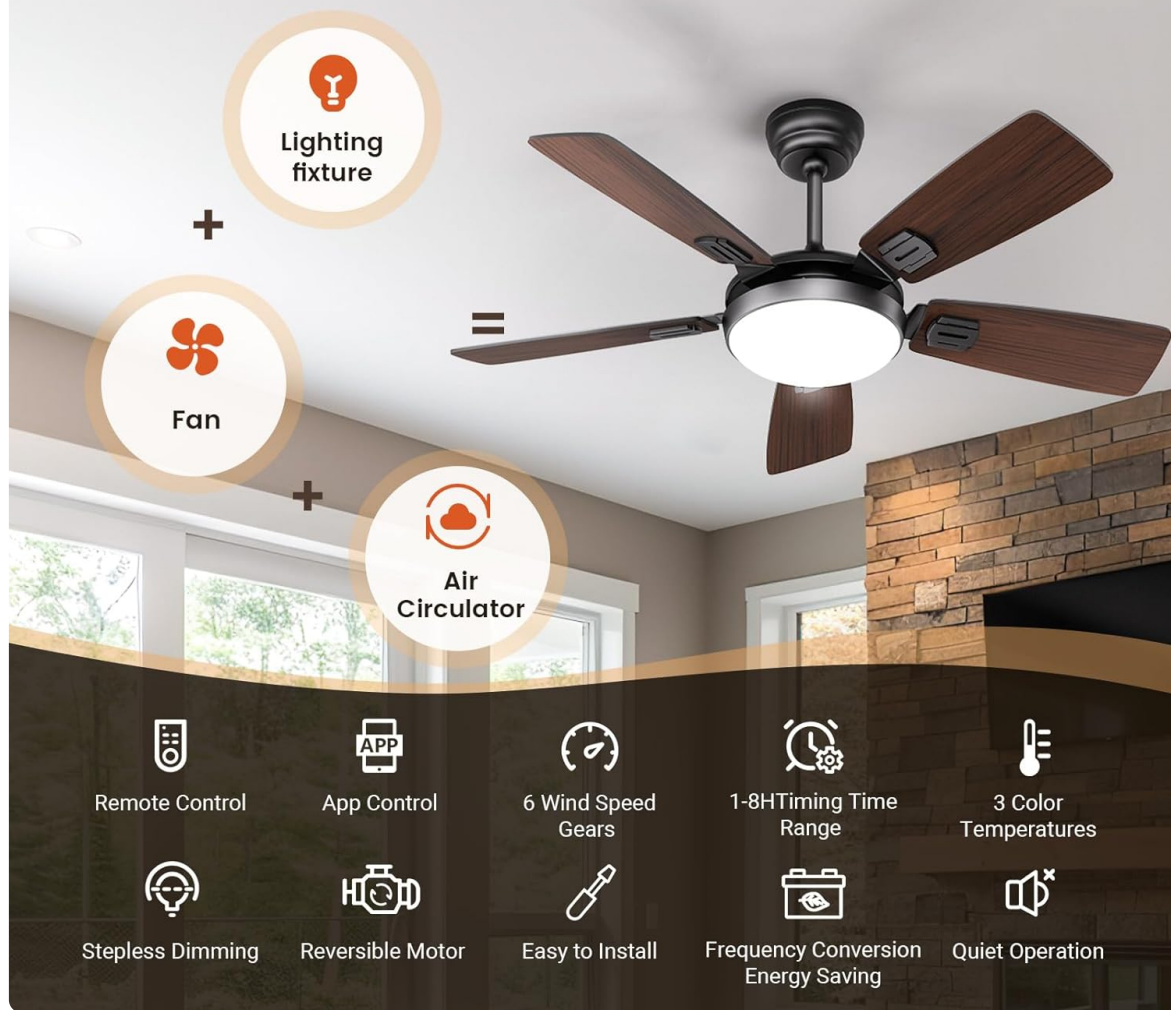

Figure 2: Overview of the fan's versatile functions including lighting, fan, and air circulation.

## SETUP AND INSTALLATION

### Package Contents

Before beginning installation, ensure all components are present and undamaged. Refer to the detailed installation video for visual guidance.

## Warm in Winter, Cool in Summer Always Comfortable

Figure 3: The fan includes both 4-inch and 8-inch downrods to accommodate different ceiling heights.

