Status SAANC-CE-CLOUD

Status Core ANC Active Noise Cancelling Headphones User Manual

Model: SAANC-CE-CLOUD

INTRODUCTION

Thank you for choosing Status Core ANC Active Noise Cancelling Headphones. This manual provides essential information for setting up, operating, and maintaining your headphones. Please read it thoroughly to ensure optimal performance and longevity of your device.

PACKAGE CONTENTS

Ensure all items are present in the package:

- Status Core ANC Headphones
- USB-C Charging Cable
- 3.5mm Audio Cable
- User Manual (this document)

SAFETY INFORMATION

- Do not expose the headphones to extreme temperatures, humidity, or liquids.
- Avoid listening at high volume levels for extended periods to prevent hearing damage.
- Keep the headphones away from children and pets.
- Use only the provided or certified charging cables.

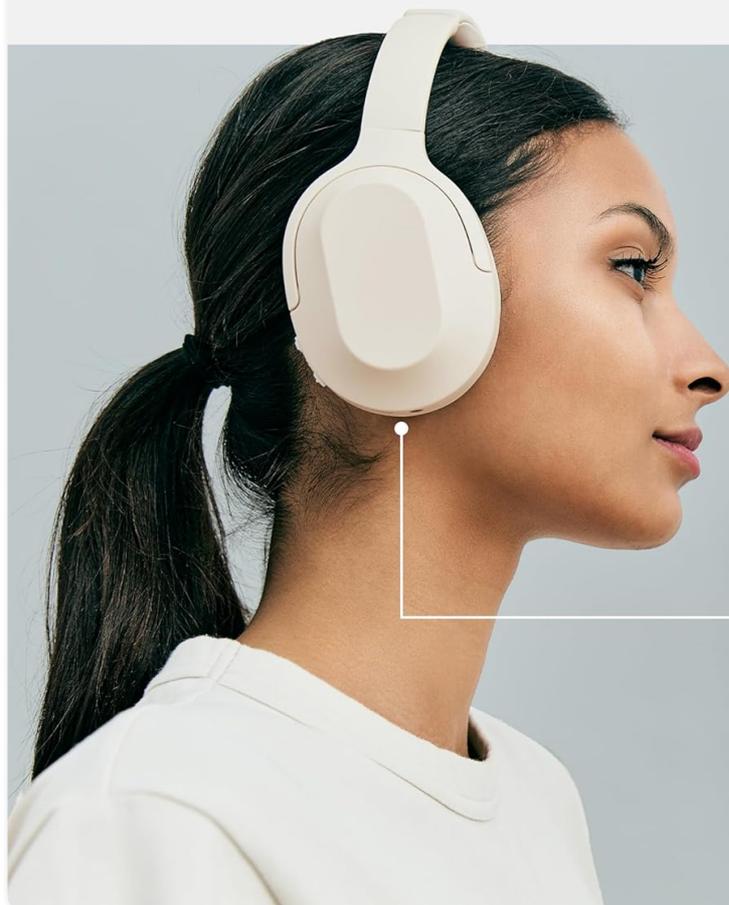

CONTROLS OVERVIEW

The headphones feature intuitive physical buttons for easy control of audio playback, calls, and voice assistant functions.

Easy Music & Call Control

Physical buttons for volume control, track navigation, and play/pause

STATUS

+ Voice Assistant compatibility for hands-free operation

Good morning, Sarah. I'm calling to follow up on the proposal we sent you last week...

Image: A visual representation of the headphone's physical buttons for volume, track control, play/pause, and voice

assistant activation.

- **Power Button:** Press and hold to power on/off. Single press to play/pause music or answer/end calls.
- **Volume Up/Next Track:** Single press for volume up. Press and hold for next track.
- **Volume Down/Previous Track:** Single press for volume down. Press and hold for previous track.
- **ANC Button:** Press to toggle Active Noise Cancelling on/off.
- **Voice Assistant:** Double-press the Power Button to activate your device's voice assistant.

SETUP

1. Charging the Headphones

Before first use, fully charge your headphones. Connect the USB-C charging cable to the headphone's charging port and the other end to a USB power source (e.g., computer, wall adapter). The LED indicator will show charging status.

