SETUP INSTRUCTIONS

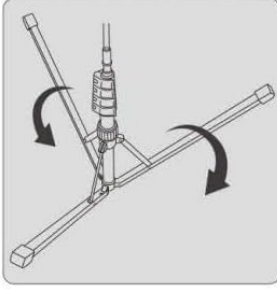

Follow these steps to assemble your Aureday Phone Tripod:

1. **Open the Tripod:** Gently spread the tripod legs until they are fully extended and stable.
2. **Secure the Base:** Tighten the knob at the base of the tripod to lock the legs in position, ensuring maximum stability.
3. **Attach the Gooseneck:** Screw the 15-inch gooseneck extension onto the top of the tripod pole.
4. **Install the Ball Head:** Attach the ball head mount to the top of the gooseneck.
5. **Mount the Phone Holder:** Secure the phone holder onto the ball head.
6. **Adjust Height:** Use the flip-locks on the tripod pole to extend or retract the sections to your desired height. Ensure all locks are securely fastened after adjustment.
7. **Insert Phone:** Open the phone holder clamp and carefully place your smartphone inside.

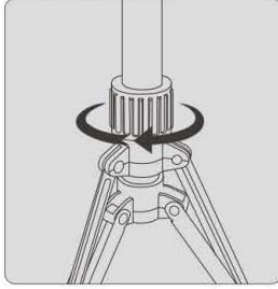

⚙️ Installation Steps

To set up your lighting equipment, follow these simple steps:

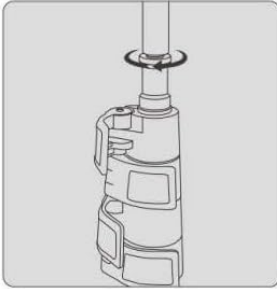

1. Open the tripod.

2. Tighten the spiral of the tripod in a clockwise direction.

3. Rotate the gooseneck clockwise.

4. Rotate the 1/4" ball head clockwise.

OPERATING INSTRUCTIONS

Height Adjustment

The tripod features multiple extendable sections. Unlock the flip-locks on each section to extend the pole to your desired height, from a minimum of 13.5 inches to a maximum of 92 inches. Securely close all flip-locks after adjustment to maintain stability.

92" Gooseneck Tall Tripod

Height adjustable from 16.5" to 92"

Gooseneck and Ball Head Usage

The 15-inch gooseneck provides flexible positioning for your device, allowing you to achieve various angles, including overhead shots. The ball head offers 360-degree rotation and tilt, enabling precise adjustments for both portrait and landscape orientations. Loosen the knob on the ball head to adjust the angle, then tighten to secure.

92-inch Flexible Gooseneck Tripod

All-in-one tripod stand for cell phone and camera

Wireless Remote Control

The included wireless remote control allows you to remotely trigger your phone's camera for photos and videos. Pair the remote with your smartphone via Bluetooth. This feature is ideal for capturing shots without touching your device, reducing camera shake and enabling self-portraits or group photos from a distance.

Maximum Height	92 Inches
Minimum Height	13.5 Inches
Material	Aluminum
Special Feature	Gooseneck, Remote Control
Compatible Devices	Camera, Smartphone
Color	Black
Batteries	1 C battery required (for remote)

MAINTENANCE

To ensure the longevity and optimal performance of your Aureday Phone Tripod, follow these maintenance guidelines:

- **Cleaning:** Wipe down the tripod with a soft, dry cloth after each use to remove dust and debris. For stubborn dirt, use a slightly damp cloth and dry thoroughly.
- **Storage:** Store the tripod in its carrying bag in a cool, dry place away from direct sunlight and extreme temperatures.
- **Lubrication:** Periodically check the moving parts, such as the flip-locks and ball head, for smooth operation. Apply a small amount of silicone-based lubricant if necessary, avoiding excessive application.
- **Inspection:** Regularly inspect the tripod for any signs of wear, damage, or loose components. Tighten any loose screws or connections. Do not use if any part is broken or damaged.

TROUBLESHOOTING

If you encounter any issues with your Aureday Phone Tripod, refer to the following common troubleshooting tips:

- **Tripod Instability:** Ensure all flip-locks on the pole sections are securely fastened and the base knob is tightened. Make sure the legs are fully spread on a flat, stable surface.
- **Phone Not Secure:** Verify that the phone holder clamp is fully extended and gripping your phone firmly. The clamp should be centered on your phone for balanced support.
- **Remote Control Not Connecting:** Check if the remote control has a working battery. Ensure Bluetooth is enabled on your smartphone and the remote is in pairing mode. Re-pair the remote if necessary.
- **Gooseneck Not Holding Position:** Ensure the ball head knob is tightened after adjusting the gooseneck's position. The gooseneck is designed to be firm to hold its shape.

If the issue persists, please contact customer support.

WARRANTY & SUPPORT

Aureday provides a **12-month free service** to ensure your complete satisfaction with this product. If you have any questions, concerns, or require assistance, please do not hesitate to contact our customer support team. We are committed to providing dependable support and resolving any issues you may encounter. Please retain your proof of purchase for warranty claims.