Video 1: Installation Guide for Blitzwill Ceiling Fan with Lights. This video provides a step-by-step walkthrough of the entire installation process, from unboxing to final assembly.

The fan supports both flat and sloped ceiling installations (up to 18 degrees). Detailed instructions and all necessary hardware are provided for a smooth setup.

## Customize Your Ambiance with 3 Colors and Bright Dimming

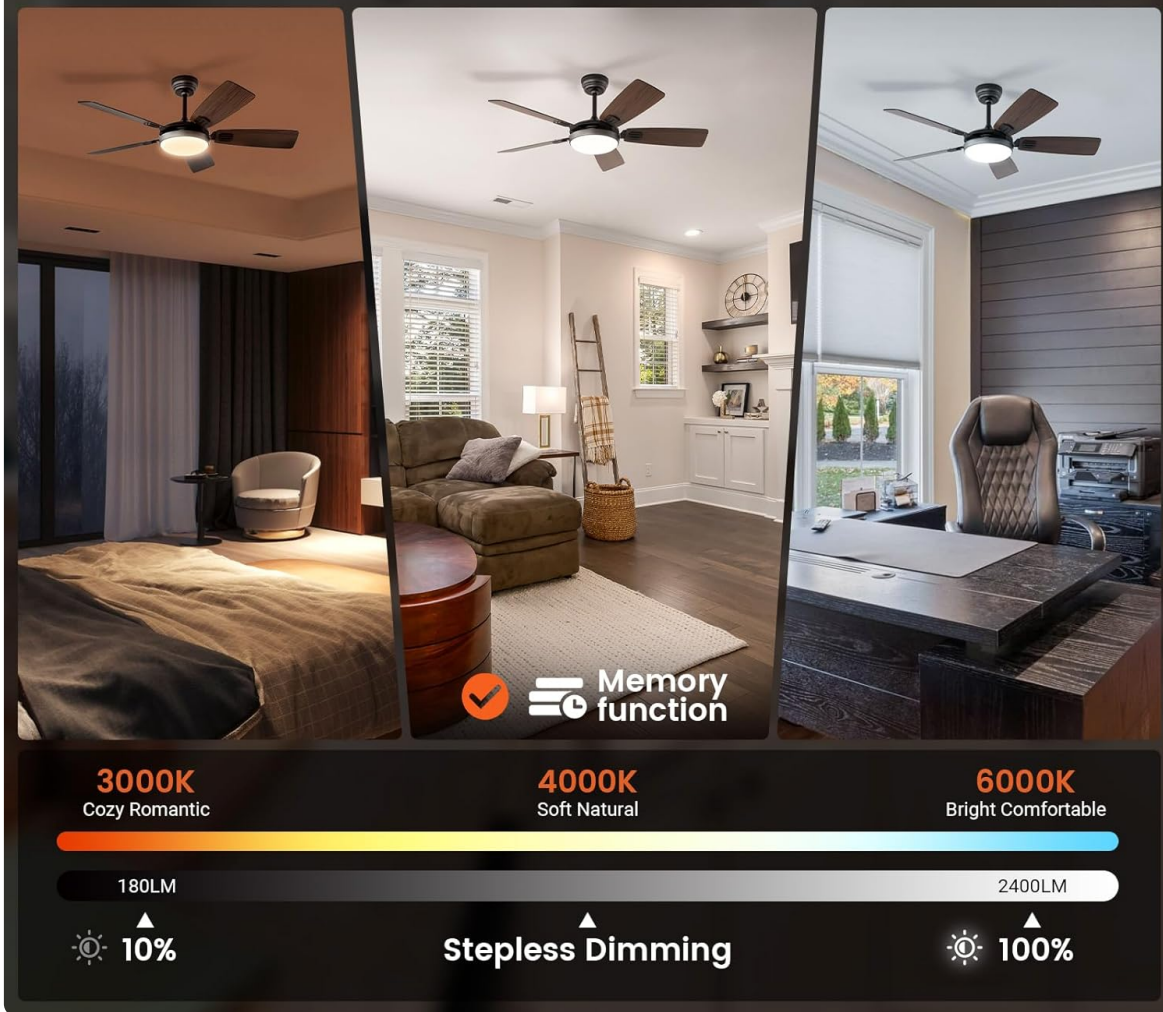

Figure 4: The fan is designed for flexible installation on both flat and sloped ceilings.

