Domino Premium Pure Cane Sugar Packets (400 Count) Instruction Manual

Model: TS0417-A700ML-M516

1. PRODUCT OVERVIEW

Domino Premium Pure Cane Sugar Packets offer single-serve convenience for sweetening beverages and food. Each packet contains 2.8 grams of pure, non-GMO cane sugar, ensuring consistent sweetness without the mess of loose sugar. This product is ideal for various settings requiring portion control and hygiene.

- **Premium Pure Cane Sugar:** Made from pure, non-GMO cane sugar.
- **Single-Serve Convenience:** Each 2.8-gram packet provides a pre-measured amount.
- **Versatile Use:** Suitable for coffee, tea, lemonade, and other beverages.
- **Ideal for Various Settings:** Perfect for coffee stations, offices, hotels, and catering services.

3. USAGE INSTRUCTIONS

Using Domino Sugar Packets is straightforward, providing a hygienic and controlled way to sweeten your favorite items.

1. **Select a Packet:** Take one individual sugar packet from the dispenser box.
2. **Open the Packet:** Tear the packet along the perforated edge or at one of the corners.
3. **Dispense Sugar:** Pour the contents of the packet into your beverage or food.
4. **Stir:** Stir until the sugar is fully dissolved. The fine crystals dissolve quickly in both hot and cold liquids.
5. **Dispose:** Discard the empty packet responsibly.

Since 1901, Domino has been the trusted partner for generations of bakers. Our commitment to quality and expert craftsmanship is our enduring promise to you. We use the highest standard to maintain the naturally sweet flavor found in the sugar cane plant. We don't take sugar lightly and we know you don't either. People who choose the best, choose Domino.

4. STORAGE AND MAINTENANCE

Proper storage ensures the quality and freshness of your Domino Sugar Packets.

- **Storage Location:** Store in a cool, dry place away from direct sunlight and moisture.
- **Container:** Keep packets in their original dispenser box or an airtight container to protect them from humidity and pests.
- **Avoid Contamination:** Ensure packets are not exposed to strong odors, as sugar can absorb them.

7. TROUBLESHOOTING

Sugar appears clumpy or hard:

This can occur if the sugar has been exposed to moisture or high humidity. To prevent this:

- Ensure the dispenser box is kept closed when not in use.
- Store the product in a cool, dry environment.
- Avoid storing near sources of heat or moisture, such as sinks or stovetops.
