Moimhear WX000908

Moimhear Daybed 90 x 200 cm with Storage Drawers

Model: WX000908

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Moimhear Daybed, Model WX000908. Please read this manual thoroughly before assembly and use to ensure safe and correct operation. This daybed is designed to function as both a comfortable seating area and a single bed, featuring integrated storage drawers for convenience.

2. SAFETY INFORMATION

WARNING:

- This product contains foam and upholstery materials that may ignite if exposed to open flames or high heat sources. Keep away from open flames and high heat.
- During product use, children and pets must be supervised to prevent crushing injuries, especially around moving parts like drawers.
- Product assembly requires careful attention and adherence to instructions to avoid injury.
- Do not exceed the maximum weight capacity of 200 kg.

3. PACKAGE CONTENTS

Your Moimhear Daybed is shipped in two packages. Before beginning assembly, please ensure all components are present and undamaged. Refer to the detailed parts list provided within the packaging for identification of all hardware and structural elements.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the Moimhear Daybed is required. All parts are clearly labeled, and step-by-step instructions are provided in the packaging. It is recommended to assemble the daybed with two people for ease and safety.

1. Unpack all components and verify against the parts list.
2. Follow the numerical sequence in the provided assembly manual.
3. Ensure all screws and fasteners are securely tightened before use. Do not overtighten to avoid damaging the material.
4. Place the daybed on a level surface.

Figure 4.2: Fully assembled Moimhear Daybed with storage drawers neatly closed.

5. OPERATING INSTRUCTIONS

The Moimhear Daybed features two integrated storage drawers designed for convenient organization.

- **Opening Drawers:** Gently pull the handle located on the front of each drawer to slide it out.
- **Closing Drawers:** Push the drawer back into the frame until it is fully recessed and flush with the daybed structure.
- **Weight Limit:** Avoid placing excessive weight in the drawers to prevent damage to the drawer mechanism or the daybed frame.

Figure 5.2: Detailed view of an individual storage drawer, highlighting its construction.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your daybed.

- **Upholstery Cleaning:** To clean the linen upholstery, use a soft, damp cloth with a mild detergent. Blot stains gently; do not rub vigorously. Avoid abrasive cleaners or harsh chemicals.
- **Frame Care:** For the engineered wood frame, wipe with a dry or slightly damp cloth. Ensure no moisture is left on the wood surfaces.
- **Fastener Check:** Regularly check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Environmental Conditions:** Do not expose the daybed to excessive moisture, direct sunlight, or extreme temperature changes for prolonged periods, as this may cause damage or fading.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, please consider the following:

- **Assembly Difficulties:** Review the assembly instructions provided with your product carefully. Ensure all parts are correctly aligned and all fasteners are securely tightened.
- **Drawer Malfunction:** Check for any obstructions in the drawer runners. Ensure the drawers are not overloaded.
- **Stability Issues:** Verify that the daybed is placed on a flat, level surface and that all connection points are fully tightened.

For missing parts or further assistance, please contact Moimhear customer support.

8. SPECIFICATIONS

Feature	Specification
Brand	Moimhear
Model Number	WX000908