### OPERATING INSTRUCTIONS

#### Remote Control

The included remote control allows for convenient adjustment of fan speed, light color temperature, brightness, timing, and the reversible motor function.

## 6-Speed Wind, 8 Hr Timer, Sleep Comfortably Without Worrying About Cold

Figure 5: The remote control provides easy access to all fan and light functions.

Video 2: Smart Control at Your Fingertips. This video demonstrates the ease of controlling the fan and light using the remote control.

### APP Control

For enhanced functionality, download the dedicated mobile application. The app offers additional features such as lighting scenes, device sharing, and extended timing options (1-8 hours).

## Smart Dual Control for An Upgraded Home Experience

	Remote Control	App Control
Timing Time Range	1-2H	1-8H
Control Distance	26.25ft.-65.62ft.	No restriction
Additional Features	No	Yes,default Lighting,night light switch,Sound Switch etc.
Wind Speed Gear	1-6 Gears	1-6 Gears
Color Temperature	3000K/4000K/6000K	3000K/4000K/6000K
Brightness Adjustment	Stepless Dimming	Stepless Dimming

Memory Function	Yes	Yes
Reversal Function	Yes	Yes

Figure 6: The mobile application provides comprehensive control and smart features for your ceiling fan.

### Fan Modes and Speeds

Customize your airflow with 6 wind speed settings. The reversible DC motor allows for year-round use: downward airflow for cooling in summer and upward airflow for circulating warm air in winter.

# Variable Frequency Motor for Quieter More Energy Efficient Operation

Figure 7: The reversible motor provides comfort in both summer and winter by changing airflow direction.

Video 3: BLITZWILL: Fan, Light, and Winter Air Circulator in One! This video highlights the fan's ability to function as a fan, light, and air circulator for year-round comfort.

## Lighting Control

The integrated LED light offers 3 color temperatures (3000K/4000K/6500K) and stepless dimming from 1% to 100%. A memory function retains your last lighting settings for convenience.

