

## Fruyyzl 6 Step RV Stairs with Handrail

# Fruyyzl RV Steps with Handrail - 6 Step Model Instruction Manual

Model: B0CWRB5TF4

## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Fruyyzl 6 Step RV Stairs with Handrail. Please read this manual thoroughly before assembly and use to ensure safe and proper functionality.

## Safety Information

- Always ensure all screws and fasteners are tightened before and during use.
- Do not exceed the maximum load capacity of 660 lbs.
- Ensure the steps are placed on a stable, level surface.
- Use the handrail for added stability when ascending or descending.

## PRODUCT OVERVIEW

### Key Features

- **Stable Triangle Structure:** Constructed from high-grade steel frame for enhanced strength and reliability. The triangular structure between steps provides superior support and stability.
- **Single-Sided Handrail:** Features mounting holes on both sides, allowing flexible installation of the handrail on either the left or right side for added safety and convenience.
- **Durable Construction:** Standing platform thickness upgraded from 1.5mm to 2mm for increased durability.

- **Anti-Slip Pedals:** Upgraded anti-slip panel design for safer use in various weather conditions.
- **Versatile Use:** Suitable for both indoor and outdoor applications, including RVs, mobile homes, travel trailers, porches, spas, and general utility.

## Dimensions and Specifications

## OPERATING INSTRUCTIONS

Once assembled, the Fruyyzl RV Steps are ready for use.

- **Placement:** Position the steps on a firm, level surface adjacent to your RV, mobile home, or desired entry point. Ensure there is no wobbling.
- **Handrail Use:** Utilize the handrail for support when stepping up or down. The handrail can be installed on either side to suit your preference and setup.
- **Load Capacity:** The steps are designed to support a maximum load of 660 lbs. Do not exceed this weight limit.
- **Stability Check:** Periodically check the stability of the steps, especially after moving them or before each use.

Examples of the Fruyyzl RV Steps being used with different types of RVs and trailers in outdoor environments.

## MAINTENANCE

Regular maintenance will prolong the life and ensure the safety of your Fruyyzl RV Steps.

- **Cleaning:** The black polished surface is easy to clean. Use a damp cloth and mild detergent to wipe down the steps and handrail. Avoid abrasive cleaners that could damage the finish.
- **Fastener Check:** Regularly inspect all screws and bolts to ensure they remain tight. Re-tighten any loose fasteners immediately.
- **Rust Prevention:** While the steps are powder-coated for durability, consider applying a rust-inhibiting paint spray to bolt areas if signs of rust appear, especially if used frequently in wet conditions.
- **Storage:** When not in use for extended periods, store the steps in a dry, protected area to prevent weather damage.

## TROUBLESHOOTING

### Common Issues and Solutions

- **Steps feel unstable or wobbly:**
  - *Solution:* Ensure the steps are placed on a completely flat and stable surface.
  - *Solution:* Check all assembly screws and bolts. Re-tighten any that are loose. Refer to the installation video for proper tightening.
- **Difficulty assembling:**
  - *Solution:* Double-check the installation diagram and video. Ensure all parts are correctly oriented as shown.
  - *Solution:* Verify that you are using the correct screws for each connection point.
- **Rust appearing on bolts:**
  - *Solution:* This can occur with prolonged exposure to moisture. Clean the affected area and apply a rust-inhibiting paint or sealant to prevent further corrosion.

## WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your Fruyyzl RV Steps, please contact Fruyyzl customer service. While specific warranty details are not provided in this manual, Fruyyzl is committed to providing high-quality products.