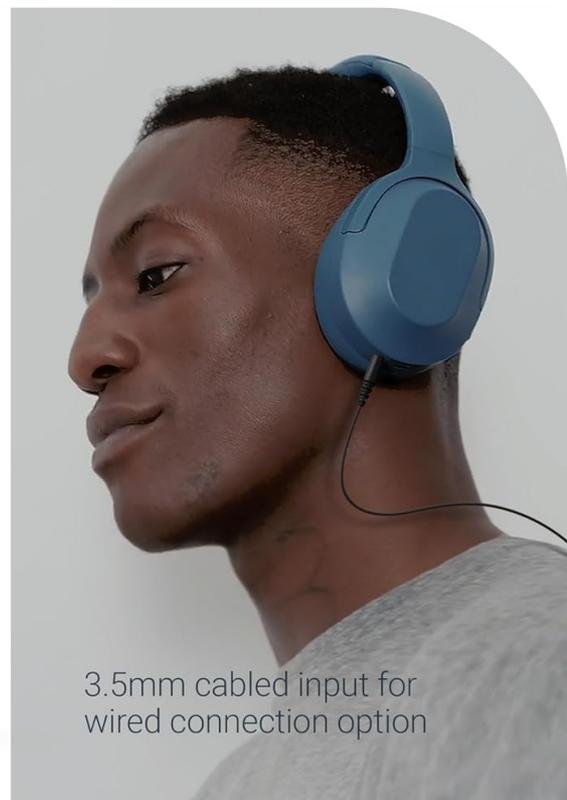

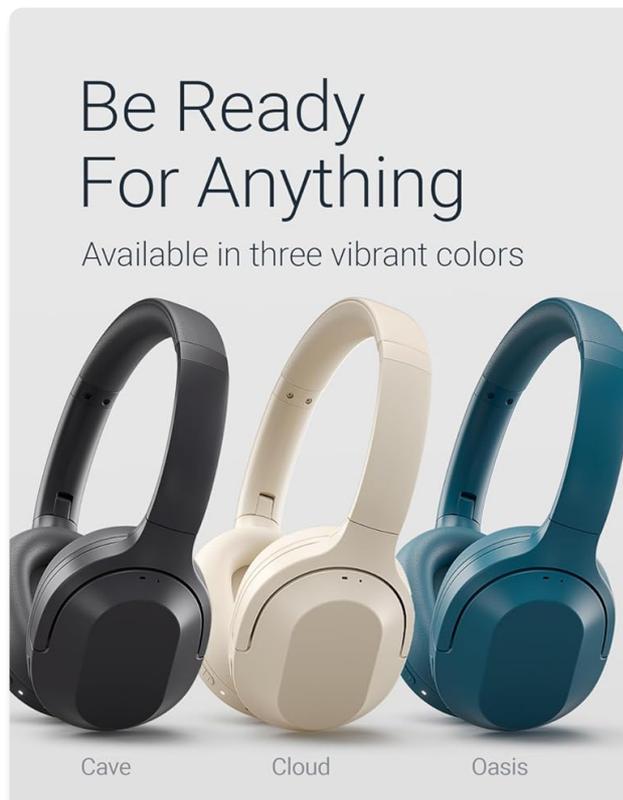

Image: Close-up of the headphone's USB-C charging port, illustrating the connection point for recharging. A full charge provides approximately 30 hours of continuous music playback with ANC off, or 20 hours with ANC on.

Industry-Leading Battery Life

STATUS

Image: Graphic illustrating the battery life of the headphones: 30 hours with ANC off and 20 hours with ANC on.

2. Powering On/Off

- **To Power On:** Press and hold the Power Button until the LED indicator lights up.
- **To Power Off:** Press and hold the Power Button until the LED indicator turns off.

3. Bluetooth Pairing

To connect your headphones wirelessly:

1. Ensure the headphones are powered off.
2. Press and hold the Power Button for approximately 5 seconds until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Status Core ANC" from the list of devices.
5. Once connected, the LED indicator will show a solid blue light.

Seamless Connection & Immersive Sound

STATUS

Bluetooth 5.0

40mm Dynamic Drivers in Each Ear Deliver:

Immersive detail
& clarity

Depth in
every note

Image: Illustration highlighting Bluetooth 5.0 connectivity and the 40mm dynamic drivers for immersive sound.

4. Wired Connection

For a wired connection, use the provided 3.5mm audio cable. Plug one end into the headphone's 3.5mm jack and the other end into your audio source. The wired connection functions regardless of battery level.

OPERATING INSTRUCTIONS

Active Noise Cancelling (ANC)

The Status Core ANC headphones feature active noise cancelling technology to reduce ambient noise. Press the dedicated ANC button to toggle this feature on or off. The ANC function can be used in both wireless and wired modes.

Experience Big, Bountiful Sound

Hybrid Active Noise Cancellation

Up to -30db

Closed-Back Design

for enhanced
noise isolation

Call Management

- **Answer/End Call:** Press the Power Button once.
- **Reject Call:** Press and hold the Power Button for 2 seconds.

Voice Assistant

To activate your device's voice assistant (e.g., Siri, Google Assistant), double-press the Power Button.

MAINTENANCE

Cleaning

Wipe the headphones with a soft, dry, lint-free cloth. Do not use abrasive cleaners, alcohol, or chemical solvents. Avoid getting moisture into any openings.

Storage

When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. If storing for an extended period, ensure they are partially charged.

TROUBLESHOOTING

Problem	Solution
Headphones do not power on	Ensure the headphones are charged. Connect to a power source using the USB-C cable.
Cannot pair via Bluetooth	Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on Bluetooth on your device. Move closer to the device.
No sound	Check volume levels on both headphones and connected device. Ensure headphones are properly paired or the 3.5mm cable is securely connected.
ANC not working effectively	Ensure ANC is activated. Adjust headphone fit to ensure a proper seal around your ears.