## Easy Setup, Perfectly Fits Your Home

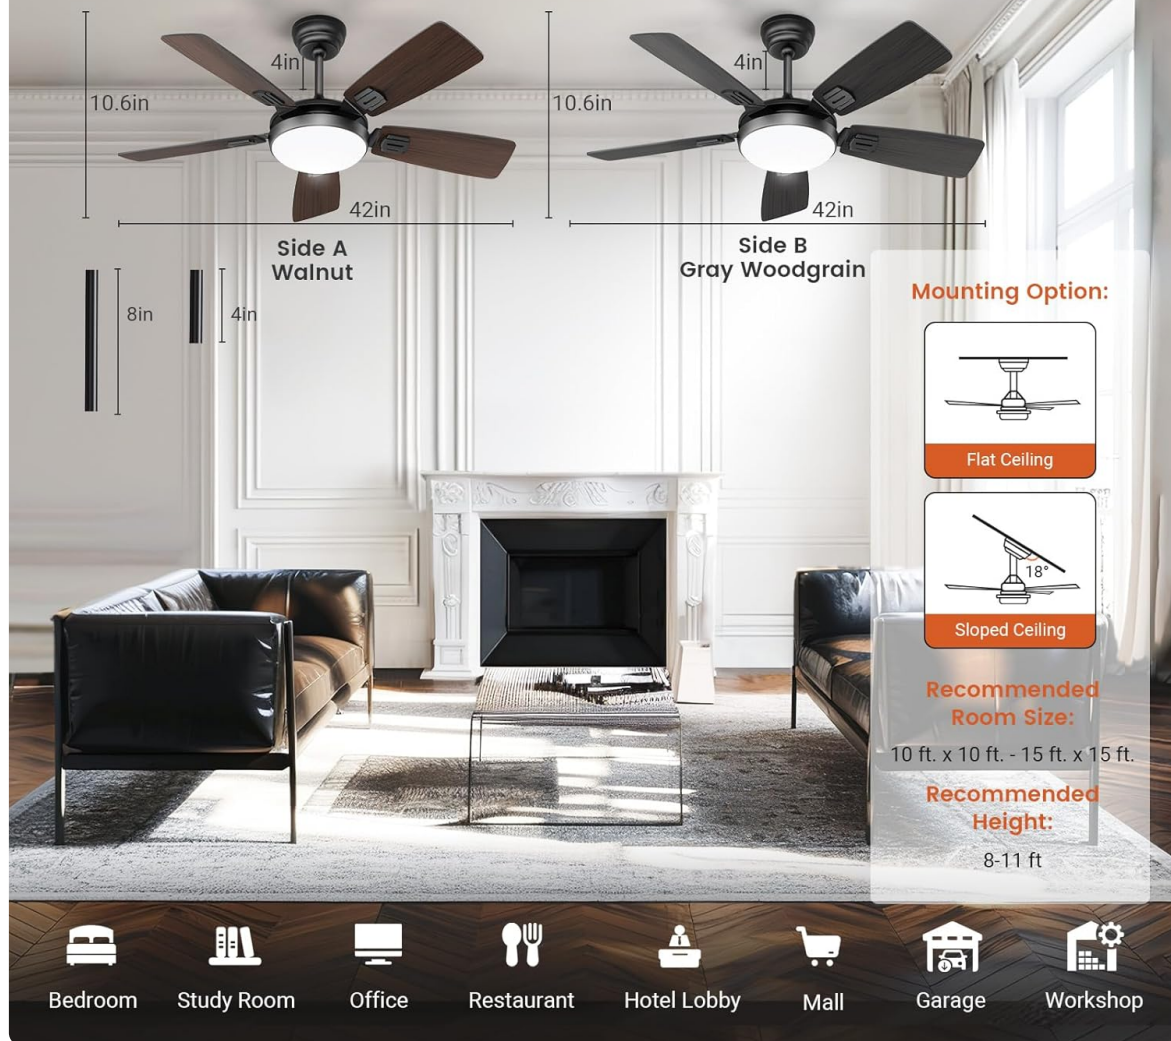

Figure 8: Adjust the light to 3 different color temperatures and dimmable brightness levels to suit your mood.

## MAINTENANCE

To ensure optimal performance and longevity of your BLITZWILL ceiling fan, regular maintenance is recommended. Keep the fan blades and light fixture clean by wiping them with a soft, dry cloth. Avoid using abrasive cleaners or solvents that could damage the finish. Periodically check all connections and mounting hardware to ensure they remain secure.

## TROUBLESHOOTING

### Common Issues and Solutions

If you encounter issues with your fan, refer to the following solutions or consult the provided videos for detailed steps.

Video 4: Solution to Remote Control Pairing Failure. This video guides you through the steps to re-pair your remote

control if it loses connection with the fan.

Video 5: Steps to Reset Network Configuration Through the Wall Switch. Learn how to reset the fan's network configuration using your wall switch.

Video 6: Solution to APP Network Configuration Failure. This video provides solutions if you are experiencing issues connecting the fan to the mobile application.

PRODUCT SPECIFICATIONS

Specification	Detail
Brand	BLITZWILL
Color	Walnut
Electric fan design	Ceiling Fan
Power Source	DC
Style	5 Blades
Product Dimensions	41.73"D x 41.73"W x 17.72"H
Room Type	Living Room, Bedroom, Covered Outdoor, Indoor, Dining Room
Special Feature	Easy to Install, App Control and Remote Control, 6 Wind Speed Gears and 1-8H Timing Time Range, Reversible Motor, 3 Color Temperatures and Stepless Dimming
Recommended Uses For Product	Experience optimal comfort and illumination with our fan light, providing efficient cooling and stylish lighting for any room
Noise Level	35 dB
Wattage	24 watts
Finish Type	Wooden or Wood-grain
Number of Blades	5
Speed	6 RPM
Voltage	120 Volts
Switch Type	Remote
Included Components	Light Kit, Remote, Cord

Indoor/Outdoor Usage	Indoor
Model Name	BLITZWILL Ceiling Fans with Lights
Control Method	App, Remote
Light Type	LED
Blade Material	Metal
Reusability	Reusable
Number of Power Levels	6
Manufacturer	BLITZWILL
Size	42 inch
Item Weight	15.07 pounds
Installation Method	Flush Mount
Type of Bulb	LED

## WARRANTY AND SUPPORT

For any installation or post-purchase inquiries, our professional support team is available at your service. Please refer to your purchase documentation for specific warranty details.
