Halitaa CQ-K1A010RD0M-16

Halitaa Dog Stroller Instruction Manual

Model: CQ-K1A010RD0M-16

INTRODUCTION

Thank you for choosing the Halitaa Dog Stroller. This manual provides essential information for the safe assembly, operation, and maintenance of your pet stroller. Please read all instructions carefully before use and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

- Always ensure all locking mechanisms are engaged before placing your pet in the stroller or moving it.
- Do not exceed the maximum weight capacity of 130 lbs (59 kg).
- Always use the interior safety leashes to secure your pet(s) to prevent them from jumping out.
- Never leave your pet unattended in the stroller.
- Avoid using the stroller on steep inclines or uneven terrain without proper caution.
- Regularly inspect the stroller for any signs of wear, damage, or loose parts.
- Keep hands and fingers clear of moving parts during folding and unfolding.
- This stroller is designed for pets only. Do not use it for children or other purposes.

PACKAGE CONTENTS

Upon opening the package, verify that all components are present:

- Stroller Frame (pre-assembled main body)
- Rear Wheels (2)
- Front Wheels (2)
- Removable Foam Cushion
- Safety Leashes (2)
- Instruction Manual (this document)

SETUP AND ASSEMBLY

The Halitaa Dog Stroller is designed for quick and easy assembly. Follow these steps:

1. **Install Rear Wheels:** Locate the rear wheel axle on the stroller frame. Push each rear wheel onto the axle until it clicks securely into place.
2. **Install Front Wheels:** Insert the front wheel assemblies into the designated slots at the front of the stroller frame. Ensure they click firmly into position.
3. **Unfold the Stroller:**
 - Place the folded stroller on a flat surface.
 - Locate the folding mechanism button on the handle.
 - Press the button and lift the handle upwards until the stroller frame fully extends and locks into the open position. You should hear a click.
4. **Secure the Cabin:** Ensure all zippers and fasteners for the pet cabin are properly secured.
5. **Insert Cushion:** Place the removable foam cushion inside the pet cabin for your pet's comfort.
6. **Attach Safety Leashes:** Clip the two interior safety leashes to the designated rings inside the cabin.

OPERATING INSTRUCTIONS

Placing Your Pet in the Stroller

The stroller features a dual-door design for easy access:

- **Front Entry:** Unzip the large front opening to allow your pet to enter.
- **Rear Entry:** The back of the cabin is also equipped with a large zippered door for convenient entry and exit, especially for larger pets.

Once your pet is inside, secure them using the interior safety leashes attached to their collar or harness. Ensure all zippers are closed to prevent accidental escape.

Double-door Design

Won't stress your pet's entry
perfect for larger dogs

Large angled front opening

The back is also equipped with a large door with zipper

Maneuvering the Stroller

- **Swivel Front Wheels:** The 8-inch front wheels feature 360-degree swivel capability for easy navigation and smooth turns.
- **Shock Absorption:** The front wheels are equipped with shock-absorbing equipment to provide a comfortable ride over various terrains, including brick lawns and uneven surfaces.
- **Rear Wheels and Brake:** The 11-inch rear wheels have a professional surface design for enhanced friction and stability. A foot-activated brake system is located on the rear axle. Press down to engage the brake and lift up to release. Always engage the brake when the stroller is stationary.

Flexible and Durable Tires

Special surface design for more anti-slip stability

Ventilation and Visibility

The stroller is designed with breathable plastic mesh windows on all sides to ensure good ventilation and allow your pet to see their surroundings. The top of the cabin also has a visible mesh window with olive buckles to help secure it open, providing additional airflow and visibility.

Folding for Storage

To fold the stroller for storage or transport:

1. Ensure your pet is removed from the stroller and all zippers are closed.
2. Unzip the front mesh panel.
3. Press the button on the handle and push downwards to collapse the stroller. It will fold in seconds.
4. For more compact storage, the wheels can be quickly removed by pressing their quick-release buttons.

MAINTENANCE AND CARE

- **Cleaning Fabric:** The 600D Oxford cloth is wear-resistant, waterproof, and UV-resistant. Clean fabric surfaces with a damp cloth and mild soap. Allow to air dry completely.
- **Cleaning Frame:** Wipe the iron frame with a damp cloth. Avoid harsh chemicals that may damage the finish.
- **Wheel Maintenance:** Periodically check the wheels for debris and ensure they spin freely. Lubricate axles if necessary.
- **Storage:** Store the stroller in a dry, cool place away from direct sunlight when not in use to prolong its lifespan.
- **Removable Cushion:** The foam cushion can be removed for cleaning. Hand wash with mild soap and water, then air dry.

SPECIFICATIONS

Feature	Detail
Model Number	CQ-K1A010RD0M-16

TROUBLESHOOTING

- **Stroller not unfolding/folding smoothly:** Ensure all locking mechanisms are disengaged before attempting to fold or unfold. Check for any obstructions in the folding joints.
- **Wheels not turning freely:** Inspect wheels for debris (e.g., hair, dirt) caught in the axles. Clean as necessary. Ensure wheels are properly installed and clicked into place.
- **Brake not engaging:** Verify that the brake lever is fully depressed. Check for any obstructions preventing the brake mechanism from engaging with the wheels.
- **Pet seems uncomfortable:** Ensure the removable cushion is properly placed. Check that the pet is not too large for the cabin space. Adjust mesh panels for optimal ventilation.

WARRANTY AND SUPPORT
